

Kakerlakken Med Den Stygge Frakken

Maria Nikolajeva,Carole Scott

Kakerlakken med den stygge frakken- og hovudet fullt av triste tankar Martine Grande,2013 Kakerlakken er redd for å blø, redd for å dø. Men den er også redd for å leve. Det er vanskeleg å finne lys og glede når hausten har gøymt sola og fargane. Den engstelege kakerlakken blir deprimert når det blir mørkt på vinteren. I tillegg blir ho erta for den stygge frakken sin. Billedbok for førskolebarn/småskoletrinnet.

Frog in Winter Max Velthuijs,2012-09-06 Frog is taken by surprise when winter comes. He doesn't understand why everything is covered with white and he skids and slips on the icy pond. He is too cold to take part in any of the joyous fun that Duck is having skating or that Hare is having throwing snowballs. The animals band together to equip Frog for enjoying winter, and later they share in his rejoicing when spring arrives. 'Frog is an inspired creation - a masterpiece of graphic simplicity.' - Guardian

Dictionary of the English and Danish Languages Cecil Hornbeck,1863

Anna's Heaven Stian Hole,2014-09-08 After the death of her mother, Anna and her father imagine that Heaven might be a place where one can help in God's garden, visit with old friends, and take off one's socks whenever one pleases.

Rethinking Children's Citizenship T. Cockburn,2012-11-16 This book explores the relationship between children and citizenship, analyzing international perspectives on citizenship and human rights and developing new methods for facilitating the recognition of children as participating agents within society.

Challenging and Controversial Picturebooks Janet Evans,2015-06-05 It is often assumed that picturebooks are for very young readers because of their emphasis on the illustrations and their scarcity of text; however, there are increasing numbers of picturebooks where the age of the implied reader is questionable. These are picturebooks whose controversial subject matter and unconventional, often unsettling style of illustration challenge the reader, pushing them to question and probe deeper to understand what the book is about. In addition to the book challenging the reader, the reader often challenges the book in an attempt to understand what is being said. These increasingly popular picturebooks work on many different levels; they are truly polysemic and worthy of in-depth analysis. They push the reader to ask questions and in many instances are intrinsically philosophical, often dealing with fundamental life issues. Challenging and Controversial Picturebooks examines these unconventional, non-conformist picturebooks, considering what they are, their audience and their purpose. It also considers: Children's and adults' thoughts on these kinds of picturebooks. How challenging and unsettling wordless picturebooks can play with the mind and promote philosophical thought. What creates non-conformity and strangeness ... is it the illustrations and their style, the subject matter or a combination of both? Why certain countries create, promote and accept these picturebooks more than others. Why certain picturebooks are censored and what factors are in play when these decisions are made. The role of publishers in translating and publishing these picturebooks. Children's creative and critical responses to strange, unsettling and often disturbing visual texts. This inspiring and thought-provoking volume explores the work of a number of highly respected, international picturebook experts and includes an exclusive interview with the legendary Klaus Flugge, Managing Director of Andersen Press, one of the few remaining independent children's book publishers in England. It is an indispensable reference for all interested in or working with picturebooks, including researchers, students in higher and teacher education, English advisors/inspectors, literacy consultants and classroom teachers.

Garmann's Secret Stian Hole,2011-12-16 Garmann makes friends with Johanna, the twin sister of the girl who torments him at school, when they discover that they both love adventures and talking about outer space.

Picturebooks: Representation and Narration Bettina Kümmmerling-Meibauer,2014-01-03 This volume discusses the aesthetic and cognitive challenges of modern picturebooks from different countries, such as Denmark, France, Germany, Norway, Spain, Sweden, United Kingdom, and USA. The overarching issue concerns the mutual relationship between representation and narration by means of the picturebooks' multimodal character. Moreover, this volume includes the main lines of debate and approaches to picturebooks by international leading researchers in the field. Topics covered are the impact of paratexts and interpictureorial allusions, the relationship between artists' books, crossover picturebooks, and picturebooks for adults, the narrative defiance of wordless picturebooks, the representation of emotions in images and text, and the depiction of hybrid characters in picturebooks. The enlargement of the picturebook corpus beyond an Anglo-American picturebook canon opens up new horizons and highlights the diverging styles and genre shifts in modern picturebooks. This tendency also demonstrates the influence of specific authors and illustrators on the appreciation of the picturebook genre, as in the case of Astrid Lindgren's picturebooks and the picturebooks created by renowned illustrators, such as Anthony Browne, Wolf Erlbruch, Stian Hole, and Bruno Munari. This book will be the definite contribution to contemporary picturebook research for many years to come.

