What Did Jesus Look Like? Joan E. Taylor,2018-02-08 Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

The City in Biblical Perspective J.W. Rogerson, John Vincent, 2014-12-18 The city is an ambiguous symbol in the Bible. The founder of the first city is the murderer, Cain. The city of Jerusalem is the place chosen by God, yet is also a place of wrong-doing and injustice. Jesus seems to have largely avoided cities except Jerusalem, where he was crucified. 'The City in Biblical Perspective' examines the archaeological and social background of the urban biblical world and explores the implications of the deliberate ambiguities in the biblical text. The book aims to deepen our understanding of both the biblical and the contemporary city by asking how the Bible's complex understanding of the city can illuminate our own ever more urban time.

Jehovah's Witnesses - The Bible Report Able.B.Man., 2008-05-04 Provides convincing evidence that the end time prophecies found in the Holy Bible are indeed being fulfilled through the Jehovah's Witnesses and the Watchtower Bible and Tract Society. It proves this really is the kingdom that Jesus Christ and his Apostles spoke about in the New Testament. In the first century the city of Jerusalem was corrupted and its temple profaned. This book builds an overwhelming number of evidences proving the same thing has now happened in our modern history. After reading this book the man of lawlessness will be revealed and the disgusting thing will be seen entering the holy place. The new kingdom has been corrupted and the sanctuary of THE God profaned. God's actual name, Jehovah, has been defamed in a truly reprehensible manner. This book should help concerned family members help their own families and loved ones to now obey Jesus Christ's admonishment: flee to the mountains, and let those in the midst of her withdraw. Luke 21:21.

The Holy Bible Feminine Translation Version J. W. Farquhar, 2021-02 The Holy Bible Feminine Translation Version is about God named YHWH written 6,876 times in this book, and about the Holy Spirit Mother in heaven of the Son of God, and about the Cross. The Bible has been mistranslated for the last 500 years. Since the Great Reformation in the 16th century, the Holy Spirit has been translated to be sometimes a neutral gender as an it, or itself, and sometimes as a masculine gender. The gender problem is solved in this Bible by translating the Holy Spirit to the same feminine gender of the Spirit of God in the Old Testament. Historically there have been no pictures of Scripture in the Bible, even though a well known English language adage states, A picture is worth a thousand words. For this reason, now there is a Bible Study section with a cipher-generated 77 page picture tour for reading, deciphering and understanding Scripture. Validated with biblical numbers, JW's Cipher bears witness of divine authorship of the Bible. This Great Emergence of evidence for one divine author through both Old and New Testaments creates a unique audience for this book. First are the 14 Tribes of Israel, then atheists and agnostics, Christians and Messianic Christians, and anyone else who has ever had trouble understanding or believing the Bible. This Bible follows 14 years of Scripture research by Bible scholar and Bible numbers expert JW Farquhar, who wrote the Doctrine of the Cross. Over 250 pictures of Scripture on the cross are in this doctrine that begins with the Bible's first verse-the Foundation Cross. Through this Cross the Holy Bible Feminine Translation was born

A Moment of Truth John Bill Thurber, 2007-09 John 3:16 is Christianity's most famous passage of Scripture. Yet, has it become so familiar to us that we no longer give it a moments' pause when reading it? In this book, Thurber takes us into the depths of this passage to illuminate all of the riches that make this the signature verse of the Gospel. In this passage we see mentioned God, the world, Jesus, and eternal life. It speaks of God's love, His giving nature, and our final destinies. A complete

understanding of each section of the passage brings the entirety of God's plan for us and His creation into more splendid light, giving us the comfort and peace needed right now as we go about our lives on earth. Read now with fresh eyes the depths of this passage of Scripture and learn again why it is the cornerstone of our Christian faith. Bill provides counseling and teaching ministries dedicated to helping Christians with basic Biblical education, and to help people realize their strength in Jesus to live life now in light of eternity. He is a graduate of the University of Southern Mississippi with a Masters degree in Counseling Psychology. Bill enjoys writing, cycling, traveling, playing guitar, and photography. He is currently working on his Master of Divinity degree at Luther Rice University. He lives in Grayson, Georgia with his wife and two daughters.

Jesus, Last of the Pharaohs Ralph Ellis,1997-04-21 It is a little-known fact that the exodus of the Hyksos pharaohs from Egypt to Jerusalem is an incredibly similar event to the exodus of the Israelites from Egypt to Jerusalem. Classical historians and theologians will not entertain any connection between the two, because this infers that the Israelite leaders were actually pharaohs of Egypt. However, Ralph Ellis has taken this obvious comparison and demonstrated the royal Egyptian ancestry of the Judaic patriarchs and also of Jesus. Ralph has also uncovered evidence for the New Testament Saul (St Paul) in the historical record, a discovery that brings with it several new accounts of the life of Jesus. Saul, the inventor of Christianity, was actually Josephus Flavius, a well-known historian. Jesus was the governor of Tiberias and owned a castle there; and he may have died during the siege of Jerusalem in about AD70, rather than AD 33 - crucified along with two of his compatriots. Followed by Tempest & Exodus and Eden to Egypt. Latest version v5.6 Hyksos, Shepherd Kings, Jacob, Sea People, Jesus, Saul, Jerusalem, Egyptian False Prophet, historical Jesus.
