A Shaman's Quest J.J. Marble, 2019-04-11 Two unlikely friends, a golden monkey prince with magical powers, and an orphan boy who could communicate with animals. The two friends, along with very unusual magical creatures, went on to save an enchanted forest in the Middle Sphere, and an animal kingdom in the Outside World. But after years of relative peace, both their worlds are again, on the brink of total annihilation. Once again, the two unlikely friends joined together to stop the dark forces from usurping both their realms. Little did they know, that, there was more to it than they bargained for. Join them in their quest, and their exciting adventures, back into the hidden world of the Middle Sphere - and the mysterious realm of shamans.

The Speaker Traci Chee, 2018-06-19 The sequel to the critically-acclaimed New York Times bestselling fantasy *The Reader*, “highly recommended for fans of Cornelia Funke's *Inkheart* and female-powered adventures.”—School Library Journal Having barely escaped the clutches of the Guard, Sefia and Archer are back on the run, slipping into the safety of the forest to tend to their wounds and plan their next move. Haunted by painful memories, Archer struggles to overcome the trauma of his past with the impressors, whose cruelty plagues him whenever he closes his eyes. But when Sefia and Archer happen upon a crew of impressors in the wilderness, Archer finally finds a way to combat his nightmares: by hunting impressors and freeing the boys they hold captive. With Sefia's help, Archer travels across the kingdom of Deliene rescuing boys while she continues to investigate the mysterious Book and the secrets it contains. But the more battles they fight, the more fights Archer craves, until his thirst for violence threatens to transform him from the gentle

boy Sefia knows to a grim warrior with a cruel destiny. As Sefia begins to unravel the threads that connect Archer's fate to her parents' betrayal of the Guard so long ago, she and Archer must figure out a way to subvert the Guard's plans before they are ensnared in a war that will pit kingdom against kingdom, leaving their future and the safety of the entire world hanging in the balance.

A.R. Dragonfly Origins: Episode Kaito Joshua Piedra,Alex Garcia,2023-05-04 Kaito Akihiko wanted to be a normal, everyday kid. Due to a rough past, his father, Yuujiro, wanted to steer Kaito down a path much different than his own. Thinking that he was doing what he felt was best for his son, plunged Kaito into what he described as an academic prison. Loneliness and depression soon followed until Kaito had reached a breaking point. He desired friends and happiness above anything else; however, could he truly find it in his hometown of Karuizawa, Japan? This is his story.

Sonata Lyra R. Saenz,2022-05-01 What's more frightening: The mask? Or the reason it's worn? Forced to flee her lover, the witch Wren Nocturne knows she still owes a debt. She must exact vengeance for those who resurrected her. Alone, and masquerading as an abused Firefly, she struggles to satisfy the blood curse threatening to tear her soul apart. With nightmarish beasts blocking her way, Wren's search becomes a cat and mouse game with another powerful witch. Summer Helsdottir has returned, and this time, she's hunting Wren. Meanwhile, a steadfast Kaito Miyazaki races to find his lover before another technomancer tracks her down. Ready to put everything on the line to reconnect with Wren and keep his witch from facing a second death, he's hot on her trail but always one step behind. Will he catch up before either a witch-killing technomancer, soul-eating curse, or

dangerous creature turns his beloved to dust? Wren is counting on her disguise to keep her safe but with peril at every turn, she may need more than magic to escape her fate.

Nagaland The Night of the Guerrillas Nirmal Nibedon ,2013-10-19 This is the explosive story of the underground movement in Nagaland never written before. It is an investigative report of the secret trails where the dew never dries, a trail which ended far beyond the Indian borders, snaking into the monsoon-soaked jungles of Kachin, where men like Zewtu fought and died unsung. These were the forests of no return where men like Kaito, Zhukiye. Mowu, Zuheto and Thinoselie embraced death often and survived. You are about to enter 'terra incognita' on the fog-bound heights of the Arakans where many a platoon commander fell, their mission reports unwritten. It is the only book to offer interpretations on: Meikhel: Three of the hallowed stones, of which two fell, according to a Naga prophecy. Oking: Top-secret mobile Headquarters of the Guerrillas. Ahza: A decree which emanated from Oking and could bring death of traitors. Peking: The Chinese connection which made an effort to convert Nagaland into a mini-Vietnam. Kuknalim: "Long live the land" was how the Guerrillas greeted each other, while they talked with bullets. Tatar Hoho: The underground Parliament where democracy prevailed. Alee Command: The Foreign Legion - will it strike again? Kachin: Where the south-east Asian guerrilla movements converge to co-ordinate. In *The Night of the Guerrillas*, there are no villains - the contending sides were caught between the indomitable and the inevitable. The destiny of the Nagas must have always lain with India while the luckless revolutionaries were searching it elsewhere.

