

# Jumper!

Richard Barth

Jumper Steven Gould,2008-02-05 Story of Davy, a young man, who discovers he has a power that sets him apart from others, teleporting.

**The Book Jumper** Mechthild Gläser,2017-01-03 Amy Lennox doesn't know quite what to expect when she and her mother pick up and leave Germany for Scotland, heading to her mother's childhood home of Lennox House on the island of Stormsay. Amy's grandmother, Lady Mairead, insists that Amy must read while she resides at Lennox House—but not in the usual way. It turns out that Amy is a book jumper, able to leap into a story and interact with the world inside. As thrilling as Amy's new power is, it also brings danger: someone is stealing from the books she visits, and that person may be after her life. Teaming up with fellow book jumper Will, Amy vows to get to the bottom of the thefts—at whatever cost.

**Jumper: Griffin's Story** Steven Gould,2008-02-05 An original novel from Steven Gould, creator of the Jumper series, that tells the back story of Griffin O'Connor, a character created for the film of Jumper. What if you could jump? Go anywhere in the world in the blink of an eye? What would you do? Where would you go? What if you were only five years old? Griffin has a secret. It's a secret that he's sworn to his parents to keep, and never tell. Griffin is a Jumper: a person who can teleport to any place he has ever been. The first time was when he was five, and his parents crossed an ocean to protect the secret. The most important time was when he was nine. That was the day that the men came to his house and murdered his parents. Griffin knows that the men were looking for him, and he must never let them find him. Griffin grows up with only two goals: to survive, and to kill the people who want him dead. And a

Jumper bent on revenge is not going to let anything stand in his way. Jumper is a major motion picture from 20th Century Fox/New Regency Productions, starring Hayden Christensen, Samuel L. Jackson, Diane Lane, and Jamie Bell. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Jumper* Steven Gould, 2014-08-19 Steven Gould's sci-fi classic, Jumper--now a major motion picture film starring film Hayden Christensen, Samuel L. Jackson, and Rachel Bilson. Davy can teleport. He first discovers his talent during a savage beating delivered by his abusive father, when Davy jumps instantaneously to the safest place he knows, his small-town public library. As his mother did so many years before, Davy vows never to go home again. Instead, he sets off, young and inexperienced, for New York City. Davy gradually learns to use and control his powers, first for sheer survival in an environment more violent and complex than he ever imagined. But mere survival is not enough for Davy. He wants to know if his mother disappeared so completely from his life because she, too, could Jump. And as he searches for a trace of anyone else with powers like his own, he learns to use his abilities for more than escape and theft. A young man with nothing to lose, and the ability to go anywhere he wants, can help a lot of people. But he can also make a lot of trouble, and sooner or later trouble is going to come looking for him. The one way Davy can think of to locate others who can Jump is to make himself visible to them, but if he does, the police will surely find him too.

Sky Jumpers Peggy Eddleman, 2013 Twelve-year-old Hope lives in a post-World War III town called White Rock where everyone must participate in Inventions Day, though Hope's inventions always fail.

Her unique skill set comes in handy after a group of bandits after valuable antibiotics invades the town.

**The Jumper** Tim Parrish, 2013-10-15 The Jumper is an old-fashioned, modern novel both dark and funny. Its central character, Jimmy Strawhorn, grows up on a ranch in West Texas thinking he's an orphan but is summoned to Baton Rouge, where he discovers his past is stranger than he can imagine. Jimmy tries to navigate his urge to jump from high places, his fear of falling in love, and a complex family history full of deceit and racial ambiguity. At the same time, two other eccentric main characters, named Sandra and J. T., deal with dangerous pasts and presents of their own as Jimmy's arrival alters their lives. Winner of the 2012 George Garrett Prize for Fiction

**Reflex** Steven Gould, 2005-08 Davy, who teleports for government cases, is taken captive by a mysterious group of people who brainwash him for their own purposes, forcing Davy's teleportation-capable wife, Millie, to rescue him.

