## **John Paul II ,**

Saint John Paul the Great Jason Evert,2014-03-06 Although there are countless ways to study Saint John Paul the Great, the most direct route is by entering the man's heart. Discover the five greatest loves of Saint John Paul II, through remarkable unpublished stories about him from bishops, priests, his students, Swiss Guards, and others. Mining through a mountain of papal resources, Jason Evert has uncovered the gems and now presents the Church a treasure chest brimming with the jewels of the saint's life.

**John Paul's Book: Moral and Instructive** John Paul,2023-10-17 Reprint of the original, first published in 1874.

*In God's Hands* John Paul,2017-03-28 Available for the first time in English, the private reflections of the modern pope recently elevated to sainthood—deeply personal writings that reveal a spiritual leader who agonized over his service to God, continually questioning whether he was doing enough. As the head of the Roman Catholic Church for twenty-five years, from the final decades of the twentieth century to the first years of the new millennium, Pope John Paul II significantly impacted our world. As famous as a rock star, this powerful leader who conferred with numerous heads of state was the ultimate model of wisdom and religious commitment for numerous Catholics around the globe. Throughout much of his adult life, from 1962 until two years before his death in 2003, John Paul II kept a series of private diaries in which he disclosed his innermost thoughts, impressions, and concerns. Written in his native Polish and never before available in English until now, these journals provide intimate and deeply moving insight into a man, a priest, and a saint's spirituality and a life devoted completely to God. *In God's Hands* lays bare the soul of

this powerful, influential statesman, revealing a devout man untouched by his celebrity status; a selfless servant of God who spent decades questioning whether he was worthy of the role he was called to carry out. Over forty years, from his bishopric in Krakow to his election to the papacy to his final years, one question guided him: Am I serving God? Entrusted to his personal secretary—who defied John Paul II’s instructions to burn them after his death—these notebooks provide us with a privileged glimpse into the life of a humble man who never took for granted his mission or his exalted role in the church and in the world.

John Paul II Ray Flynn, Robin Moore, Jim Vrabel, 2015-07-14 Unlike any other pope, John Paul II has reached out, creating dialogue or creating uproar, but always striving to unite the human community. Drawing on years of personal interaction with the Pope, and on his unique understanding of the intersection of religion and politics, Flynn, with co-authors Robin Moore and Jim Vrabel, shows how John Paul II changed the papacy, perhaps forever.
