When You Love a Man Who Loves Himself W Campbell, 2005-02-01 Narcissistic men seem like the ultimate catch: self-confident, attractive, charming individuals who are often the life of the party. The narcissist always knows the place to be and who to be seen with. His attention is initially very flattering, but eventually his behavior is not: he becomes aloof and controlling and may cheat. He still seems somewhat interested, however, and often makes enough nice gestures to maintain a girl's interest, leaving all but him to wonder: what is going on? The country's leading expert on narcissism, Dr. W. Keith Campbell, explains how to identify a narcissist, what it means to love a man who loves himself and how to break the cycle of dating men with this personality disorder.

Jewels Victoria Finlay, 2006-08-15 Throughout history, precious stones have inspired passions and poetry, quests and curses, sacred writings and unsacred actions. In this scintillating book, journalist Victoria Finlay embarks on her own globe-circling search for the real stories behind some of the gems we prize most. Blending adventure travel, geology, exciting new research, and her own irresistible charm, Finlay has fashioned a treasure hunt for some of the most valuable, glamorous, and mysterious substances on earth. With the same intense curiosity and narrative flair she displayed in her widely-praised book *Color*, Finlay journeys from the underground opal churches of

outback Australia to the once pearl-rich rivers of Scotland; from the peridot mines on an Apache reservation in Arizona to the remote ruby mines in the mountains of northern Burma. She risks confronting scorpions to crawl through Cleopatra's long-deserted emerald mines, tries her hand at gem cutting in the dusty Sri Lankan city where Marco Polo bartered for sapphires, and investigates a rumor that fifty years ago most of the world's amber was mined by prisoners in a Soviet gulag. *Jewels* is a unique and often exhilarating voyage through history, across cultures, deep into the earth's mantle, and up to the glittering heights of fame, power, and wealth. From the fabled curse of the Hope Diamond, to the disturbing truths about how pearls are cultured, to the peasants who were once executed for carrying amber to the centuries-old quest by magicians and scientists to make a perfect diamond, *Jewels* tells dazzling stories with a wonderment and brilliance truly worthy of its subjects.

With a list of victims that reads like a Who's Who of young Hollywood, including Lindsay Lohan, Orlando Bloom, Paris Hilton, and Rachel Bilson, *The Bling Ring* is the stuff of writers' imaginations—with one exception—it's a true story. The media asked: Why would a group of kids who already had designer clothes, money, cars, and status take such risks? Award-winning journalist Nancy Jo Sales found the answer: They did it because they could. And because it was easy. *The Bling Ring: How a Gang of Fame-Obsessed Teens Ripped Off Hollywood and Shocked the World* is a shocking look at the seedy world of the real young Hollywood.