*Shadow Jumper* J M Forster, 2014-10-20 Shadow Jumper is winner of the Gold Award in the Wishing Shelf Book Awards 2014. A thrilling mystery adventure with contemporary themes, for children aged 10 and above. The truth is out there somewhere . . . but how far will Jack jump to find it? Jack Phillips' allergy to sunshine confines him to the shadows, leaving him lonely and at risk of life-threatening burns every time he steps into the light. Shadow jumping on the rooftops at dusk makes him feel alive. And free. But Jack's condition is suddenly worse than ever and only his missing scientist dad can save him. As Jack and his new friend, Beth, begin their frantic search and delve into his dad's past for clues, they have no idea what they are about to uncover. Shocking rumours and dark secrets bombard them at every turn.

Shadow Jumping takes courage. But when it comes to the truth, will Jack be brave enough to face it?

**Star Jumper** Frank Asch,2006-02 Acclaimed children's book creator Frank Asch kicks off the Journals of a Cardboard Genius chapter-book series with this exciting and cosmic novel about an inventive young boy and his rotten little brother.

**Jumper** Melanie Crowder,2022-06-21 In a ripped-from-the-headlines story, nineteen-year-old Blair's passion for fighting fires lands her a spot with the Forest Service and sets her on a wilderness adventure that quickly turns catastrophic. How far would you go to save yourself? Blair Scott is in her second season as a wildland firefighter when the Forest Service puts out a call for an additional class of smokejumpers. She and her best friend Jason both apply, though neither expects to get in since they're only nineteen. But it's been a devastating fire season, and they are both accepted. But going to training camp is only the first step—everyone expects the teenage rookies will wash out in the first week. Blair has always been touchy about people telling her she isn't good enough, so she begins taking unnecessary risks to prove herself. It doesn't take long before everything spins out of control, leaving Blair struggling to cope. A story of courage, self-knowledge, and ultimate triumph over the elements, Jumper is a dramatic wilderness adventure that explores what it takes to survive—in every sense of the word. \* Never less than riveting. –Kirkus, starred review \* [A] pulse-pounding thriller. –Publisher's Weekly, starred review YALSA Top 10 Quick Picks for Reluctant Readers selection 2023 YALSA Best Fiction for Young Adults selection 2024 Texas TAYSHAS Reading List selection Reading the West Book Award longlist

**The Book Jumper** Mechthild Gläser,2017-01-03 A teen girl discovers she is a book jumper--she can leap

directly into books, meet the characters, and experience the world of the book--

**Where Is Jumper?** Ellen Stoll Walsh, 2015-10-13 Take a peek at prepositions while searching for a missing mouse in this clever concept book from the author of *Balancing Act*. The mice can't find their friend Jumper! They look over branches and under leaves. They look between the weeds and down into Mole's tunnel. But still no Jumper. Where, oh where, could their sneaky pal be? In the tradition of Ellen Stoll Walsh's beloved concept books *Balancing Act*, *Mouse Paint*, and *Mouse Shapes*, this story explores prepositions through the antics of charming, fun-loving mice.

**The Wall Jumper** Peter Schneider, 1998-11 In the *Wall Jumper*, real people cross the Wall not to defect but to quarrel with their lovers, see Hollywood movies, and sometimes just because they can't help themselves—the Wall has divided their emotions as much as it has their country.

*Exo* Steven Gould, 2014-09-09 A sequel to *Impulse* returns readers to the world of *Jumper* and follows the experiences of a teen girl whose teleporting abilities subject her to the illicit agendas of corrupt and violent factions.

*Sam Patch, the Famous Jumper* Paul E. Johnson, 2004-06-16 The true history of a legendary American folk hero In the 1820s, a fellow named Sam Patch grew up in Pawtucket, Rhode Island, working there (when he wasn't drinking) as a mill hand for one of America's new textile companies. Sam made a name for himself one day by jumping seventy feet into the tumultuous waters below Pawtucket Falls. When in 1827 he repeated the stunt in Paterson, New Jersey, another mill town, an even larger audience gathered to cheer on the daredevil they would call the Jersey Jumper. Inevitably, he went to Niagara Falls, where

in 1829 he jumped not once but twice in front of thousands who had paid for a good view. The distinguished social historian Paul E. Johnson gives this deceptively simple story all its deserved richness, revealing in its characters and social settings a virtual microcosm of Jacksonian America. He also relates the real jumper to the mythic Sam Patch who turned up as a daring moral hero in the works of Hawthorne and Melville, in London plays and pantomimes, and in the spotlight with Davy Crockett—a Sam Patch who became the namesake of Andrew Jackson's favorite horse. In his shrewd and powerful analysis, Johnson casts new light on aspects of American society that we may have overlooked or underestimated. This is innovative American history at its best.

