The Jewel Thief Jeannie Mobley,2020-05-26 A lush, slow-burn romance set in 17th century France, and based on the history of the Hope Diamond--The Glittering Court meets Alex and Eliza. Her story begins . . . in Paris. The only daughter of the King's crown jeweler, Juliette marvels at the large, deep-blue diamond Louis XIV has commanded her father to make shine like the sun. But Jean Pitau has never cut a diamond quite like this, and shaping it is a risky endeavor. As Jean spirals into depression, Juliette takes it upon herself to cut the stone, and with every misstep, brings her family closer to ruin. Her story resumes . . . in a cold, dark cell of the Bastille prison. Charged with stealing the King's diamond, Juliette has but one chance to convince him that her motives were pure. If she fails, this night may very well be her last. Though, death wouldn't be her worst fate. Because recording Juliette's confession is René, a court-appointed scribe, and the man she loves. But René holds his own grudge against Juliette, and this is her one and only chance to win back his heart.

The Gentleman Jewel Thief Jessica Peterson,2014-07-01 In an era when ladies were demure and men courtly, one priceless treasure set England ablaze and incited unimaginable scandal and passion—the Hope Diamond. Heir to an impressive title and fortune, Lord William Townshend, Earl of Harclay, is among the most disreputable rakes in England. Desperately bored by dull heiresses and tedious soirees, he seeks new excitement—with a dangerous scheme to steal the world's most legendary gemstone from its owner, Thomas Hope. To his surprise, however, it's not the robbery that sets his blood burning but the alluring lady from whom he pilfers the gem. A string of bad luck has left the fate of Lady Violet Rutledge's estate entirely in Hope's scheming hands. So when his prized jewel disappears from around her neck, she has no choice but to track down the villain responsible for the theft. Only Harclay has his sights set on taking more from her than the necklace—and she's tempted to surrender anything he desires... Now, caught in a thrilling game of secrecy and seduction, Violet must find a way to protect her fortune—and her heart—before she loses both forever...

Confessions of a Master Jewel Thief Bill Mason, Lee Gruenfeld,2005-04-12 The extraordinarily captivating memoir of the remarkable jewel thief who robbed the rich and the famous while maintaining an outwardly conventional life—an astonishing and completely true story, the like of which has never before been told . . . or lived. Bill Mason is arguably the greatest jewel thief who ever lived. During a thirty-year career he charmed his way into the inner circles of high society and stole more than \$35 million worth of fabulous jewels from such celebrities as Robert Goulet, Armand Hammer, Phyllis Diller, Bob Hope, Truman Capote, Margaux Hemingway and Johnny Weissmuller—he even hit the Mafia. Along the way he seduced a high-profile Midwest socialite into leaving her prominent industrialist husband, nearly died after being shot during a robbery, tricked both Christie's and Sotheby's into fencing stolen goods for him and was a fugitive for five years and the object of a nationwide manhunt. Yet despite the best efforts of law enforcement authorities from several states as well as the federal government, he spent less than three years total in prison. Shadowy, elusive and intensely private, Mason has been the subject of many magazine and newspaper features, but no journalist has ever come close to knowing the facts. Now, in his own words and with no holds barred, he reveals everything, and the real story is far more incredible than any of the reporters, detectives or FBI agents who pursued Mason ever imagined. *Confessions of a Master Jewel Thief*, expertly co-written by bestselling author Lee Gruenfeld, is a unique true-crime confessional.

