

# Job For A Cowboy

Sasha Summers

**No Job for a Cowboy** Stephen M. Payne,1964

**Job for a Cowboy Adult Coloring Book** Bonnie

Bedford,2020-11-18 A Job for a Cowboy adult coloring book features incredible therapeutic and humorous designs. Coloring books are a great therapeutic hobby and a great way to spend your leisure time.

**A Cowboy's Heart** Liz Ireland,2011-07-15 Will Brockett

Certainly Had His Hands Full His ex-fiancée had up and married while he'd been out on a cattle drive. Then she'd run away from her new husband, and as the town's part-time sheriff, it was up to Will to rescue her, and keep the residents of Possum Trot happy knowing that he was watching out for them. Now, to top it all off, his best friend, Paulie Johnson, had discarded her riding togs for a fancy dress and suddenly started looking like prime wife material. Poor Will was beginning to wonder just what was going to happen next!

**A Cowboy at Heart** Lori Copeland,Virginia Smith,2013-04-01 A

Cowboy at Heart, an engaging Amish-meets-Wild West adventure from bestselling authors Lori Copeland and Virginia Smith, weaves a clever and romantic tale of new starts and second chances.

1886—Jesse Montgomery is beginning to feel restless. Though he's grateful to his friends Colin and Emma for helping him get on his feet again after a few bad choices and some hard living, surely the Lord doesn't want him to stay in Apple Grove forever. Doesn't the Almighty have plans for this reformed rowdy cowboy to build a life of his own? When an unscrupulous cattle baron tries to steal Amish land, Jesse intervenes and is wounded. Lovely Katie Miller, the young healer in the district, attends to him while trying to guard her heart. This sweet Amish widow cannot risk falling in love with an Englisch cowboy, charming though he may be. And yet—she believes God has a life for her too that is more than what she can presently see. Could there be a future with Jesse only He could bring about?

**A Cowboy to Remember** Rebekah Weatherspoon, 2020-02-25

An Oprah Magazine Best Romance Novel of 2020 In this brand-new series from award-winning author Rebekah Weatherspoon, a charming cowboy and his sleeping beauty find their modern-day happily ever after . . . With a headline spot on a hit morning show and truly mouth-watering culinary skills, chef Evie Buchanan is perched on the edge of stardom. But at an industry party, a fall lands Evie in the hospital—with no memory of who she is.

Scrambling to help, Evie's assistant contacts the only "family" Evie has left, close friends who run the luxury dude ranch in California where Evie grew up. Evie has no recollection of them—until former rodeo champion Zach Pleasant walks into her hospital room, and she realizes his handsome face has been haunting her dreams . . . Zach hasn't seen Evie in years—not since their families conducted a campaign to make sure their childhood friendship never turned into anything more. When the young cowboy refused to admit the feelings between them were real, Evie left California, making it clear she never wanted to see Zach again. Now he refuses to make the same mistake twice. Starting fresh is a risk when they have a history she can't recall, but Zach can't bear to let go of her now. Can he awaken the sleeping beauty inside her who might still love him?

*Cowboy Christians* Marie W. Dallam, 2018-01-15 Cowboy Christians examines the long history of cowboy Christianity in the American West, with a focus on the present-day cowboy church movement. Based on five years of historical and sociological fieldwork in cowboy Christian communities, this book draws on interviews with leaders of cowboy churches, traveling rodeo ministries, and chaplains who serve horse racing and bull riding

communities, along with the author's first-hand experiences as a participant observer. Marie W. Dallam traces cowboy Christianity from the postbellum period into the twenty-first century, looking at religious life among cowboys on the range as well as its representation in popular imagery and the media. She examines the structure, theology, and perpetuation of the modern cowboy church, and speculates on future challenges the institution may face, such as the relegation of women to subordinate participant roles at a time of increasing gender equality in the larger society. She also explores the cowboy Christian proclivity for blending the secular and the sacred in leisure environments like arenas, racetracks, and rodeos. Dallam locates the modern cowboy church as a descendant of the muscular Christianity movement, the Jesus movement, and new paradigm church methodology. Cowboy Christians establishes the religious significance of the cowboy church movement, particularly relative to twenty-first-century evangelical Protestantism, and contributes to a deeper understanding of the unique Christianity of the American West.

