The Lennon Tapes John Lennon, Yōko Ono, Andy Peebles, 1981

Nowhere Man Robert Rosen, 2022-12-30 By all appearances, John Lennon was working on a tell-all memoir in the final years of his life. Every day he poured into diaries his raw thoughts and feelings—about his jealous rivalry with Paul McCartney; his tumultuous marriage to Yoko Ono; his love for his sons, Julian and Sean; his hatred of the music business; his escape into programmed dreams; his acerbic opinions of England and America. Written by one of the few people to have read those diaries, and based on decades of research, *Nowhere Man* takes you on a journey through Lennon's consciousness. Covering a range of topics close to John's heart, from Abbey Road to the zodiac, the book offers vivid insights into his extraordinary life. It examines his passion for money, his forceful rejection of a Beatles reunion, his drug use, his forays into the occult, his brief acceptance of Jesus, and his solitary struggle in the Dakota to create a meaningful life in the glaring spotlight of fame. A portrait of an artist in turmoil striving to reconnect with his muse—which culminates with the release of *Double Fantasy*, his final album—*Nowhere Man* is an unforgettable look at Lennon's last years and the tragic fate of a beloved cultural icon whose transcendent music changed the world.

Art & Music of John Lennon Robertson John,

John Lennon: pocket GIANTS Robert

Webb,2016-07-07 John Lennon is a giant of popular music and culture. As one-quarter of the Beatles, he was in the vanguard of music, art, fashion and popular culture during the sixties. His music, humour and outspoken calls for peace inspired a generation. He stands as an iconic figure for those who lived through the sixties and seventies, as well as for those who grew up long after his untimely death in 1980. Above all, Lennon was one of the twentieth century's greatest and most important songwriters. Songs he wrote with Paul McCartney, such as 'She Loves You' and 'A Day in the Life', define an era. Others he wrote alone, such as 'God', 'Help!' and 'Revolution', betray an often complex, contradictory and troubled character. Lennon was never one to hide his love away, nor his anger, nor his convictions. In 2000 his anthem 'Imagine' was voted the song of the millennium.