Adventures Into Otherness Maria Lassén-Seger,2006

Children as Citizens? Childwatch International Citizenship Study Group,2009 The rights of children as citizens have become an increasing focus of international attention as the 20th anniversary of the UN Convention on the Rights of the Child is celebrated in 2009. The key components of citizenship include entitlement to respect and recognition, opportunities for belonging and meaningful participation in society, the right to express an opinion and have it taken into account, and the fulfillment of duties to others. This book reports on research with children and young people in Australia, Brazil, New Zealand, Norway, Palestine, and South Africa. There were ideas they held in common - obeying the law, respecting and helping others, working hard - but it was also found that certain features of different nations - whether inequality in Brazil, migration and multiculturalism in Australia and New Zealand, or conflict and occupation in Palestine - were reflected in how the children interpreted their rights, responsibilities, and citizenship. Children as Citizens? International Voices is the result of collaborative research by the Childwatch International Citizenship Study Group.

The Bird Tribunal Agnes Ravatn,2016-07-30 When a disgraced TV presenter takes up the role of housekeeper on an isolated Norwegian fjord, she develops a chilling, obsessive relationship with her employer ... an award-winning, simply stunning debut psychological thriller from one of Norway's finest writers. ***As heard on BBC Books at Bedtime*** ***WINNER of the English PEN Translation Award*** ***Shortlisted for the Dublin Literary Award*** ***Shortlisted for the Petrona Award for Best Scandinavian Crime Novel of the Year*** 'An unrelenting atmosphere of doom fails to prepare readers for the surprising resolution' Publishers Weekly 'Unfolds in an austere style that perfectly captures the bleakly beautiful landscape of Norway's far north' Irish Times _____ Two people in exile. Two secrets. As the past tightens its grip, there may be no escape... TV presenter Allis Hagtorn leaves her partner and her job to take voluntary exile in a remote house on an isolated fjord. But her new job as housekeeper and gardener is not all that it seems, and her silent, surly employer, 44-year-old Sigurd Bagge, is not the old man she expected. As they await the return of his wife from her travels, their silent, uneasy encounters develop into a chilling, obsessive relationship, and it becomes clear that atonement for past sins may not be enough... Haunting, consuming and powerful, The Bird Tribunal is a taut, exquisitely written psychological thriller that builds to a shocking, dramatic crescendo that will leave you breathless. _____ 'Reminiscent of Patricia Highsmith - and I can't offer higher praise than that - Agnes Ravatn is an author to watch' Philip Ardagh 'A tense and riveting read' Financial Times 'Crackling, fraught and hugely compulsive slice of Nordic Noir ... tremendously impressive' Big Issue 'Beautifully done ... dark, psychologically tense and packed full of emotion both overt or deliberately disguised' Raven Crime Reads 'Ravatn creates a creeping sense of unease, elegantly bringing the peace and menace of the setting to vivid life. The isolated house on the fjord is a character-like shadow in this tale of obsessions. This is domestic suspense with a twist - creepy and wonderful' New Books Magazine 'The Bird Tribunal offers an incredible richness of themes ... The atonement for the past sins and the titular bird tribunal carry powerful messages, as well as questions of morality and humanity...' Crime Review 'The Bird Tribunal is suffused with dark imagery from the ancient Eddas, creating a foreboding atmosphere that gets under the skin

and stays there. Like a lunar eclipse, each revelation is another form of darkness' Crime Fiction Lover 'Chilling, atmospheric and hauntingly beautiful ... I was transfixed' Amanda Jennings 'Intriguing ... enrapturing' Sarah Hilary 'A masterclass in suspense and delayed terror, reading it felt like I was driving at top speed towards a cliff edge - and not once did I want to take my foot off the pedal' Rod Reynolds 'A beautifully written story set in a captivating landscape ... it keeps you turning the pages' Sarah Ward

Garmann's Street Stian Hole,2010-03-11 After succumbing to peer pressure from a bully, an unusual friendship between Garmann and the Stamp Man arises out of a near-disaster.

Comedies by Holberg Ludvig Holberg,1914

How Picturebooks Work Maria Nikolajeva,Carole Scott,2013-02-01 How Picturebooks Work is an innovative and engaging look at the interplay between text and image in picturebooks. The authors explore picturebooks as a specific medium or genre in literature and culture, one that prepares children for other media of communication, and they argue that picturebooks may be the most influential media of all in the socialization and representation of children. Spanning an international range of children's books, this book examine such favorites as Curious George and Frog and Toad Are Friends, along with the works of authors and illustrators including Maurice Sendak and Tove Jansson, among others. With 116 illustrations, How Picturebooks Work offers the student of children's literature a new methodology, new theories, and a new set of critical tools for examining the picturebook form.

Beyond Listening Clark, Alison,Peter Moss,Kjørholt, Anne Trine,2005-10-19 From both an international perspective and through combining theory, practice and reflection, this book examines critically how listening to young children in early childhood services is understood and practiced.

