**The True Ghost Story Adult Coloring Book** Jim Harold, 2016-07-11 An adult coloring book inspired by Jim Harold's popular podcast and book series. Illustrated by Len Peralta.

**Haunting Experiences** Diane Goldstein, Sylvia Grider, Jeannie Banks Thomas, 2007-09-15 Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be

found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

*Beyond Brick and Bone, Volume 1: A True Ghost Story* Antoinette M. Schippers, 2020-09 In this supernatural memoir, the author shares her true story of growing up in a house of spirits, learning to co-exist with those spirits as a child, then channeling the story of those spirits as an adult--as a Gatekeeper. A fascinating tale of a family and their multi-generational home--a home that harbors explosive secrets from a volatile period in Chicago history.

**Somewhere in the Skies** Ryan Sprague, 2021-03-08

The Telltale Lilac Bush and Other West Virginia Ghost Tales Ruth Ann Musick, 2010-09-12 West Virginia boasts an unusually rich heritage of ghost tales. Originally West Virginians told these hundred stories not for idle amusement but to report supernatural experiences that defied

ordinary human explanation. From jealous rivals and ghostly children to murdered kinsmen and omens of death, these tales reflect the inner lives—the hopes, beliefs, and fears—of a people. Like all folklore, these tales reveal much of the history of the region: its isolation and violence, the passions and bloodshed of the Civil War era, the hardships of miners and railroad laborers, and the lingering vitality of Old World traditions.

**The Poltergeist Prince of London** James Clark, Shirley Hinchings, 2013-10-01 It began with a key. One afternoon in 1956, in the home of the Hinchings family in Battersea, south London, a small silver key appeared on Shirley Hinchings' bed. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time – and with the encouragement of psychical researcher Harold Chibbett, whose case-files appear here – by learning to write. Soon, the spirit had begun to make simply incredible claims about his identity, insisting that he was one of the most famous figures in world history – but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all – Shirley herself.

*Man-Made Monsters* Bob Curran, 2010-11-20 Life exists all around us, in forms that we can readily and easily identify. But what if there were, lurking in the shadows, other forms of life that are not so familiar, creatures created not by Nature, but by Man? We know their names—Frankenstein, the Golem, the homunculi of the ancient alchemists; they exist in our stories and myths. But just what are these mysterious creatures, and do they actually have some basis in reality? In his fascinating and wide-ranging new

book, Dr. Bob Curran explores man-made monsters and the truth behind the myths. You'll learn fascinating details about: The 19th century scientist who tried to bring the dead back to life—the model for Mary Shelley's *Frankenstein* The Man of Clay who lumbered through the streets of medieval Prague at the command of early rabbis Tales of robots that may have existed in the ancient world and threatened Greek and Roman warriors. Cloning and the artificial creation of life, and what strange and mysterious areas they may be heading into. *Man-Made Monsters* is essential reading for anyone who wants to explore artificial beings and peer into the dark recesses of the human mind...where they may indeed be hiding.

**The Hired Girl** Laura Amy Schlitz, 2015-09-08  
Winner of the 2016 Scott O'Dell Award for Historical Fiction A 2016 Association of Jewish Libraries Sydney Taylor Award Winner Winner of the 2016 National Jewish Book Award for Children's and Young Adult Literature Newbery Medalist Laura Amy Schlitz brings her delicious wit and keen eye to early twentieth-century America in a moving yet comedic tour de force. Fourteen-year-old Joan Skraggs, just like the heroines in her beloved novels, yearns for real life and true love. But what hope is there for adventure, beauty, or art on a hardscrabble farm in Pennsylvania where the work never ends? Over the summer of 1911, Joan pours her heart out into her diary as she seeks a new, better life for herself—because maybe, just maybe, a hired girl cleaning and cooking for six dollars a week can become what a farm girl could only dream of—a woman with a future. Newbery Medalist Laura Amy Schlitz relates Joan's journey from the muck of the chicken coop to the comforts of a society household in Baltimore (Electricity! Carpet sweepers! Sending out the laundry!), taking readers on an exploration of feminism and

housework; religion and literature; love and loyalty; cats, hats, and bunions.

