It's a secret that he's sworn to his parents to keep, and never tell. Griffin is a Jumper: a person who can teleport to any place he has ever been. The first time was when he was five, and his parents crossed an ocean to protect the secret. The most important time was when he was nine. That was the day that the men came to his house and murdered his parents. Griffin knows that the men were looking for him, and he must never let them find him. Griffin grows up with only two goals: to survive, and to kill the people who want him dead. And a Jumper bent on revenge is not going to let anything stand in his way. Jumper Steven Gould,2014-08-19 Steven Gould's sci-fi classic, Jumper--now a major motion picture film starring film Hayden Christensen, Samuel L. Jackson, and Rachel Bilson. Davy can teleport. He first discovers his talent during a savage beating delivered by his abusive father, when Davy jumps instantaneously to the safest place he knows, his small-town public library. As his mother did so many years before, Davy vows never to go home again. Instead, he sets off, young and inexperienced, for New York City. Davy gradually learns to use and control his powers, first for sheer survival in an environment more violent and complex than he ever imagined. But mere survival is not enough for Davy. He wants to know if his mother disappeared so completely from his life because she, too, could jump. And as he searches for a trace of anyone else with powers like his own, he learns to use his abilities for more than escape and theft. A young man with nothing to lose, and the ability to go anywhere he wants, can help a lot of people. But he can also make a lot of trouble, and sooner or later trouble is going to come looking for him. The one way Davy can think of to locate others who can jump is to make himself visible to them, but if he does, the police will surely find him too.

Sam Patch, the Famous Jumper Paul E. Johnson,2004-06-16 The true history of a legendary American folk hero In the 1820s, a fellow named Sam Patch grew up in Pawtucket, Rhode Island, working there (when he wasn't drinking) as a mill hand for one of America's new textile companies. Sam made a name for himself one day by jumping seventy feet into the tumultuous waters below Pawtucket Falls. When in 1827 he repeated the stunt in Paterson, New Jersey, another mill town, an even larger audience gathered to cheer on the daredevil they would call the Jersey Jumper. Inevitably, he went to Niagara Falls, where in 1829 he jumped not once but twice in front of thousands who had paid for a good view. The distinguished social historian Paul E. Johnson gives this deceptively simple story all its deserved richness, revealing in its characters and social settings a virtual microcosm of Jacksonian America. He also relates the real jumper to the mythic Sam Patch who turned up as a daring moral hero in the works of Hawthorne and Melville, in London plays and pantomimes, and in the spotlight with Davy Crockett—a Sam Patch who became the namesake of Andrew Jackson's favorite horse. In his shrewd and powerful analysis, Johnson casts new light on aspects of American society that we may have overlooked or underestimated. This is innovative American history at its best.

Garvey is now at work on his masterpiece, the Jumper, for the Angelus Corporation in Texas. The Jumper will do just that—the two cars will jump tracks with each other in the middle of the ride travelling over a 60 foot gap 75 feet in the air. This is the ride that will make or break Garvey as a designer and he is taking every step to insure that it is successful. While in the middle of designing Jumper, he receives a phone call from Rachael White of the National Transportation Safety Board. She explains to him that there was an accident at the Cyclone in Coney Island and that she would like his help. It soon becomes clear that the accident wasn't an accident, but sabotage. What is even more disturbing is that the assailant left a note tying the crash to other recent accidents and threatening to strike again. But where? And why? As the mystery unfolds and another tragedy is barely averted, the danger is closer to Garvey than he ever could have imagined. Not only is someone after his reputation, but also his life. An exhilarating novel that will leave you as breathless as the passengers on the Jumper.
