

# John Hancock I Illustrate

Abner Dumont Jones

*A Picture Book of John Hancock* David A. Adler, Michael S.

Adler, 2020-01-07

Protestor, patriot, and signer of the declaration of Independence, John Hancock. His life revealed for picture book readers. When the British started imposing unfair taxes on the colonists, John Hancock decided to stand up to the injustice and dedicate himself to the public good. He would later serve as a delegate to the First Continental Congress, president of the Second Continental Congress, and signer of the declaration of Independence. This Founding Father is made accessible to young children through clear and concise text paired with watercolor art. Using a warm, subdued palette, Himler's paintings bring Hancock and his times to life, says Booklist. Back matter includes a note, a timeline, source notes, a selected bibliography, and recommended websites. For almost thirty years, David Adler's Picture Book Biography series has profiled famous people who changed the world. Colorful, kid-friendly illustrations combine with Adler's expert mixtures of facts and personality (Booklist) to introduce young readers to history through compelling biographies of presidents, heroes, inventors, explorers, and adventurers. These books are ideal for first and second graders interested in history or who need

reliable sources for school book reports.

**Will you sign here, John Hancock?** Jean Fritz,1987 A brief, illustrated biography of John Hancock tracing his progress from wealthy landowner to first signer of the Declaration of Independence.

**The John Hancock Club** Louise Borden,2007-06-26 Sean McFerrin and his third grade class in Room 121 can't wait to learn how to write in cursive handwriting. Their teacher, Mrs. Tovani, promises that whoever learns to use a legible and elegant cursive will be inducted into the John Hancock Club. Joining a club sounds exciting, but who is John Hancock? As Sean and his classmates practice cursive writing, they also learn about John Hancock, a patriot in the American Revolution who had a very special signature and who was cheered in an extraspecial way: Huzzah! Huzzah! Will Sean's cursive ever be good enough for him to join a club named after such an important man? The surprises in store for Sean and his friends make for the best third grade year ever! Huzzah!

**John Hancock** Ann Gaines,2013 Recounts the life of the colonial statesman, merchant, and patriot who became prominent during the American Revolution.

**John Hancock** Kathryn Clevon Sisson,2004 States.

*John Hancock* Harlow Giles Unger,2000-09-01 PRAISE FOR HARLOW GILES UNGER'S NOAH WEBSTER: THE LIFE AND TIMES OF AN AMERICAN PATRIOT Noah Webster was a truly remarkable man; shrewd, passionate, learned and energetic, God-fearing and patriotic. Mr. Unger has done a fine job reintroducing him to a new generation of Americans.-Washington Times Superb biography. . . . Don't miss this stirring book. -Florence King, The American Spectator

**John Hancock** Candice F. Ransom,2004-09-01 Traces the life of John Hancock, including his childhood, election as the first governor of Massachusettes, and signer of the Declaration of Independence.

**John Hancock** Ann Graham Gaines,2000-07-17 A biography of the president of the Second Continental Congress and signer of the Declaration of Independence.

**John Hancock** Kathryn Clevon Sisson,2010-07 The life of John Hancock, contemporary of Samuel Adams and Paul Revere and first to sign the Declaration of Independence is featured in this volume of the Young Patriots series. Detailing Hancock's early years, it focuses on his relationship with boyhood friend John

Adams and his academic struggles with what he would later become most famous for - his writings. Hancock's famous achievements later in life are also chronicled, from attending the Boston Tea Party to becoming president of the Continental Congress. The entirety of his life is colorfully illustrated with renderings that convey the drama of the birth of the United States.

Most Wanted Sarah Jane Marsh, 2020-03-24 John Hancock and Samuel Adams were an unlikely pair of troublemakers. Hancock was young and dashing. Adams was old and stodgy. But working together, they rallied the people of Boston against the unfair policies of Great Britain and inspired American resistance. And to King George, they became a royal pain. When the British army began marching toward Lexington and Concord, sending Hancock and Adams fleeing into the woods, the two men couldn't help but worry--this time, had they gone too far? Rich with historical detail and primary sources, this spirited tale takes readers through ten years of taxes and tea-tossing, tyranny and town hall meetings. The team behind *Thomas Paine and the Dangerous Word* reunites for a lively look at the origins of the American Revolution told through the powerful partnership of two legendary founders.

The New Pictorial and Illustrated Family Magazine ,1849

John Hancock - A Character Sketch John Roy Musick,2010-03

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**John Hancock** John Roy Musick,Graeme Mercer Adam,L.  
Brent Vaughan,1903

**The John Hancock Center** ,2000 Architectural photographer Ezra Stoller provides a unique record of the building both during its construction and after its completion. His photographs of workmen casually moving about the nascent structure recall Lewis Hine's classic portraits of the Empire State Building and provide a stark contrast to his images of the finished project, with its luxurious apartments and commercial spaces. An introduction by Yasmin Sabina Khan, the daughter of the building's celebrated engineer, provides a behind-the-scenes account of the design, construction, and reception of this landmark of modern architecture and engineering.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