A.R. Dragonfly Vol. 11 Joshua Piedra,2023-05-04 The world is constantly changing as it

is forever in its nature to do so. Like the world, everyone's lives undergo a change at one point or another. A series of events transpire that looks to do just that for Amber, Kaito, Lynn, Jessi, Rebekah, and Sebastian. All they can do is embrace the change and face it head-on.

Between Empires and Continents Sasha Hope, 2021-05-10 Luxor City, a once lawless metropolis on the brink of civil war, is now at peace, but even in lighter times there are always shadows. In the technicolor streets of the Southern Empire, Junsu Sun, the Alpha heir to one of Luxor City's great crime families, busies himself by dealing with a blacklisted group known as the Underground. After taking down one of the Underground's notorious leaders, Junsu assumes he'll be given time to rest and recuperate, but his mother, Alpha Xijuan Sun, has a new mission for him, involving a luxury cruise and a new mate, Omega Kaito Yamaguchi, of the powerful Yamaguchi family. Ever the dutiful son, Junsu obeys his orders as if it were any other mission, but this sort of engagement isn't exactly the type of thing he's used to and Kaito Yamaguchi certainly isn't the sort of Omega he's used to either. Kaito is impatient, impassable, and impossible. He's a spoiled Omega who is pissed off that his family have reorganized his life and thrust him into this arranged mating with some Luxor City Alpha he's never met before. Kaito hasn't even seen a picture of Junsu Sun, a fact that Junsu uses to his advantage. Faced with a week spent trapped on a luxury cruise with a rude, bratty Omega who doesn't even know who he is, Junsu decides to play a little trick on his future mate. But just how far will he let things go and where is the line between a little trick and a painful deception? Meanwhile, other secrets floating between empires and continents are about to spill out onto the deck.

A Pathway to Safe, Smart, and Resilient Road and Mobility Networks Amin Akhnouk, **Human Security and Empowerment in Asia** Mely Caballero-Anthony, Yoichi Mine, Sachiko Ishikawa, 2023-10-26 In the context of the COVID-19 pandemic, this edited volume revisits the framework of human security and development. It examines the protection-empowerment nexus as applied to various vulnerable groups and populations affected by the pandemic. While the conventional human security literature has focused on top-down protection, this book offers new perspectives on human security by exploring bottom-up empowerment from both theoretical and practical perspectives. It also encourages readers to rethink the agency of vulnerable people in addressing the challenges posed by the pandemic. Through eight case studies from Southeast Asia and Japan, the contributors to this book demonstrate the importance of empowerment in achieving human security. They focus on the responses of vulnerable groups and communities to multiple threats to their lives, livelihoods, and dignity. The chapters discuss key human security concerns, such as poverty, the environment, food, forced migration, gender, health, aging, peace, and justice – all of which have been compounded and exacerbated by the COVID-19 pandemic. An essential resource for students and scholars of human security in the aftermath of COVID-19 and its wider impacts. The Open Access version of this book, available at <http://www.taylorfrancis.com>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives (CC-BY-NC-ND) 4.0 license.

A.R. Dragonfly Vol. 10 Joshua Piedra, 2023-05-04 With the reappearance of Jeremiah Carmichael, Sebastian finds himself at a crossroads with his father. In the meantime, Amber

and Kaito are getting adjusted to the changes happening in their lives. Some of those changes end up being a first-time experience for Amber and they become moments that she will never forget.