The Birds Tarjei Vesaas,2016-05-24 Set in the Norwegian countryside over the course of one summer, The Birds tells the story of forty-year-old Mattis, who has mental disabilities and lives in a small house near a lake with his sister Hege, who ekes out a modest living knitting sweaters. From time to time Hege encourages her brother to find work to ease their financial burdens, but Mattis's attempts to work at the surrounding farms always end in failure and disgrace. Mattis is keenly aware of the distance between himself and the world around him, which often feels hostile; the villagers call him Simple Simon. Profoundly sensitive to his surroundings, Mattis spends much of his time in the forest, reading its signs and symbols: A woodcock begins a daily flight over their house, a beautiful bird is waiting for him on the path one day when he returns from the store, and one afternoon lighting strikes one of the two withered aspen trees outside the house -- trees known in the village as Mattis-and-Hege. When Mattis decides to employ himself as a ferryman, the only passenger he manages to bring across the lake is a lumberjack, Jørgen. When Jørgen and Hege become lovers, Mattis finds he cannot adjust to this new situation. Wholly reliant on Hege and terrified of losing her, he clings to the familiar and does everything in his power to make Jørgen leave. Simultaneously, he struggles to find a place for himself in a world that does not seem to want him. With spare simplicity, Vesaas's straightforward prose subtly reveals Mattis's perspective and readers will find themselves shifting irrevocably from observers of his experience to participants in it. Written by one of Norway's most celebrated and beloved authors, The Birds is a deeply nuanced examination of identity and responsibility, with abundant narrative suspense and hauntingly beautiful writing besides.

New Directions in Picturebook Research Teresa Colomer,Bettina Kümmerling-Meibauer,Cecilia Silva-Díaz,2010-07-12 In this new collection, children’s literature scholars from twelve different countries contribute to the ongoing debate on the importance of picturebook research, focusing on aesthetic and cognitive aspects of picture books. Contributors take interdisciplinary approaches that integrate different disciplines such as literary studies, art history, linguistics, narratology, cognitive psychology, sociology, memory studies, and picture theory. Topics discussed include intervisuality, twist endings, autobiographical narration, and metaliterary awareness in picturebooks. The essays also examine the narrative challenges of first-person narratives, ellipsis, and frame-breaking in order to consider the importance of mindscape as a new paradigm in picturebook research. Tying picturebook studies to studies in childhood, multimodality, and literacy, this anthology is a representative of the different opportunities for research in this emerging field.

Looking Out and Looking in Åse Marie Ommundsen,2013

Night Guard Synne Lea,2016 This poetry collection explores important concepts such as friendship, fear, and loneliness--

International Handbook of Children, Media and Culture Kirsten Drotner,Sonia Livingstone,2008-02-19 This essential volume brings together the work of internationally-renowned researchers, each experts in their field, in order to capture the diversity of children and young people’s media cultures around the world. Why are the media such a crucial part of children’s daily lives? Are they becoming more important, more influential, and in what ways? Or does a historical perspective reveal how past media have long framed children’s cultural horizons or, perhaps, how families - however constituted - have long shaped the ways children relate to media? In addressing such questions, the contributors present detailed empirical cases to uncover how children weave together diverse forms and technologies to create a rich symbolic tapestry which, in turn, shapes their social relationships. At the same time, many concerns - even public panics - arise regarding children’s engagement with media, leading the contributors also to inquire into the risky or problematic aspects of today’s highly mediated world. Deliberately selected to represent as many parts of the globe as possible, and with a commitment to recognizing both the similarities and differences in children and young people’s lives - from China to Denmark, from Canada to India, from Japan to Iceland, from - the authors offer a rich contextualization of children’s engagement with their particular media and communication environment, while also pursuing cross-cutting themes in terms of comparative and global trends. Each chapter provides a clear orientation for new readers to the main debates and core issues addressed, combined with a depth of analysis and argumentation to stimulate the thinking of advanced students and established scholars. Since children and young people are a focus of study across different disciplines, the volume is thoroughly multi-disciplinary. Yet since children and young people are all too easily neglected by these same disciplines, this volume hopes to accord their interests and concerns they surely merit.

Whispering the Secrets of Language: An Mental Quest through **Kakerlakken Med Den Stygge Frakken**

In a digitally-driven earth wherever displays reign great and instant connection drowns out the subtleties of language, the profound secrets and mental nuances hidden within words usually move unheard. Yet, located within the pages of **Kakerlakken Med Den Stygge Frakken** a fascinating literary prize pulsing with fresh feelings, lies an exceptional quest waiting to be undertaken. Composed by a talented wordsmith, that enchanting opus encourages readers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within the cloth of every word. Within the mental depths of this touching review, we will embark upon a heartfelt exploration of the book is key themes, dissect their captivating publishing fashion, and fail to the powerful resonance it evokes heavy within the recesses of readers hearts.
