Johnny Boo Book 3: Happy Apples James Kochalka,2009 A landmark book for the kindergarten crowd. -- School Library Journal Kochalka's command of the comic form is sublime and adorable. Kids will love Johnny Boo.-- Harry Bliss, illustrator of *Diary of a Worm* The full-color, all-ages hit series returns! In this adventure, Johnny Boo has been eating a little too much ice cream, and now his muscles have gotten all floppy and droopy. Why, they're positively floppy! Meanwhile, our friend the Ice Cream Monster has changed his gluttonous ways and now has big strong muscles, thanks to his new favorite food: apples! Terribly embarrassed by his own puny muscles, Johnny Boo sets out on a quest to find some happy apples that can give him strong happy muscles. But it won't be easy... especially if the Ice Cream Monster mistakes him for a delicious dollop of ice cream! And is that a television inside the monster's belly!? *Johnny Apple Seed In the 20th Century* Dr. M. John

Apple,2022-07-19 John Chapman, author of the original Johnny Apple Seed book, was not a superhero like George Washington or Abraham Lincoln, but he became a simply delightful character by planting apple trees across much of the unpopulated early Americas. Why did Dr. Apple want to become the Johnny Apple Seed of the twentieth century? He wanted to show how different life was in the early twentieth century, how young children could get into so much mischief, causing trouble and at times getting hurt. And then cause more mischief the next time they are out playing and growing up in the oil fields. John knew that young children loved the original story, so he thought life in the Coalinga, California Oil Fields would be of interest and become loved as much as the original story. How long will career number three last for Dr. Apple? He is in his early nineties and going strong. John shows no signs of slowing down anytime soon. Hopefully, he will live into his hundreds so he can write another book about a hundred years with Johnny Apple Seed. He currently resides in the Central Valley of California with his son. Johnny Apple Seed in the Twentieth Century is a positive story to give the future generations a reason to be successful.

*Johnny and Cuyler Snakes and Spiders* Johnny Williams,2019-07-13 A book inspired by true friendship. Written by me, Johnny Williams. I am autistic but have never let it stop me!

*The Troubles of Johnny Cannon* Isaiah Campbell,2014-10-14 In 1961 Alabama, twelve-year-old Johnny tries to keep his promise to look after his disabled Pa when his older brother leaves for military service, but secrets from the past, Cuban politics, and racial tensions would make the task challenging even for his hero, Superman.

**The Struggles of Johnny Cannon** Isaiah Campbell,2015-10-13 In Alabama in the summer of 1961, twelve-year-old Johnny Cannon gets mixed up in a Mafia blood feud as he searches for his happy ending with Martha Macker.

Johnny Appleseed Gini Holland,1997 Relates the life and accomplishments of John Chapman.

Johnny and the Spider ,2017-12-20 Johnny and the Spider is a children's book with several colorful illustrations. The tale is written for all ages and can be read to very young children by an adult who can explain the didactic nature of this narrative. The story takes place in the backyard of a house that abuts a national forest. An imaginative young boy named Johnny is in his yard playing a game invented in his mind. The boy is on a quest; armed with a popgun, he is stalking the shadow of a bear. During his game, Johnny encounters a talking spider that tells Johnny his mind cannot be trusted regarding what is not real and real.
