**Social Security Advisory Committee, Great
Britain Department for Work and Pensions**

Jobseeker's Guide to California State Employment Myrlys L. Hollis, 1990 JOBSEEKER'S GUIDE TO CALIFORNIA STATE EMPLOYMENT is the first book ever written to show step-by-step how to get a job with one of California's largest employers - State Civil Service. There are more than 175,000 State jobs throughout California, & a few hundred in out-of-state locations. JOBSEEKER'S GUIDE includes testing techniques, sample forms, resume ideas & a listing of all civil service classifications & is a complete reference for the jobseeker who wants to relocate to California or the California jobseeker who wants to seek new employment opportunities. This book is a must for ANY job seeker who wants to live & work in California. Out-of-state jobseekers will have a definite headstart by applying the principles in this book BEFORE they move to California. The author, Myrlys Hollis, became a California state civil service employee after being unceremoniously fired from her private sector job with no prior warning & without recourse. Using the techniques she describes in this easy-to-read book, Ms. Hollis has worked her way up from a secretary in civil service to a program analyst in the office of one of California's constitutionally elected office holders. Hollis, who holds a degree in journalism from Howard University in Washington, D.C., has also worked as a newspaper copy editor & reporter.

The Jobseeker's Manual Lisa M. Martino,2016-01-26 THE JOBSEEKER'S MANUAL explains, motivates, and guides you through the jobseeking process toward life-sustaining employment. It's full of helpful resources to assist with all types of unemployment issues. Written in layman's terms with real-life applications, it has a story-type conversational tone. There's a bit of humor and some hard truths sprinkled throughout that will get you through this difficult time of transition. The stories aren't so bad either. You may even laugh. In addition, you will get a FREE workbook PDF file download with your purchase. The workbook includes additional tips, forms, and worksheets to help you organize your plan of action. As an educator, I know people may have additional questions and I am happy to help, if I can. Check out my website and ask me questions or comment on the book. I also have links to Facebook, LinkedIn, and Twitter for your convenience: <http://lisamartino-author.com/index.html> THE JOBSEEKER'S MANUAL is the total package. Use the strategies as a plan of action to get you where you need to be - employed!

The Jobseeker's Allowance (Mandatory Work Activity Scheme) Regulations 2011 (S.I. 2011 No. 688) Social Security Advisory Committee,Great BritainDepartment for Work and Pensions,2011-03-14 The large majority of those claiming Jobseeker's Allowance make every effort to find work. But some customers do just enough to meet the conditions of their claim while at the same time continually failing to demonstrate the focus and discipline that is a key requirement of finding, securing and retaining employment. Mandatory Work Activity is being introduced to enable advisers to address this problem, supporting this particular group of customers at the earliest possible stage. But the Committee finds that published evidence is at best

ambivalent about the chances of such 'workfare' type activity improving outcomes for people who are out of work. It is worried about the precedent set by appearing to punish claimants who are satisfying the conditionality rules (otherwise they would be subject to a sanction) but who, in the view of a Personal Adviser appear to display what is deemed to be the 'wrong attitude'. The Committee's key recommendation is that the introduction of this scheme should not continue. Its concerns cover the general principles of the proposals; the way participants will be selected; how placements will be structured and monitored; and the sanction regime attached. The Government, however, does not accept the Committee's recommendations or suggestion that the scheme is a punishment, and sets out its reasons for its position. The proposals are to go ahead.

The Jobseeker's Allowance (Employment, Skills and Enterprise Scheme) Regulations 2011 (S.I.2011 No.917) Social Security Advisory Committee, Great Britain Department for Work and Pensions, 2011-03-31 The Employment, Skills and Enterprise Scheme covers four initiatives: (i) Skill Conditionality aimed at improving take-up of help and support for those claimants with an identified skills need that is a barrier to them gaining and keeping employment; (ii) Service Academies will give pre-employment training and work experience leading to a guaranteed interview; (iii) the New Enterprise Allowance will promote self-employment under the guidance of a business mentor; (iv) the Work Programme will provide back to work support for a wide range of claimants. The Social Security Advisory Committee broadly welcomes the schemes, but believes they would be attractive to claimants without the sanctions-based conditionality attached to them. The Government does not agree with that key recommendation. Overall, the Government accepts or partially accepts ten, and rejects five, of the Committee's recommendations.
