Last Minute Traveler Michelle Roberts,Michelle a Roberts M a,2014-08-06 Getting a last minute travel deal is one thing that you can procrastinate on. This is a great way to save on travel if you are on a budget. If you can go away upon at the last minute, then you can save plenty of money for your trip. In fact, you will be able to save up to three-fourths of what the trip would normally cost. This is definitely a steal. Back in the day, you couldn't get last minute deals at a cheap price. You would have to pay as much as twice the regular price because you were buying on convenience. Usually, when you get things on convenience, it costs more. Nowadays, since there are not a lot of people flying and booking hotel rooms, the demand is low. So, in order to get those flights and rooms sold, companies have to implement a strategy where people will readily purchase flights and rooms at a cheap or discounted price. The only catch is that they need to snatch up the deals very quickly. Cheap prices on flights and hotel rooms usually don't last. The companies would prefer to make some kind of profit than to lose money on empty seats and rooms. Tips from this book will save you and direct you to the best last minute deals.

Every chapter contains extensive real-world case studies and biographies of key industry figures and challenging review exercises which encourage the reader to reflect critically on their own knowledge and professional practice. The book's companion website offers additional resources for instructors and students, including an instructors' guide, test bank, presentation slides and useful weblinks. Sports Marketing: A Strategic Perspective is an essential foundation for any sports marketing or sports business course, and an invaluable reference for any sports marketing practitioner looking to improve their professional practice.

Cooperation and Sustainable Development Aleksei V. Bogoviz,Alexander E. Suglovov,Alexander N. Maloletko,Olga V. Kaurova,2021-12-03 This book presents a systematic view of the cooperative sector of the economy from the standpoint of sustainable development. On the one hand, the book reveals the consequences of business cooperation for the implementation of global sustainable development goals, primarily in terms of environmental protection and food security. On the other hand, the book defines the essence of sustainable development of the cooperative sector of the economy as a demonstrative economic practice that reflects the general state of socio-economic systems. Scientific, methodological, and applied recommendations for the systemic optimization of the management of the cooperative sector of the economy in the interests of simultaneously achieving its maximum positive impact on the implementation of sustainable development goals, as well as maintaining its stability are proposed. The book contains the best works based on the results of the International Scientific and Practical Conference "Cooperation and Sustainable Development", which was held on December 15-16, 2020. Its target audience is scientists studying processes of business structures cooperation, business entities carrying out cooperation, as well as public authorities, which will find guidelines for improving state regulation of the cooperative sector of the economy in this book.

I Heart My Life Emily Williams,2019-06-04 Written by entrepreneurial phenomenon Emily Williams, I Heart My Life is a guidebook for women to change their money mindset, get clarity on what they want and start living the life of their dreams. I Heart My Life is a guide for living life in a different way to everyone else--going for your desires and no longer letting doubt, shame, insecurity or other people's judgment stop you from moving forward with that something big you know you're meant for. It brings together mindset, money beliefs, success principles, vulnerability, and real-life stories of women who have made their career and life dreams come true. Emily Williams once couldn't even get a job at Starbucks. Yet she went on to move to a new country, clear \$30k in credit card debt and build a seven-figure coaching business from scratch. Having worked for years with thousands of women around the world to release what holds them back from the success they want, Emily is now sharing all her most powerful tools to help women radically transform their lives. In this book, you'll discover how to: * cultivate a success mindset and trust the intelligence within your heart * become clear about what you really want--then, go after it * embrace gratitude as a driver for your ambition and success * get big results and handle things when they don't go as planned * be consistent, persistent and confident on the path towards your dreams Whether you're dreaming of starting your own business, getting ahead in your career, or just experience more joy, adventure and fulfilment in your life, I Heart My Life will catapult you toward your greatest desires.

How to Take Over the World Ryan North,2022-03-15 NAMED A BEST NONFICTION BOOK OF THE YEAR BY ESQUIRE "Comic book fans will fall hard for this delightfully daffy guidebook. . . . Exuberant, optimistic, and just plain fun, How to Take Over the World will both surprise and delight." —Esquire A book this informative should be a crime! Taking over the world is a lot of work. Any supervillain is bound to have questions: What's the perfect location for a floating secret base? What zany heist will fund my wildly ambitious plans? How do I control the weather, destroy the internet, and never, ever die? Bestselling author and award-winning comics writer Ryan North has the answers. In this introduction to the science of comic-book supervillainy, he details a number of outlandish villainous schemes that harness the potential of today's most advanced technologies. Picking up where How to Invent Everything left off, his explanations are as fun and elucidating as they are completely absurd. You don't have to be a criminal mastermind to share a supervillain's interest in cutting-edge science and technology. This book doesn't just reveal how to take over the world—it also shows how you could save it. This sly guide to some of the greatest threats facing humanity accessibly explores emerging techniques to extend human life spans, combat cyberterrorism, communicate across millennia, and finally make Jurassic Park a reality.

Tell Me Lies Carola Lovering,2018-06-12 Now an original series on Hulu! YOU NEVER FORGET YOUR WORST. “A twisted modern love story” (Parade), Tell Me Lies is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn’t let go of. The one you’ll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she’s never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she’s quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy’s heart. Lucy knows there’s something about Stephen that isn’t to be trusted. Stephen knows Lucy can’t tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy’s and Stephen’s voices, Tell Me Lies follows their connection through college and post-college life in New York City. “Readers will be enraptured” (Booklist) by the “unforgettable beauties in this very sexy story” (Kirkus Review). With the psychological insight and biting wit of Luckiest Girl Alive, and the yearning ambitions and desires of Sweetbitter, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.
