Julien Doré Frédéric Quinonero,2022-02-03 Une biographie à paraître au moment où le chanteur entamera sa nouvelle tournée, qui fait suite au succès de son cinquième album. Découvert en 2007 dans l'émission À la recherche de la Nouvelle Star , Julien Doré a imposé sa personnalité atypique. Formé aux Beaux-Arts de Nîmes, il a construit une œuvre personnelle, entre chic et populaire, kitsch et bon goût, avec un sens aigu de l'esthétique. Julien Doré crée, compose, écrit, réalise ses pochettes de disques et ses clips, conçoit la scénographie de ses spectacles, contrôle tout de son art. Et s'il délègue, c'est uniquement à des amis et des personnes de confiance. En quinze ans, il a signé cinq albums studio, quatre albums live, et nombre de succès, dont Les Limites , Paris-Seychelles , Le Lac , Coco Câline , La Fièvre ou Nous , Victoire du meilleur clip de l'année 2020. Après dix ans de vacarme parisien, ce natif d'Alès est revenu s'installer sur ses terres cévenoles. Acteur et témoin d'une époque tourmentée, il dit y avoir rééquilibré sa vie d'homme pour nourrir ses chansons. Cette première biographie du dandy de la pop française offre une plongée dans l'univers baroque and roll de ce chanteur solaire et volontiers ambigu, se défiant des genres : à la fois grave et loufoque, tendre et ironique, insaisissable et généreux. Incroyablement attachant.

On the Line Joseph Ponthus,2021-03-30 Factory you shall never have my soul I am here And I count for so much more than you And I count so much more because of you Thanks to you Unable to find work in his field, Joseph Ponthus enlists with a temp agency and starts to pick up casual shifts in the fish processing plants and abattoirs of Brittany. Day after day he records with infinite precision the nature of work on the production line: the noise, the weariness, the dreams stolen by the repetitive nature of exhausting rituals and physical suffering. But he finds solace in a life previously

lived. Shelling prawns, he dreams of Alexandre Dumas. Pushing cattle carcasses, he recalls Apollinaire. And, in the grace of the blank spaces created by his insistent return to a new line of text – mirroring his continued return to the production line – we discover the woman he loves, the happiness of a Sunday, Pok Pok the dog, the smell of the sea. In this French bestseller, translated by Stephanie Smee, Ponthus captures the mundane, the beautiful and the strange, writing with an elegance and humour that sit in poignant contrast to the blood and sweat of the factory floor. *On the Line (À la ligne)* is a poet's ode to manual labour, and to the human spirit that makes it bearable. Winner of: Grand Prix RTL-Lire, Prix Régine Deforges, Prix Jean Amila-Meckert, Prix du premier roman des lecteurs des bibliothèques de la Ville de Paris, Prix Eugène Dabit du roman populiste 'From the uniformity and repetition of the production line Joseph Ponthus finds humour, grace and humanity. A unique and deeply affecting novel.' —Ryan O'Neill

Independent Thinking on MFL Crista Hazell, 2020-03-09 Crista Hazell's *Independent Thinking on MFL: How to make modern foreign language teaching exciting, inclusive and relevant* takes teachers on a tour of how to get the teaching of a new language right. Foreword by Ian Gilbert. Learning a new language has the power to transform a life, as well as help break down the barriers that seem to be re-emerging between nations, cultures and people. In the UK, MFL teaching has always had to battle with the 'everyone speaks English' argument, not to mention that, for so many, all that remains of their years learning a foreign language is *bitte*, *por favor* or *s'il vous plait*. But with teachers like *Independent Thinking* Associate Crista Hazell at the front of the class, things can be very different. Drawing on her many years of experience as an MFL teacher and head of department, Crista shares