*Jumper* Richard Barth, 2000-09-14 Richard Barth departs from his popular series featuring elderly sleuth Margaret Binton to introduce Dr. Samuel Garvey, the best and most daring roller coaster designer in the country, and to take his readers on the ride of their lives. Garvey is now at work on his masterpiece, the Jumper, for the Angelus Corporation in Texas. The Jumper will do just that—the two cars will jump tracks with each other in the middle of the ride travelling over a 60 foot gap 75 feet in the air. This is the ride that will make or break Garvey as a designer and he is taking every step to insure that it is successful. While in the middle of designing Jumper, he receives a phone call from Rachael White of the National Transportation Safety Board. She explains to him that there was an accident at the Cyclone in Coney Island and that she would like his help. It soon becomes clear that the accident wasn't an accident, but sabotage. What is even more disturbing is that the assailant left a note tying the crash to other recent accidents and threatening to strike again. But where? And why? As the mystery unfolds and another tragedy is barely

averted, the danger is closer to Garvey than he ever could have imagined. Not only is someone after his reputation, but also his life. An exhilarating novel that will leave you as breathless as the passengers on the Jumper.

*The Hueys in The New Sweater* Oliver Jeffers, 2012-05-24 The New York Times Best Illustrated Picture Book, now in an oversized trim for added value and fun! The Hueys are small and mischievous, unique compared to the world's other creatures--but hardly unique to one another. You see, each Huey looks the same, thinks the same, and does the same exact things. So you can imagine the chaos when one of them has the idea of knitting a sweater! It seems like a good idea at the time--he is quite proud of it, in fact--but it does make him different from the others. So the rest of the Hueys, in turn, decide that they want to be different too! How? By knitting the exact same sweater, of course! The first in a series of child-friendly concept books by the #1 bestselling artist of *The Day the Crayons Quit*, *How to Catch a Star*, *Stuck*, and *This Moose Belongs to Me*, *The New Sweater* proves that standing apart can be accomplished even when standing together.

*The Train Jumper* Don Brown, 2014-06-24 OUT OF WORK AND OUT OF LUCK. In Don Brown's *The Train Jumper* Ed Collie Collier encounters hobos, misers, racists, and even some kindness while riding the rails during the Great Depression. Collie leaves home in search of his older brother, who has run off. Battling hunger, hostility, and wrathful weather, he meets an unlikely ally in a young drifter. They jump a freight train, joining thousands and thousands of young boys and men who try riding out the Great Depression by riding the rails.

**The Smoke Jumper** Nicholas Evans, 2002-07-30 In a searing novel of love and loyalty, guilt and honor, the acclaimed author of the #1 New York Times bestseller *The Horse Whisperer* gives his millions of readers another hero... *The Smoke Jumper* His name is Connor Ford and he falls like an angel of mercy from the sky, braving the flames to save the woman he loves but knows he cannot have. For Julia Bishop is the partner of his best friend and fellow “smoke jumper,” Ed Tully. Julia loves them both--until a fiery tragedy on Montana’s Snake Mountain forces her to choose between them, and burns a brand on all their hearts. In the wake of the fire, Connor embarks on a harrowing journey to the edge of human experience, traveling the world’s worst wars and disasters to take photographs that find him fame but never happiness. Reckless of a life he no longer wants, again and again he dares death to take him, until another fateful day on another continent, he must walk through fire once more...

**Jumper** Nunzio DeFilippis, Christina Weir, 2008-02-18 For centuries Jumpers have lived among us—special individuals with the ability to teleport or jump nearly anywhere in the world. For almost as long, the Paladins, a secret and powerful order, have protected us from these dangerous and unpredictable individuals, sacrificing everything to keep humanity safe!

Decoding **Jumper!**: Revealing the Captivating Potential of Verbal Expression