India's National Security Satish Kumar, 2016-10-04 The last two years have witnessed deterioration in the global security situation characterised by increasing tensions among major powers. The threat perceptions of the US, China and Russia vis-à-vis each other have sharpened. There is stiff competition among them to dominate the strategic space in different parts of the world. This has led them to formulate national security strategies which are more assertive, aggressive and competitive. There is lack of consensus in resolution of conflicts in Afghanistan and Syria. There is no concerted effort in meeting the challenge of the Islamic State. It is in this fractured security environment that India has been making special efforts to project itself as a leading power commensurate with its economic and military potential. This fifteenth volume of India's National Security Annual Review undertakes an incisive analysis of India's endeavours to maximise its gains with respect to its strategic partners. The volume also focuses on the new dynamism that India has injected in its relations with countries in the Middle East and the Asia Pacific. India's threat perceptions in its extended security zone, critical aspects of its strategic preparedness and complex issues regarding its internal security have been thoroughly examined. With contributions from experts from the fields of diplomacy, academia and civil and military services, the book will be one of the most dependable sources of analyses for scholars of international relations, foreign policy, defence and strategic studies, and political science, and practitioners alike.

Torture Princess: Fremd Torturchen, Vol. 3 (light novel) Keishi Ayasato, 2020-01-28 For that person's sake, I could do or become anything. The Grand King, Fiore, has been defeated, but her death came at a great cost. Hina's critical condition has forced her into a deep sleep, and Kaito, desperate for power, has forged a contract with the Kaiser. When troubling news arrives from the Church, the situation grows dire. A new demonic presence has devastated the Capital. Godd Deos is dead. Elisabeth and Kaito rush to the scene to face the threat but are wholly unprepared for what they find... The contractors of the final three demons—the Monarch, the Grand Monarch, and the King—have been fused together to create a living nightmare...

A.R. Dragonfly Vol. 5 Joshua Piedra, 2023-05-04 After the BlazeCON Invitational Tournament, a new rivalry is sparked between Amber Ryann and Kaiza Shirazou. However, this rivalry has a greater impact than one would expect as everyone heads into the launch of Blaze Auras: The Underhollow. With new maps and a new game mode, the gang prepares to tear through the competition!

Mr. October Bailey Bradford, 2018-10-09 It's not just the ghosties and the ghouls that you've got to watch out for on Halloween! Jerome is an artist—in his opinion, anyway. Not everyone would agree that what he does is art, but he'd beg to differ. He has a niche following and his business picks up around Halloween. When a handsome stranger walks into his gallery, the attraction that crackles to life between them is instantaneous, and

scarier than anything Jerome has ever created. He's quirky and possibly downright weird, but for some reason, the sexy doctor seems to be into him. Jerome isn't sure he can trust the feelings developing between them, and when someone decides Jerome's studio needs to go, he fears he'll never have the chance to see what kind of life he could have with Kaito. Kaito Yoshida is a successful pediatric oncologist, and a complicated man. As serious as any doctor in his position while working, he's missed out on a lot of things in his personal life. An encounter that, at first, is mortifying, leads to Kaito daring to take a step he's never bothered to take before. He doesn't expect to fall for Jerome Johnson, or for Jerome to fall for him. And neither of them expect the obstacles they will encounter on the way to love.

A.R. Dragonfly Vol. 6 Joshua Piedra,2023-05-04 A new chapter begins for Amber Ryann. While Blaze Auras has provided many challenges for Amber, her greatest challenge to date looms on the horizon in real life. Amber is not the only one facing a challenge head-on, though. Takumi, Lynn, and even Sebastian face challenges of their own. The team marches on as the beginning of a new story unfolds for them all.

Security on IBM z/VSE Helmut Hellner,Ingo Franzki,Antoinette Kaschner,Joerg Schmidbauer,Heiko Schnell,Klaus-Dieter Wacker,IBM Redbooks,2018-06-14 One of a firm's most valuable resources is its data: client lists, accounting data, employee information, and so on. This critical data must be securely managed and controlled, and simultaneously made available to those users authorized to see it. The IBM® z/VSE® system features extensive capabilities to simultaneously share the firm's data among multiple users and protect them. Threats to this data come from various sources. Insider threats and malicious

hackers are not only difficult to detect and prevent, they might be using resources with the business being unaware. This IBM Redbooks® publication was written to assist z/VSE support and security personnel in providing the enterprise with a safe, secure and manageable environment. This book provides an overview of the security that is provided by z/VSE and the processes for the implementation and configuration of z/VSE security components, Basic Security Manager (BSM), IBM CICS® security, TCP/IP security, single sign-on using LDAP, and connector security.

Enterprise Java Security Marco Pistoia, 2004 This is a practical guide to building a secure enterprise infrastructure with J2SE and J2EE technologies. This text explains how J2SE and J2EE security architectures relate to each other, and also covers the security aspects of servlets, JSP and EJB.
