Job Scheduling Strategies for Parallel Processing Dror G. Feitelson, Larry Rudolph, 1996-10-16 This book constitutes the strictly refereed post-workshop proceedings of the International Workshop on Job Scheduling Strategies for Parallel Processing, held in conjunction with IPPS '96 symposium in Honolulu, Hawaii, in April 1996. The book presents 15 thoroughly revised full papers accepted for inclusion on the basis of the reports of at least five program committee members. The volume is a highly competent contribution to advancing the state-of-the-art in the area of job scheduling for parallel supercomputers. Among the topics addressed are job scheduler, workload evolution, gang scheduling, multiprocessor scheduling, parallel processor allocation, and distributed memory environments.

Imperium Robert Harris, 2006-09-19 From the bestselling author of *Fatherland* and *Pompeii*, comes the first novel of a trilogy about the struggle for power in ancient Rome. In his “most accomplished work to date” (Los Angeles Times), master of historical fiction Robert Harris lures readers back in time to the compelling life of Roman Senator Marcus Cicero. The re-creation of a vanished biography written by his household slave and righthand man, Tiro, *Imperium* follows Cicero’s extraordinary struggle to attain supreme power in Rome. On a cold November morning, Tiro opens the door to find a terrified, bedraggled stranger begging for help. Once a Sicilian aristocrat, the man was robbed by the corrupt Roman governor, Verres, who is now trying to convict him under false pretenses and sentence him to a violent death. The man claims that only the great senator Marcus Cicero, one of Rome’s most ambitious lawyers and spellbinding orators, can bring him justice in a crooked society manipulated by the villainous governor. But for Cicero, it is a chance to prove himself worthy of absolute power. What follows is one of the most gripping courtroom dramas in history, and the beginning of a quest for political glory by a man who fought his way to the top using only his voice—defeating the most daunting figures in Roman history.

Get a Financial Grip Pete Wargent, 2012-05-15 Pete Wargent used shares, index funds and investment property to become a millionaire at the age of 33 and quit fulltime work. His new book is a detailed plan for achieving financial freedom at any age by taking control of your finances and implementing a holistic financial strategy. The global financial crisis has seen us living through times of great volatility and uncertainty. Many people have been forced to endure periods of unemployment, housing has become almost unaffordable and it seems that the concept of a job for life is a thing of the past. It is more important than ever that we create a sustainable lifestyle and have a financial plan that is not totally reliant on a job and a salary. *Get a Financial Grip* looks at the psychology and mindset of success as well as looking at the asset classes that can be used to attain the leverage and returns to achieve financial goals. The author presents a comprehensive, but easy to understand plan for building and balancing a portfolio for generating wealth through compound growth. It shows how your money can work for you and give you the best odds of breaking the link between work and income. This is not just another text on financial and investment theory, it is a practical, specific and life-changing plan to propel your finances to a level you may never have believed possible. It's a simple plan for achieving financial freedom; offering you the chance to live the life you choose.

Never Get a "Real" Job Scott Gerber, 2010-11-02 Young serial entrepreneur Scott Gerber is not the product of a wealthy family or storied entrepreneurial heritage. Nor is he the outcome of a traditional business school education or a corporate executive turned entrepreneur. Rather, he is a hard-working, self-taught 26-year-old hustler, rainmaker, and bootstrapper who has survived and thrived despite never having held the proverbial "real" job. In *Never Get a Real Job: How to Dump Your Boss, Build a Business, and Not Go Broke*, Gerber challenges the social conventions behind the real job and empowers young people to take control of their lives and dump their nine-to-fives—or their quest to attain them. Drawing upon case studies, experiences, and observations, Scott dissects failures, shares hard-learned lessons, and presents practical, affordable, and systematic action steps to building, managing, and marketing a successful business on a shoestring budget. The proven, no-b.s. methodology presented in *Never Get a Real Job* teaches unemployed and underemployed Gen-Yers, aspiring small business owners, students, and recent college graduates how to quit 9-to-5s, become their own bosses, and achieve financial independence.

The Complete Idiot's Guide to Discovering Your Perfect Career American Writers & Artists Inst., Rene Carew Ed.D., 2005-09-06 What do you really want to do? Finding the perfect career isn't easy, but it's certainly attainable. This guide offers readers the chance to trade in their unsatisfying jobs for fulfilling careers. This book helps them by providing a process of self-assessment that includes questions on personality, talents, values, interests, and goals; advice on how to make a smooth transition from one career to another; and an action plan to take the steps toward landing the perfect career. • According to The Conference Group, only 48.9% of working Americans are satisfied with their jobs, the lowest level of job satisfaction since pollsters first began surveying the topic in 1995 • Career self-discovery books are among the best-performing in the career category

The Most Eligible Bachelor K Praneeth, K Preetham, 2024-02-04 Long ago, Ravikant Varma (referred to as 'Vantala Varma' or 'Dishes Varma' by his villagers) entered into a strange deal with Sharada Devi (whom the villagers called capricious, chaotic and a highly educated mad woman). As per the deal, he would get a few thousands without any security. If not repaid, he would either have to get his son hitched to Sharada's daughter or give her as much as she would ask of him then, else he would be imprisoned. Currently....Mr.Varma heads a successful global food chain. His son Raj is set to enter Vogue's top 10 most eligible bachelors of the world. Just then, Varma is reminded of the long

forgotten deal, as Sharada demands ownership of his company. Now it is upto Raj to decide what to do. Should he marry a woman he had never seen before in his entire life or forgo his inheritance worth millions or allow the imprisonment of his father? Race through the pages to be a part of this game filled with equal doses of fun, thrill, twists and turns in every chapter.
