There's a Beach in My Bedroom Kevin Jonas,Danielle Jonas,2023-07-11 From international rock star Kevin Jonas and Danielle Jonas comes an imagination-focused picture book about how to overcome the rainy-day doldrums and find the fun in every situation. Bella loves the beach. She loves the flip and flop slap of her feet on the sand. She loves the crash, crash, crash of the ocean waves. And she loves the gentle shush, shush of the beach umbrella in the breeze. But a rainstorm hits and Bella’s perfect family beach day is ruined. This day is a rainy, awful mess! But maybe a little imagination, and a loving family, can show Bella that a beach day at home can be its own special kind of fun.

There's a Rock Concert in My Bedroom Kevin Jonas,Danielle Jonas,2022-03-29 A rip-roarin’, rock ’n’ roll picture book by international music star Kevin Jonas and his wife, Danielle Jonas, about the joy of music, the power of family, and facing your fears. Emma loves music. She loves the boom boom boom of a good bass beat. She loves the stomp stomp stomp her feet make when she dances. She loves to rock out with her mom, her dad, and her little sister. And she loves to twang, strum, and thrum on her guitar. So when the sign-up sheet for the school talent show is posted, she adds her name right away! But the more Emma hears about the amazing talents her classmates will bring, the more nervous she gets. What if her guitar playing is more of a plink, plonk, squeak? She’s suffering from a bad case of stage fright, and it’s up to her family to show her that performing can be fun too, and that she’s already a star.

I'm Not the Boss, I Just Work Here Howard Jonas,2004 When the Internet bubble burst and the smoke had cleared, few of the dot com titans were left standing. However, Howard Jonas and his telecommunications company, IDT, were among the few survivors. Jonas and Kovner's Health Care Delivery in the United States ,2014-05-14 How do we understand and also assess the health care of America? Where is health care provided? What are the characteristics of those institutions which provide it? Over the short term, how are changes in health care provisions affecting the health of the population, the cost of care, and access to care?. Health Care Delivery in the United States, now in a thoroughly updated and revised 9th edition, discusses these and other core issues in the field. Under the editorship of Dr. Kovner and with the addition of Dr. James Knickman, Senior VP of Evaluation, Robert Wood Johnson Foundation, leading thinkers and practitioners in the field examine how medical knowledge creates new healthcare services. Emerging and recurrent issues from wide perspectives of health policy and public health are also discussed. With an easy to understand format and a focus on the major core challenges of the delivery of health care, this is the textbook of choice for course work in health care, the reference for administrators and policy makers, and the standard for in-service training programs.;chapter