**Haunted** G. L. Davies, 2018-11-30 Blissful beginnings for a young couple turn into a nightmare after purchasing their dream home in Wales in 1989. Their love and their resolve are torn apart by an indescribable entity that pushes paranormal activity to the limit. *Haunted: Horror of Haverfordwest* is the prequel to the bestselling *A Most Haunted House*. Dare you step inside...

*The Turn of the Screw* Henry James, 1926 This text is the first-and only-modern text to follow the New York Edition, the one which had James's final authority.

More Scary Stories to Tell in the Dark Alvin Schwartz, 2019-04-02 The iconic anthology series of horror tales that's now a feature film! *More Scary Stories to Tell in the Dark* is a timeless collection of chillingly scary tales and legends. Folklorist Alvin Schwartz offers up some of the most alarming tales of horror, dark revenge, and supernatural events of all time. Available for the first time as an ebook, Stephen Gammell's artwork from the original *More Scary Stories to Tell in the Dark* appears in all its spooky glory. Read if you dare! And don't miss *Scary Stories to Tell in the Dark* and *Scary Stories 3*!

**Scary Stories to Tell in the Dark** Alvin Schwartz, 2019-04-02 The iconic anthology series of horror tales that's now a feature film! *Scary Stories to Tell in the Dark* is a timeless collection of chillingly scary tales and legends, in which folklorist Alvin Schwartz offers up some of the most alarming tales of horror, dark revenge, and supernatural events of all time. Available for the first time as an ebook, Stephen Gammell's artwork from the original *Scary Stories to Tell in the Dark* appears in all its spooky glory. Read if you dare! And don't miss *More Scary Stories to Tell in the Dark* and *Scary Stories 3*!

**The Diviners** Rick Moody, 2007-09-03 During one month in the autumn of election year 2000, scores of movie-business strivers are focused on one goal: getting a piece of an elusive, but surely huge, television saga, the one that opens with Huns sweeping through Mongolia and closes with a Mormon diviner in the Las Vegas desert; the sure-to-please-everyone multigenerational TV miniseries about diviners, those miracle workers who bring water to perpetually thirsty (and hungry and love-starved) humankind. Among the wannabes: Vanessa Meandro, hot-tempered head of Means of Production, an indie film company; her harried and varied staff; a Sikh cab driver, promoted to the office of -theory and practice of TV; a bipolar bicycle messenger, who makes a fateful mis-delivery; two celebrity publicists, the Vanderbilt girls; a thriller writer who gives Botox parties; the daughter of an L.A. big-shot, who is hired to fetch Vanessa's Krispy Kremes and more; a word man who coined the phrase -- inspired by a true story; and a supreme court justice who wants to write the script. A few true artists surface in the course of Moody's rollicking but intricately woven novel, and real emotion eventually blossoms for most of Vanessa's staff at Means of Production, even herself. *The Diviners* is a cautionary tale about pointless ambition; a richly detailed look at the interlocking worlds of money, politics, addiction, sex, work, and family in modern America; and a masterpiece of comedy that will bring Rick Moody to a still higher level of appreciation.

**Glimpses of Heaven** Trudy RN Harris, 2017-03-14 Drawn from her decades of experience as a hospice nurse, Trudy Harris shares stories that offer an incredible glimpse at what lies beyond this world--ethereal music, colors that did not exist on earth, angels, and loved ones who have gone on before. She has been with hundreds of patients as they took their last breaths and knows the kinds

of questions that both the dying and their loved ones ask: What happens when we die? What should I say to a loved one who is dying? How can I make a dying friend feel safe? The stories she shares will bring the reader comfort and peace even amidst pain. Tender, heartbreaking, and eye-opening, this expanded edition of the New York Times bestseller offers more incredible windows into the world beyond and life after death.

Rock Solid Billy Stonewall Birt, 2017-04-27 The story of Georgia's 'Dixie Mafia' has never been told. At its core was one man and he was bigger than life. He was the author and enforcer of the rules that governed the entire organization. He set the standard of code that made the 'Dixie Mafia' impenetrable. And he was the one that anyone who broke that code would have to face. His name was Billy Sunday Birt and this is his story --page 4 cover.

**Between the World and Me** Ta-Nehisi Coates, 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots

from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Delve into the emotional tapestry woven by Emotional Journey with in Experience **Jim Harolds Campfire Real Stories Of The Paranormal Told By Real People** .
