**Reframing Cult Westerns** Lee Broughton, 2020-03-19 Once one of the most popular film genres and a key player in the birth of early narrative cinema, the Western has experienced a rebirth in the era of post-classical filmmaking with a small but noteworthy selection of Westerns being produced long after the genre's 1950s heyday. Thanks to regular repertory cinema and television screenings, home video releases and critical reappraisals by cultural gatekeepers such as Quentin Tarantino, an ever-increasing number of these Westerns have become cult films. Be they star-laden, stylish, violent, bizarre or simply little heard-of obscurities, *Reframing Cult Westerns* offers a multitude of new critical insights into a truly eclectic selection of cult Western films. These twelve essays present a wide-ranging methodological scope, from industrial histories to ecocritical approaches, auteurist analysis to queer and other ideological angles. With a thorough analysis of the genre from international perspectives, *Reframing Cult Westerns* offers fresh insight on the Western as a

global phenomenon.

The British West Indies Regiment Dominiek Dendooven, 2023-12-30 This is a military-political history with a vital and all-pervading cultural and social theme which shapes the narrative - race, color and prejudice. But despite this, there is an extraordinary underlying theme of empire loyalty among serving soldiers - NCOs and private soldiers - and a growing grasp of political ideas and liberal democracy. And the loyalty to the British crown as an agent of the ending of slavery will be amazing to some readers. War experience was a powerful catalyst and contributed to a 'West Indianess' and desire for political advance. But even here the desire was for independence within the empire - a 'West Indian Dominion' as with 'elder sisters' of empire, the Dominions of Australia, Canada, New Zealand and South Africa. The political and economic status of the islands was a potent reason for the 'colored contingents' enlisting - work was scarce - but a major impetus was the cultural concept of 'manliness' and empire-status - shared by George V, who insisted, against government pressure, on allowing West Indians to serve with white British soldiers. But all were volunteers and not enlisted men. The West Indies Regiment was small and its contribution in action limited, and restricted largely to Egypt and Mesopotamia, and with limited service on the Western Front. But it shows vividly the ingrained racialism and color prejudice of British society and the British Army and above all, in the insensitive omission of the West Indies Regiment at the Victory Parade in 1919.

Alfie Alfie Boe, 2012-08-30 From car mechanic to internationally loved opera, musical and recording star: the story of Alfie Boe... Alfie Boe is the first official bad boy of opera: a musical superstar celebrated not only in Britain, but worldwide. This is the story of his life - the ups

and the downs, from finding fame to losing his father - and, essentially, of his love affair with music. Raised in Lancashire, the youngest of nine children and with a father who played opera at home, Alfie's story is not typical of most musical stars. His dreams of singing were only ever going to be dreams until fate intervened in the form of a stranger: he was training as a car mechanic when a customer overheard him singing and told him about a London audition. Alfie tried out, got the part and has never since looked back. This is the tale of how Alfie went from car mechanic to the UK's most popular and well-known opera star, lauded by Baz Luhrman, Cameron Mackintosh and Michael Parkinson as the best tenor we've produced in a generation. Now, for the first time, he has granted his millions of fans an intimate glimpse into the life of the man they adore.

Star Trek and the British Age of Sail Stefan Rabitsch, 2018-12-06 Clear all moorings, one-half impulse power and set course for a mare incognitum... A popular culture artifact of the New Frontier/Space Race era, Star Trek is often mistakenly viewed as a Space Western. However, the Western format is not what governs the worldbuilding of Star Trek, which was, after all, also pitched as "Hornblower in space." Star Trek is modeled on the world of the "British Golden Age of Sail" as it is commonly found in the genre of sea fiction. This book re-historicizes and remaps the origins of the franchise and subsequently the entirety of its fictional world—the Star Trek continuum—on an as yet uncharted transatlantic bearing.

*Up in Arms* Raenette Taljaard, 2012 Here is the personal story of a young female parliamentarian who entered public life with expectations awakened by Nelson Mandela's presidency, only to become disenchanted with party politics and with the moral meltdown she experienced within Parliament during those years. Documenting South Africa's arms deal--a controversial series of financial and political scandals--this stirring work serves as a reminder that it was not only reputations that were damaged by the saga, but also core institutions of the country's new democracy. Chief among them was Parliament, which, when faced by the challenge to hold those responsible accountable, failed dismally to engage the core ethical and moral concerns--among them, corruption--that continue to plague the country. An insider's look into political drama and intrigue, this memoir details the momentous series of events in the life of South Africa's second democratic Parliament.

*Comparative Analysis of the Three Seven-headed Ten-horned Symbols. Revelation, Chapters Xii. Xiii. Xvii. ...* Richard Hastings Graves, 1869

**Comparative Analysis of the three seven-headed ten-horned Symbols, Revelation chapters [sic] xii, xiii., xvii., containing an explanation of the so-called enigma, chap. xvii., 9-11; strictures on Faber's Napoleonic Theory, and Elliott's Theory of an eight-headed beast, etc** Richard Hastings GRAVES, 1869

*Bataan Survivor* David L. Hardee, 2017-12-01 A forgotten account, written in the immediate aftermath of World War II, which vividly portrays

the valor, sacrifice, suffering, and liberation of the defenders of Bataan and Corregidor through the eyes of one survivor. The personal memoir of Colonel David L. Hardee, first drafted at sea from April-May 1945 following his liberation from Japanese captivity, is a thorough treatment of his time in the Philippines. A career infantry officer, Hardee fought during the Battle of Bataan as executive officer of the Provisional Air Corps Regiment. Captured in April 1942 after the American surrender on Bataan, Hardee survived the Bataan Death March and proceeded to endure a series of squalid prison camps. A debilitating hernia left Hardee too ill to travel to Japan in 1944, making him one of the few lieutenant colonels to remain in the Philippines and subsequently survive the war. As a primary account written almost immediately after his liberation, Hardee's memoir is fresh, vivid, and devoid of decades of faded memories or contemporary influences associated with memoirs written years after an experience. This once-forgotten memoir has been carefully edited, illustrated and annotated to unlock the true depths of Hardee's experience as a soldier, prisoner, and liberated survivor of the Pacific War.

**The End of Victory Culture** Tom Engelhardt, 2007 Sets out to trace the vicissitudes of America's self-image since World War II as they showed up in popular culture: war toys, war comics, war

reporting, and war films. It succeeds brilliantly ... Engelhardt's prose is smart and smooth, and his book is social and cultural history of a high order. Boston Globe, from the bookjacket.

**Threatening Europe** James Ellison,2000-08-22 This book is the first to concentrate on the British attempt to place the EEC within a larger Free Trade Area. It is also the first to use recently released records to examine the Foreign Office's Grand Design for political co-operation in Europe. Its main focus is Anglo-European diplomacy, yet it deals with wider international relations and the Cold War.
