The Kama Sutra of Vatsyayama Vatsyayama, 2014-06-16 The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vatsyayana. A portion of the work consists of practical advice on sexual intercourse.

**The Revised Kama Sutra: A Novel** Richard Crasta, This novel, an Indian sensation, describes a young man's growing up and coming to grips with sexuality with delicious and often-hilarious detail, but it is about much more: political, ironic, and an indictment of colonialism (The Hindu). This comic novel of childhood, coming of age, of modern Indian manhood, and an American Dream was described as humorous and manic by The Independent of London, and as personifying the post-Independence Indian male. It has also been adapted for the stage and played to many standing room only audiences. Hilarious.--Time Out. Indefatigable good humor, charm--Publishers Weekly. **The Kama Sutra** Vatsyayana, 2020-05-04 The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. Kama which is one of the four goals of Hindu life, means desire including sexual desire, the latter being the subject of the textbook, and sutra literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to western popular perception, the Kama Sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life, and other aspects pertaining to pleasure-oriented faculties of human life. The Kama Sutra, in parts of the world, is presumed or depicted as a synonym for creative sexual positions; in reality, only 20% of the Kama Sutra is about sexual positions. The majority

of the book, notes Jacob Levy, is about the philosophy and theory of love, what triggers desire, what sustains it, and how and when it is good or bad. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra. Historians believe the Kama Sutra to have been composed between 400 BCE and 200 CE.[10] John Keay says that the Kama Sutra is a compendium that was collected into its present form in the 2nd century. Kama Sutra & Tantric Sex Ava J Cole, 2020-07-14 Are you looking for a complete guide on kama sutra? Do you want to discover how to perform great tantric sex? Then keep reading... Sex is not only important, but it is fundamental. For Maslow, when he elaborates his famous pyramid of basic needs of individual, he puts sex at the base of needs of person, together with nutrition, breathing, sleep and homeostasis. Maslow includes sex in the same range of primary needs because, according to his theory, it is linked to conservation instinct. Without satisfying these needs, including sexual needs, it will be impossible to move on to the levels considered existential such as security, belonging, esteem and self-fulfillment. Tantric sex is an old Hindu practice that has been in existence for a very long time and signifies the intertwining and extension of vitality. It is a moderate type of sex that is said to build closeness and make a mind-body association that can prompt ground-breaking climaxes. If that sounds confounding, consider it along these lines - if fast in and out sex is what could be compared to a takeaway, tantric sex is a happy moment, gradually and affectionately arranged and even more sweet because of the waiting. Tantric sex is beneficial for you if... You need to turn out to be much increasingly cozy with your accomplice You are searching for something new to do in bed You need to attempt to reconnect with your significant other or beau The uplifting news is Tantric sex is not 'objective arranged', which means you do not need to buckle down at realizing what to do. Try to take your psyche off your climax and rather center on making foreplay charming and compensating until you are prepared to take it to its regular end. This book covers What is Kama Sutra? History Philosophy of Kama Sutra Kama Sutra and Love Intimacy What Is Tantra? Tantra Philosophy Tantra And Meditation Benefits Of Tantric Sex Exercise For Tantric Sex And Massage ...And Much More If you need to give it a go, attempt the accompanying: - Start by turning down the lights and closing out the remainder of the world. - Do not surrender: If you do not last past 10 minutes, attempt once more. Tantric sex sets aside some effort to get to grasps with on the grounds that we're altogether used to sex in a western manner - this implies we anticipate that sex should have a conspicuous beginning, center and end. - Get settled: Try resting with your accomplice on the floor and gradually begin to contact one another, taking as much time as necessary to comfortable advance around their body. - Loosen your body: Tantra is tied in with moving vitality through the body, so shake your appendages energetically to invigorate and unblock your framework before you start. - Experiment: Try an assortment of contacts - firm knead, light padded contacts, and delicate stroking. The point here is to increase his faculties in a moderate and extraordinary way with the goal that you are building him to a pinnacle yet not taking him the whole distance and the other way around. Performed in the correct manner this can draw out sex and your pleasure for a considerable length of time. - Think about breathing: If you discover your mind begins to meander, re-center around your relaxing. Breathe in as your accomplice breathes out and the other way around - it can help improve the association among you and keep your psyche on what's going on.