Song for a Cowboy Sasha Summers, 2021-01-26 This blast from the past has got country star Emmy Lou King singing the blues... Emmy Lou King is lead singer for the famous band Three

Kings, and her whole family is legendary in country music. When her father lands her the opportunity to sing the American Football League anthem and serve on one of the AFL's anti-drug charities, Emmy Lou agrees. Combining her fan-base and those of the AFL could do some good in the fight against drugs. But can she handle working with Brock Watson? She'd barely recovered from their breakup--and she's never loved anyone else. When a hotshot second string player arrives to fill-in until he is cleared to play football, Brock Watson feels the pressure. From dealing with his father's declining health, keeping the ranch running, staying in game-ready shape, and his dedication to the charity that changed his life, there's no time for anything else. Emmy Lou included. After six years, he'd like to think she couldn't mess with his head anymore. But one look, one smile--and he knows she's as dangerous as ever. He can't resist her, he never could, but this time his heart is off limits. The more time she spends with Brock, the harder it is to keep her distance. But his devotion to his family, his fans, and this charity can't erase the way he'd used her to secure his success. Maybe, if she can guard her heart, she can accept the fiery, no-strings relationship he's willing to offer. But how can she guard something that, right or wrong, already belongs to

him? Romance that will keep you reading into the night.--JODI THOMAS, New York Times bestselling author, for Jace

**Nothing Too Good for a Cowboy** Richmond P.

Hobson,2015-05-12 The second in Richmond Hobson's beloved a trilogy, *Nothing Too Good for a Cowboy*, continues the adventure of cattle ranchers Rich and Pan. It is a story of hardship and endurance--of cattle drives, frozen faces, and marauding wolf packs. It is the story of the cowboy way of life--the starry nights and mountain air. And it is the story and mystery of the author's recurring vision of the blonde dream woman who broke into his solitary existence. Rich Hobson and his business partner, Panhandle Pan Phillips, have established themselves in British Columbia's wild interior as successful cattle ranchers. But their skills are about to be put to the ultimate test as a harsh winter arrives--and so does the Great White North's entrance into the Second World War. With intolerable weather conditions and a shortage of supplies, Rich and Pan will have to pull out all the stops in order to ensure the survival of themselves and their livelihood. From the celebrated author of *Grass Beyond the Mountains* comes a true adventure story, told by a natural rancher, pioneer, and storyteller.

**All for a Cowboy** Jeannie Watt, 2014 A bigger challenge than she expected! Shae McArthur once had it all. Perfect job, perfect fiancé. And when she lost everything, it was her own fault. Now she's starting from scratch with one last project--turning the Bryan Ranch around. If she succeeds, maybe she can pick up the pieces of her former life. The only problem is the ranch's stubborn--and captivating--owner, Jordan Bryan. He's fighting Shae on every change. What gives? True, his scars prove Shae's not the only one starting over. Still, shouldn't he, of all people, be able to see beyond the surface? Because she thinks maybe they could be each other's perfect new beginning....

Death Metal T Coles, 2022-11-17 Steeped in foreboding mythology, the dark underbelly of heavy metal ignites debate to this day. Guitars playing abrasive, discordant riffs, the thunderous double-kick of the drums acting like an accelerated heartbeat, and porcine, guttural vocals pummeling twisted lyrics. Courting controversy from inception to its modern day iteration, death metal presents a number of contradictions: Driven and adventurous musicians compete to make uncomfortable noises; it is crude and far beyond parody and yet consistently popular; and the music is pig-headedly uncommercial despite making a few labels, albeit

briefly, wealthy. This book explores the history and methodology of the genre, charting its aims and intentions, its crossovers to the mainstream, successes and failures, and tracks how it developed from the bedrooms of Birmingham and Florida to the near-mainstream, to the murky cult status it enjoys today.

*A Cowboy's Love* J.M. Bronston, 2016-12-20 The mesas and canyons of rural Utah are both beautiful and unforgiving—as unforgiving as the locals in Sharperville, who will never see Jamie Sundstrom as anything other than the no-good daughter of the town drunk. Now, two years after losing her own daughter in a nasty custody battle, Jamie is saving every penny from her job as a backhoe operator for a good lawyer. Her heart is as battered as her rundown car—until a soft-spoken, easy-on-the-eyes cowboy drifts into town... Cal Cameron is trying to adjust to his new normal, working on his sister's farm after recovering from the rodeo wreck that ended his championship career. At first sight, he can tell that Jamie is guarded. But as she slowly lets him into her world, he'll do anything to help her get her daughter back—even if it means finally letting go of the man he was and becoming a different kind of hero... “This sweet, modern cowboy tale is just the book you're looking for!” –RT Book Reviews, 4.5 Stars Top Pick

American Cowboy ,2001-07 Published for devotees of the cowboy and the West, American Cowboy covers all aspects of the Western lifestyle, delivering the best in entertainment, personalities, travel, rodeo action, human interest, art, poetry, fashion, food, horsemanship, history, and every other facet of Western culture. With stunning photography and you-are-there reportage, American Cowboy immerses readers in the cowboy life and the magic that is the great American West.