tips, techniques and inspirational ideas geared to help teachers build confidence, increase enjoyment and improve outcomes as they take their MFL teaching to a whole new level. Crista provides a range of strategies from how to hook students in the minute they enter the classroom to ensuring that the vocabulary sticks designed to help learners develop confidence, take risks and enjoy the challenge that learning a new language brings. She also offers ideas and advice on how to make learning new vocabulary and grammar a great deal more effective and empowers teachers to open up the benefits and enjoyment of learning a language to all students, not just those in the top sets. Ultimately, however, her book sets out to help teachers create engaging, relevant and memorable learning experiences in the MFL classroom and encourage their learners to become lifelong and passionate linguists. For MFL teachers and heads of languages departments in primary schools, secondary schools and colleges. Independent Thinking on MFL has been shortlisted for the Educational Book Award in the 2021 Education Resources Awards!

Modern France Michael F. Leruth,2022-10-18 This volume offers perspective on modern French society and culture through thematic chapters on topics ranging from geography to popular culture. Ideal for students and general readers, this book includes insightful, current information about France's past, present, and future. France is the country most visited by international tourists. Aside from clichéd images of baguettes and the Eiffel Tower, however, what is French society and culture really like? Modern France is organized into thematic chapters covering the full range of French history and contemporary daily life. Chapter topics include: geography; history; government and

politics; economy; religion and thought; social classes and ethnicity; gender, marriage, and sexuality; education; language; etiquette; literature and drama; art and architecture; music and dance; food; leisure and sports; and media and popular culture. Each chapter contains an overview of the topic and alphabetized entries on examples of each theme. A detailed historical timeline covers prehistoric times to the presidency of Emmanuel Macron. Special appendices offer profiles of a typical day in the life of representative members of French society, a glossary, key facts and figures about France, and a holiday chart. The volume will be useful for readers looking for specific topical information and for those who want to develop an informed perspective on aspects of modern France.

The Golden Gals' French Adventure Judy Leigh, 2024-06-04 Sixty-nine-year-old Fliss has lived a life! A career running her own successful business, a beautiful home, a wardrobe full of designer clothes – Fliss has everything she ever wanted. So why does she feel so lonely? Sixty-six-year-old Shirl didn't expect to be looking after a baby again, let alone a grown woman who should know better. But with her daughter Gemma struggling to adapt to motherhood, and her boss Fliss increasingly reliant on Shirl to run her life, Shirl never gets a moment to herself. Fliss might not be great at life's chores, but she is great at seizing opportunities, so when the chance for a jaunt to France's beautiful Brittany comes her way, she decides it's just what she and Shirl need. And as the sun-soaked town of Plouvanec-Sur-Mer begins to work its magic on the women, they realise there's another way to live. From cake-laden patisseries, to joyous local fetes, from food, views and beaches to die for, to a community quick to embrace them, not to mention some rather fine French men for company, perhaps it's not too late for Fliss and Shirl to embrace a new adventure and look forwards to a totally different future. Let Judy Leigh whisk you off to the beaches and beauty of Brittany. Warmhearted, funny and uplifting. This is the perfect feel-good story for all fans of Maddie Please, Dawn French and

Caroline James. Readers love Judy Leigh: 'Why did it have to end lol. I tried to slow down the pace but this author draws you in straight from the beginning and you feel straight away that you know the characters where they live everything! Such talent is envied!' 'This is another one of Judy's terrific reads that is more than thoroughly enjoyable. It's more than a story- it's perhaps a message to all of us about "Carpe Diem" and taking hold of life with both hands whilst we can. The characters are wonderful and leap from the page like old friends.' 'Over the last couple of years, Judy Leigh (also writing as Elena Collins) has become one of my favourite authors. I love how she has older characters living their best lives and I try to read all her books... Judy's characters are so well drawn that you warm to them straight away and are interested in their stories. Her style of writing is beautifully readable and her descriptions of people are particularly good.' 'This was a book I had trouble putting down! Thoroughly enjoyed the twist and turns. Can recommend for a good read.' 'I've loved every one of the author's contemporary second chance romances, but I really think I might have found my new favourite. The characters were simply wonderful and soon found their places in my heart, their wealth of life experience and paths to future happiness so very easy to identify with, and the whole story had a warmth and lightness of touch that I found totally adorable.' Praise for Judy Leigh: 'Brilliantly funny, emotional and uplifting' Miranda Dickinson 'Lovely . . . a book that assures that life is far from over at seventy' Cathy Hopkins bestselling author of The Kicking the Bucket List 'Brimming with warmth, humour and a love of life... a wonderful escapade' Fiona Gibson

