Smile Alan A. Siegel,1995 Under the fifty-year reign of Newark brewer Henry A. Guenther, millions of men, women, and children passed under the signs Smile and Learn to Play into what the legendary beer baron called a little bit of Coney Island, the circus, an old-fashioned beer garden, and Monte Carlo rolled into one. With its myriad games, attractions, performances, and restaurants, it was impossible to walk away from the park unsatisfied and not wishing for a return.

Smile: A Graphic Novel Raina Telgemeier,2014-07-29 Raina Telgemeier's #1 New York Times bestselling, Eisner Award-winning graphic memoir based on her childhood! Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces, surgery, embarrassing headgear, and even a retainer with fake teeth attached. And on top of all that, there's still more to deal with: a major earthquake, boy confusion, and friends who turn out to be not so friendly.

Because Amelia Smiled David Ezra Stein,2024-05-28 Just try not to smile! A positively inspiring picture book from the creator of the Caldecott Honor–winning *Interrupting Chicken*. Because Amelia smiles as she skips down the street, her neighbor Mrs. Higgins smiles too, and decides to send a care package of cookies to her grandson Lionel in Mexico. The cookies give Lionel an idea, and his idea inspires a student, who in turn inspires a ballet troupe in England! And so the good feelings that started with Amelia's smile make their way around the world, from a goodwill recital in Israel, to an impromptu rumba concert in Paris, to a long-awaited marriage proposal in Italy, to a knitted scarf for a beloved niece back in New York. Putting a unique spin on what goes around comes around, David Ezra Stein's charmingly illustrated story reminds us that adding even a small dose of kindness into the world is sure to spur more and more kindness, which could eventually make its way back to you!

HIGHLY ANTICIPATED BY FORTUNE · FEMINIST BOOK CLUB · THE NERD DAILY · BOOKISH · MOTHERLY What happens when four assistants risk everything to say enough is enough? Best friends Cate, Lauren, Olivia and Max are overworked and underpaid assistants to some of the most powerful people in the entertainment industries. Like the assistants who came before them, the women know they have to pay their dues and abide the demeaning tasks and verbal abuse from their bosses in order to climb the ladders to their dream jobs. But as they are passed over for promotions and the toxic office environments reach a breaking point, the women secretly start an anonymous blog detailing their experiences, which snowballs into hundreds of others coming forward with stories of their own. Confronted with newfound

viral fame and the possibility of their identities being revealed, the assistants have to contend with the life-changing consequences of speaking out against those who refuse to share the power.

Revelations from Heaven Randy Kay, 2021-09-21 What was it like to be face to face with Jesus? What does Heaven look like? And what did Randy Kay learn from his afterlife encounter? As a human development researcher, medical advisor, and director of clinical support, Randy Kay was not given to fantastical ideas about the spirit realm or embellished divine encounters. But after clinically dying in the hospital, Randy Kay had a life-changing afterlife experience with Jesus in Heaven. In his first book, *Dying to Meet Jesus*, Randy shared this experience, but not the supernatural insights and profound discoveries he received. Now, Randy senses a timely assignment from the Holy Spirit to answer the question so many readers have asked: what did you learn while you were in Heaven? In *Revelations from Heaven*, Randy leads you into a heavenly encounter of your own, revealing 31 revelations that God is unveiling to you. These insights include **Emboldened Prayer**: A biblical perspective on encounters in Heaven and how they embolden our prayer lives. **Conversations with Jesus**: Insights that were exchanged while Randy communicated with Jesus in Heaven. **Angelic and Demonic Activity**: How there is a very real, invisible realm battling over the souls of humanity. **Race and Ethnicity in Heaven**: In eternity, how do people see one another and how does God see them? **The Sights, Sounds, and Senses of Heaven**: In Heaven, the five senses are enhanced and there are new senses that earthly language cannot explain. **Heavens Perspective on Sadness and Grief**: How tears are kept and collected in bottles. **The Difference Between Paradise and Heaven**: When a believer dies, where do they really go? Take hold of the amazing truths that Heaven has released through Randys incredible experience, and see for yourself the powerful life-change that can accompany *Revelations from Heaven*.

The Roommate Rosie Danan, 2020-09-15 Warmly funny and gorgeously sexy.—New York Times Book Review A LibraryReads Pick *House Rules*: Do your own dishes Knock before entering the bathroom Never look up your roommate online *The Wheatons* are infamous among the east coast elite for their lack of impulse control, except for their daughter Clara. She's the consummate socialite: over-achieving, well-mannered, predictable. But every Wheaton has their weakness. When Clara's childhood crush invites her to move cross-country, the offer is too tempting to resist. Unfortunately, it's also too good to be true. After a bait-and-switch, Clara finds herself sharing a lease with a charming stranger. Josh might be a bit too perceptive—not to mention handsome—for comfort, but there's a good chance he and Clara could have survived sharing a summer sublet if she hadn't looked him up on the Internet... Once she learns how Josh has made a name for himself, Clara realizes living with him might make her the Wheaton's most scandalous story yet. His professional prowess inspires her to take tackling the stigma against female desire into her own hands. They may not agree on much, but Josh and Clara both believe women deserve better sex. What they decide to do about it will change both of their lives, and if they're lucky, they'll help everyone else get lucky too.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward

conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

A Fine Dessert: Four Centuries, Four Families, One Delicious Treat Emily Jenkins, 2015-01-27 A New York Times Best Illustrated Book From highly acclaimed author Jenkins and Caldecott Medal–winning illustrator Blackall comes a fascinating picture book in which four families, in four different cities, over four centuries, make the same delicious dessert: blackberry fool. This richly detailed book ingeniously shows how food, technology, and even families have changed throughout American history. In 1710, a girl and her mother in Lyme, England, prepare a blackberry fool, picking wild blackberries and beating cream from their cow with a bundle of twigs. The same dessert is prepared by an enslaved girl and her mother in 1810 in Charleston, South Carolina; by a mother and daughter in 1910 in Boston; and finally by a boy and his father in present-day San Diego. Kids and parents alike will delight in discovering the differences in daily life over the course of four centuries. Includes a recipe for blackberry fool and notes from the author and illustrator about their research.
