Still Waiting Ann Swindell, 2017-04-04 What if God wants you to wait? Most of us know what it's like to wait for God to change our circumstances. But, whether we're waiting for physical healing, emotional breakthrough, or better relationships, waiting is something we usually try to avoid. Why? Because waiting is painful and hard. The truth is, it's also inevitable. In *Still Waiting*, Ann Swindell explores the depths of why God wants us to wait by chronicling her own compelling story of waiting for healing from an incurable condition. She offers a vibrant retelling of the biblical account of the Bleeding Woman that parallels her story—and yours, too. Let Ann help you see the promise that is hidden in the ache of waiting and the hope of what God can—and will—do as you wait on him.