A Nice Cup of Tea Celia Imrie, 2019-08-06 In this witty third novel in the Nice series, from beloved actress Celia Imrie, the retired expats in the South of France must rally to save their failing restaurant, and protect Theresa from an unsavory stalker. The beautiful town of Bellevue-sur-Mer, tucked between glitzy Monte Carlo and the plush red carpets of Cannes, is home to Theresa, Carol, William, Benjamin, and Sally: five retired expats who have pooled their resources to set up La Mosa ique, a divine little restaurant. But there is trouble in paradise: the friends are desperately struggling to make ends meet. It will take every bit of their talent and gumption to save La Mosa ique. With fussy customers, obnoxious cruise parties, and a failing delivery van, it's certainly not going to be easy. On top of this, Theresa and Sally have their own distractions. Theresa's teenage granddaughter has run away, and Theresa herself has been getting mysterious phone calls and the strong sense that someone's watching her. Meanwhile, Sally's run into a nasty couple from her acting days, and their barbed jibes are enough to send her on an ill-advised search for the limelight. *A Nice Cup of Tea* is a delightful cozy mystery, a wickedly fun page-turner that's sassier than a cup of tea, no matter how Nice!

How Could I Believe in Santa Claus? Gilles Vervisch, 2023-07-04 How to be yourself at a party where you don't know anyone? (Does the self exist?) Why does Grandma put a cap and a plaid

sweater on her Yorkie? (Do animals have a reason?) How could I have stayed with such a stupid guy for so long? (Do we only desire things that we consider good?) When we hear “philosophy,” we sometimes think of incomprehensible or boring books. The very names of the authors are unpronounceable: Kierkegaard, Nietzsche, Heidegger. Living or dead, they often look like zombies. They are in their own world and use words that we do not always understand, like “idiosyncrasy,” “ontological,” or “transcendental.” In this book, we hope to remove these prejudices. Philosophy is not boring; it allows us to understand complex things in a simple way, and therefore it is never far from everyday life. It speaks to everyone. It is for everyone. Born in 1974, from Rouen, Gilles Vervisch is a teacher and a professor of philosophy.

Julien Doré, love-trotter Frédéric Quinero, 2015-04-16 2015. C'est la consécration pour Julien Doré, couronné artiste masculin de l'année par ses pairs, après sept ans d'une carrière ascendante que décrypte Frédéric Quinero dans cet ouvrage agrémenté d'interviews et témoignages inédits. Je veux être utile à vivre et à rêver, chantait un autre Julien au début des années 1990. Utile. Le mot revient souvent dans la bouche de Julien Doré. Cette notion fédératrice le préoccupait déjà quand, élève aux Beaux-Arts de Nîmes, il s'interrogeait sur la portée de ses créations artistiques. C'est par la musique et la scène que le jeune chanteur a trouvé une liberté d'expression et un rapport à l'autre idyllique. Sa quête identitaire passe par là. Le garçon timide s'y affranchit de ses complexes : face au

public il s'affirme sans retenue, avec ses forces et ses faiblesses, conscient de ses limites et prêt à les dépasser. Chanter, danser, se donner en spectacle, donner vie à ses mots (ses maux), les transcender, cet acte s'apparente en somme à une mission de vie, un engagement, une raison d'être. Tel un Baudelaire des temps modernes, Julien Doré invite au voyage et entraîne son monde au gré de son humeur vagabonde, sur le thème éternel de l'amour, entre vague de folk douce et élans baroques and roll.