Diamond Doris Doris Payne, Zelda Lockhart,2019-09-17 Soon to be a Major Motion Picture In the ebullient spirit of *Ocean's 8*, *The Heist*, and *Thelma & Louise*, a sensational and entertaining memoir of the world's most notorious jewel thief—a woman who defied society's prejudices and norms to carve her own path, stealing from elite jewelers to live her dreams. Growing up during the Depression in the segregated coal town of Slab Fork, West Virginia, Doris Payne was told her dreams were unattainable for poor black girls like her. Surrounded by people who sought to limit her potential, Doris vowed to turn the tables after the owner of a jewelry store threw her out when a white customer arrived. Neither racism nor poverty would hold her back; she would get what she wanted and help her mother escape an abusive relationship. Using her southern charm, quick wit, and fascination with magic as her tools, Payne began shoplifting small pieces of jewelry from local stores. Over the course of six decades, her talents grew with each heist. Becoming an expert world-class jewel thief, she daringly pulled off numerous diamond robberies and her boyfriend fenced the stolen gems to Hollywood celebrities. Doris's criminal exploits went unsolved well into the 1970s—partly because the stores did not want to admit that they were duped by a black woman. Eventually realizing Doris was using him, her boyfriend turned her in. She was arrested after stealing a diamond ring in Monte Carlo that was valued at more than half a million dollars. But even prison couldn't contain this larger-than-life personality who cleverly used nuns as well as various ruses to help her break out. With her arrest in 2013 in San Diego, Doris's fame skyrocketed when media coverage of her astonishing escapades exploded. Today, at eighty-seven, Doris, as bold and vibrant as ever, lives in Atlanta, and is celebrated for her glamorous legacy. She sums up her adventurous career best: "It beat being a teacher or a maid." A rip-roaringly fun and exciting story as captivating and audacious as *Catch Me if You Can* and *Can You Ever Forgive Me?*—*Diamond Doris* is the portrait of a captivating anti-hero who refused to be defined by the prejudices and mores of a hypocritical society.

The planned career of an ambitious thief is amiably thwarted by other kinds of adventure. The King of Diamonds Rena Pederson,2024-04-02 The thrilling story of a brazen, uncatchable jewel thief who roamed the homes of Dallas high society—and a window into the dark secrets lurking beneath the surface of the Swinging Sixties. As a string of high profile jewel thefts went unsolved, the King of Diamonds, as he was dubbed by the press, eluded police and the FBI for more than a decade and took advantage of the parties and devil-may-care attitude of the Swinging Sixties. Like Cary Grant in *To Catch a Thief*, the King was so bold that he tip-toed into the homes of millionaires while they were watching television, or hosting parties. He hid in their closets. And dared to smoke a cigarette while they were sleeping not far away. Rena Pederson, then a young cub reporter at the Dallas Morning News, heard the police reports trickle in while she managed the night desk. With gymnastic skill, this thief climbed trees or crawled across rooftops to get into these sprawling mansions. He took jewels from heiresses, oil kings, corporate CEOs. These were not just some of the richest people in Texas; they were some of the richest people of their time. Scotland Yard and Interpol were on the look-out. But the thief was never caught and the jewels never recovered. To follow the tracks of the thief, Rena has interviewed more than two hundred people, from veteran cops to strippers. She went to pawn shops, Las Vegas casinos, and a Mafia hangout—and discovered that beneath the glittering façade of Dallas debutantes and raucous parties was a world of sex trafficking, illegal gambling, and political graft. When one of the leading suspects was found dead in highly unusual circumstances, the story darkened. What seemed to be taken from the pages of an Edna Ferber story now crashed head-first into Mickey Spillane. Like the stories of *Fantomas* or *Raffles*, the odd psychological aspects of the *The King of Diamonds* give us different kind of crime story. Detectives were stumped: Why did the thief break into houses when his targets were inside, increasing the risk of being captured? Why did he hide in their closets? Many times, he was so close he could hear their breathing as they slept. As one socialite put it, “It was a very peculiar business.”

Jewel Thief! Pauline Young,2018-03-05 Brown mud oozed around Greg's rubber boots, making a soft swishing sound as he worked. The sun was warm on his back. He could hear bird song and the rustle of a breeze through the gum trees above. There was no sound of people around. Or was there? He stiffened. Someone was coming down the steep bank, slipping and sliding on the gravel. Greg looked around hastily. A tall grass tree with three black trunks stood nearby. Quickly he threw down his trowel into a clump of reeds and hid behind the grass tree. As he watched, a scruffy, furtive youth scrambled up to a group of rocks under a tree and stuffed a bulging sack down among the granite boulders. Then he returned the way he had come, passing within centimetres of Greg's hiding place. Greg froze. What was in the sack? And just what could he do about it?
