**The Way of the Father** Michael W. Smith, 2021-05-18 GRAMMY Award winner Michael W. Smith's *The Way of the Father* offers a deeply personal reflection on his father Paul Smith's legacy and its profound effect on every area of his life. Through the life and lens of his earthly dad, the multi-platinum selling Christian artist gives glimpses of a Father in Heaven that anyone can approach and experience. Michael W. Smith, multi-platinum artist, celebrated songwriter, producer, best-selling author, and acclaimed actor, himself a father of five adult children and grandfather of sixteen, calls upon his humble experiences of growing up in a small West Virginia town to share his father's story. Each chapter identifies a quality and characteristic of his dad that came out of an obedient and sacrificial life, committed to serving his Abba Father, including: Finding truth in tragedy Loving unconditionally Persevering through pain Bringing righteousness to the world Influencing and inspiring generations Discovering identity and approval in Christ Paul Smith was a familiar face in the crowd at Michael W. Smith's concerts over the years. A kind and joyful man who would sing, dance, and worship to the singer's countless number one hits, with his countenance beaming brighter than the spotlights on the stage, Paul would often introduce himself to those nearby and talk about how proud he was of his son. From the artist's early days as a struggling musician in Nashville to his death in 2015 (the year his son's album sales surpassed 15 million), Paul was always Michael's biggest fan. Michael shares how his dad inspired and encouraged him using biblical principles and virtues. Now, Michael passes on these same truths through stories, testimonies, origins of songs, and personal insights from his family life and thirty-five plus years of touring as a Christian artist. He hopes that by sharing his father's legacy, readers will come to find that no matter who our earthly parents have been in our lives, our Abba Father will never fail us. *The Way of the Father* will likewise challenge readers in their faith journeys so they will one day hear, "Well done, good and faithful servant. You have fought the good fight, run the race, and have been found faithful"—just like Paul Smith heard on the day he was called home to be with his Father.

*Agonistics* Janet Lungstrum, Elizabeth Sauer, 1997-09-11 Focuses on a very significant psycho-cultural concept (that of agonistics or contestatory creativity) with ramifications in several areas of the postmodern debate: cultural philosophy, psychologies of race, gender and the body, and narratology.

**One Heart at a Time** Delilah, 2018-10-16 "You're listening to Delilah." Delilah, the most listened-to woman on American radio, has distinguished herself as the "Queen of Sappy Love Songs" and America's ultimate romance guru. But Delilah's life off-air is all the more extraordinary—a life full of trials, forgiveness, faith, and adventure. In *One Heart at a Time*, Delilah's heartfelt account of her own story reveals what shaped the voice that 9 million listeners know and love. Today, Delilah is the founder of an NGO called Point Hope, the owner of a 55-acre working farm, and an inductee of

the National Radio Hall of Fame. But to achieve this, she often had to pave her own way. Disowned by her father, divorced, and fired from a dozen jobs over the years, Delilah pushed forward through family addiction and devastating loss, through glass ceilings and red tape. Her consistent goal to help those in need took her everywhere from the streets of Philadelphia to refugee camps in Ghana. Along the way, Delilah was blessed by thirteen children—ten of them adopted. Though many of them contend with special needs and the forever effects of a broken foster care system, her children have been able to transform their own remarkable lessons into guiding lights for other kids in need. Just as Delilah has done. One Heart at a Time exposes the real woman behind the microphone. In her easy-going style and characteristic, beloved voice, Delilah tells her deeply moving life story as the series of miracles it is.
