Three Not-So-Ordinary Joes Julie Hedgepeth Williams, 2018-06-01 One of the more eccentric figures in the antebellum South was Joseph Addison Turner, born to the plantation and trained to run one. All he really wanted to do, though, was to be a famous writer—and to be the founder of Southern literature. He tried and failed and tried and failed at publishing magazines, poems, books, articles, journals, all while halfheartedly running a plantation. When the Civil War broke out, he no longer had access to New York publishers, and in his frustration it dawned on him that he could throw a newspaper press into an outbuilding on his Georgia plantation. Furthermore, his newspaper would be modeled on *The Spectator*, the literary newspaper of the early 1700s by Joseph Addison, for whom Turner was named. *The Spectator* in its day, and 150 years later in Turner's day, was considered high literature. Turner carefully copied Addison's style and philosophy—and it worked! His newspaper, *The Countryman*—the only newspaper ever published on a plantation—was one of the most widely read in the Confederacy. Following Addison's lead, Turner suggested that slaves should be treated well, lauded the contributions of women, and featured humorous copy. And, of course, his paper celebrated Southern culture and creativity. As Turner urged in *The Countryman*, the South could never be a great nation if all it did was fight. It needed art—it needed literature! And he, J. A. Turner himself, would lead the way. The Civil War, however, didn't go as Turner had hoped. Sherman's army marched through and took Turner's world with it. His newspaper collapsed. He died a few years after the war ended, thinking he had

failed to start Southern literature. However, he was wrong. The Countryman's teenage printer's devil was Joel Chandler Harris, who grew up to write the first wildly popular Southern literature, the Uncle Remus tales. Turner had taken in the illegitimate, ill-educated Harris and had turned him into a writer. And while Harris worked for the plantation newspaper, he joined Turner's children at dusk in the slave cabins, listening to the fantastical animal stories the Negroes told. Young Harris recognized the tales' subversive theme of the downtrodden outwitting the powerful. Years later as a newspaperman, he was asked to write a column in the Negro dialect, and he reached back to his days at The Countryman for the slaves' narratives. The stories enthralled readers in the South—but also in the North, particularly Theodore Roosevelt. The Uncle Remus stories were hailed as the reconciler between North and South, and they directly influenced Mark Twain, Rudyard Kipling, and Beatrix Potter. Most importantly, Uncle Remus knocked New England off its perch as the focus of American belles-lettres and made Southern literature the primary national focus. So, ultimately, Joseph Addison Turner really did found Southern literature—with the help of two other not-so-ordinary Joes, Joseph Addison and Joel Chandler Harris. Julie Hedgepeth Williams tells their story.

No Ordinary Joes Larry Colton, 2011-10-04 On April 23, 1943, the seventy-man crew of the USS Grenadier scrambled to save their submarine—and themselves—after a Japanese aerial torpedo sent it crashing to the ocean floor. Miraculously, the men were able to bring the sub back to the surface, only to be captured by the Japanese. *No Ordinary Joes* tells the harrowing story of four of the Grenadier’s crew: Bob Palmer of Medford, Oregon; Chuck Vervalin of Dundee, New York; Tim McCoy of Dallas, Texas; and Gordy Cox of Yakima, Washington. All were enlistees from families that struggled through the Great Depression. The lure of service and duty to country were not their primary motivations—they were more compelled by the promise of a job that provided “three hots and a cot” and a steady paycheck. On the day they were captured, all four were still teenagers. Together, the men faced unimaginable brutality at the hands of their captors in a prisoner of war camp. With no training in how to respond in the face of relentless interrogations and with less than a cup of rice per day for sustenance, each man created his own strategy for survival. When the liberation finally came, all four anticipated a triumphant homecoming to waiting families, loved ones, and wives, but instead were forced to find a new kind of strength as they struggled to resume their lives in a world that had given them up for dead, and with the aftershocks of an experience that haunted and colored the rest of their days. Author Larry Colton brings the lives of these four “ordinary” heroes into brilliant focus. Theirs is a story of tragedy and courage, romance and war, loss and endurance, failure and redemption. With a scope both panoramic and disarmingly intimate, *No Ordinary Joes* is a powerful look at the atrocities of war, the reality of its aftermath, and the restorative power of love.
