What College Didn't Teach You About Getting Hired Jon Nelsen, 2020-11-10 Have you been looking for a job unsuccessfully and have gotten to a point where you are desperate for a job, because you don't know what it is you've been doing wrong? And are you looking for a guide that will help you spot where you've been making mistakes as well as how to fix such problems, for good, so that you finally get the job you so much prepared for while in college? If you've answered YES, keep reading... You Are About To Discover Exactly How To Secure A Job That Pays Well And One You Are Proud Of Right After Graduation! The fact that you are reading this is enough proof that you don't need a lecture about how difficult getting a job is after college. You must have felt it- the pain, humiliation, frustration and sadness. It's infuriating to imagine that all your hopes and expectations that accumulated over the years of difficult schooling had to end in the misery of joblessness. But it's a sad truth that most graduates have to live with. Have you ever sat down and wondered... - Why are employers demanding three years experience? - Do I have to accept a paycheck just a couple of dollars above the minimum wage? - Why is it so darn difficult to convince an employer to give you a chance to showcase your skills? - What do I need to do to get a job? If you have, then you are in luck because you came to the right place. The reasons for not getting employed after college are too many to mention and while in some cases, college graduates fail to land a job because of situations that are beyond their control, there's a great many of them who actually fail to get a job because of failing to do a number of things right, or failing to acknowledge a number of truths. But lucky for you, this poweful book is here to give you detailed answers to all the questions you have been asking yourself, including what it is that college graduates do wrong, what they erroneously perceive and what they need to do to overcome the main challenges they face in finding a job. More precisely, you'll discover: ◆ An overview of life and expectations after college ◆ The three main problems graduates face, and what you need to do to get around them ◆ How to set your career goals to see success ◆ How to find the right job along with tips to do so successfully ◆ How to put it all together and secure your dream career with surefire strategies ... And much more! As it turns out, finding a job after graduation is not as complicated as it always seems. By following the expert tips and tricks offered to you through this book, and understanding the important truths and the steps to success that are often ignored or misstated, you'll realize that there are ways to secure a job without unnecessary struggling or luck. Even if you feel as if the odds are not in your favor because you've unsuccessfully tried to secure a job in the past, this book will help turn things around! \star Click BUY NOW to take the first steps to a better life! \star

The Temp Factor for Job Seekers Cathy Reilly, 2011-10 If you are looking for work, consider temporary employment a valuable source of job opportunities. As a temp, you can increase job skills and work experience, expand

business networks, strengthen your resume, and avoid gaps in employment, all while being paid. Quite often, temp work can be a job audition because it puts temps in front of hiring managers and decision makers for days, weeks, or even months at a time while on job assignments. The Temp Factor for Job Seekers: The Job Seeker's Guide to Temporary Employment presents how this job search strategy may get you back to work faster. Becoming a temp guarantees what a resume cannot: face time inside the doors of potential employers. With over 20 years of experience working with staffing service firms and temps, Cathy A. Reilly teaches you about the advantages, challenges, pay, and benefits of being a temp. She explains what clients and staffing services look for in effective temps, how to find and apply to a high quality staffing service, and how to distinguish yourself from the crowd. Corporate culture, job performance issues, temp assessment tools, interview questions (and answers that have impact), real-world insights and must knows are included in this comprehensive manual.