What If You Met a Cowboy? ,2013-08-27 Dispells myths about cowboys and provides information about famous cowboys, the types of work they did, and their place in popular culture.

**Cow Boys and Cattle Men** Jacqueline M. Moore,2010 Cowboys are an American legend, but despite ubiquity in history and popular culture, misperceptions abound. Technically, a cowboy worked with cattle, as a ranch hand, while his boss, the cattleman, owned the ranch. Jacqueline M. Moore casts aside romantic and one-dimensional images of cowboys by analyzing the class, gender, and labor histories of ranching in Texas during the second half of the nineteenth century. As working-class men, cowboys showed their masculinity through their skills at work as well as public displays in town. But what cowboys thought was manly behavior

did not always match those ideas of the business-minded cattlemen, who largely absorbed middle-class masculine ideals of restraint. Real men, by these standards, had self-mastery over their impulses and didn't fight, drink, gamble or consort with unsavory women. Moore explores how, in contrast to the mythic image, from the late 1870s on, as the Texas frontier became more settled and the open range disappeared, the real cowboys faced increasing demands from the people around them to rein in the very traits that Americans considered the most masculine. Published in Cooperation with the William P. Clements Center for Southwest Studies, Southern Methodist University.

*The Cowboy in Country Music* Don Cusic, 2011-07-29 This series of biographical profiles shines a spotlight on that special place Where the West meets the Guitar. From Gene Autry and Roy Rogers to contemporary artists like Michael Murphy, Red Steagall, Don Edwards and Riders in the Sky, many entertainers have performed music of the West, a genre separate from mainstream country music and yet an important part of the country music heritage. Once called Country and Western, it is now described as Country or Western. Though much has been written about Country, very little has been written about Western--until now. Featured are

a number of photos of the top stars in Western music, past and present. Also included is an extensive bibliography of works related to the Western music field.

### **Being a Cowboy Isn't a Job It's a Calling Sean**

Kempenski,2019-04-24 Are you looking for a gift for a friend who loves being a cowboy? This blank lined journal with a calendar is perfect for anyone who loves, adores, and appreciates western stories. Details for this journal include: 6x9 inches, 138 pages with blank lined journal and 12 ready to fill in blank calendar months (total 150 pages), perfect to keep track of any activity. It has a matte finished cover and includes white interior paper. If you are looking for a different journal or notebook, make sure to click on the author name for other great journal ideas.

**American Cowboy** ,2001-09 Published for devotees of the cowboy and the West, American Cowboy covers all aspects of the Western lifestyle, delivering the best in entertainment, personalities, travel, rodeo action, human interest, art, poetry, fashion, food, horsemanship, history, and every other facet of Western culture. With stunning photography and you-are-there reportage, American Cowboy immerses readers in the cowboy life and the magic that is the great American West.

**Zayda Was A Cowboy** June Levitt Nislick, 2005-05-15 When a Jewish grandfather comes to live with his son's family, he relates his experiences fleeing Eastern Europe for America, his adventures as a cowboy, and his assimilation into American culture. Original.

**Nothing Too Good for a Cowboy** Richmond P. Hobson, Jr., 1979-01-01 A true adventure story of a man who built a four-million acre cattle empire in the remote ranges of the British Columbia Interior.

*A Cowboy's Whispered Psalms* Kip Sawdy, 2010-03 In my mouth was a loaded .357. I planned to make my way to heaven. I had been living in sin. My hopes had all grown dim. ... But it wasn't my time, And I couldn't take something that wasn't mine. In *A Cowboy's Whispered Psalms*, author Kip Sawdy takes readers on a wild ride, sharing his deepest struggles, greatest victories, and darkest defeats. Through a combination of poetry and narrative, Sawdy tells his story—the good, the bad, and the ugly—and acknowledges his innate need for and dependence on God. But Sawdy hasn't always had such faith and hope. He's spent his fair share of time on the other side of the fence, with sin as his constant companion. Through each poem, Sawdy shows us that despite all of our imperfections, God loves us through his perfect

Son. His story is a call to repentance, a call to fight the fleshly desires that so often undermine even the strongest convictions. A Cowboy's Whispered Psalms is the perfect book for anyone in need of inspiration and encouragement. Sawdy's use of poetry, personal insights, and scripture are a testimony to God's faithfulness in times of trouble, whether that means staring down the end of a barrel, facing a mean bull, or fighting the devil within.

### **Job For A Cowboy Book Review: Unveiling the Power of Words**

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such is the essence of the book **Job For A Cowboy**, a literary masterpiece that delves deep into the significance of words and their affect our lives.
