Mealttime Habits Messiah Conrad Gempf, Conrad H. Gempf, 2005 Combining the lateral thinking of a postmodern wise-cracker with the creedal certainties of a conservative evangelical scholar, this book about 40 encounters with Jesus informs the contemporary obsession with how Jesus would behave ('What would Jesus do') while drawing readers back to the cross as the central message of our faith.

Heaven Scent John Winter, 2015-03-22 The Sexy Sixties! Charlie was part of it, but he wasn't. He had the key but they changed the locks. Charlie and the staff of the Sandown Chronicle soon have something to take their minds off sunshine summers of love, when the sleepy seaside resort is rocked by a series of mystery explosions. Is it the Isle of Wight Republican Army? Charlie and his fellow hacks are hot on the trail, but time is running out on a very short fuse.

Sex, Sushi, and Salvation Christian Timothy George, 2008-09-01 There's more to life than computerized slippers and sexy ring tones. The world revolves around something greater than ourselves, and we all burn for intimacy, crave community, and struggle for eternity. This is a book about sex, sushi, and salvation—a book of snapshots—the ups and downs, the failures and fortunes. If you hunger for a raw faith that satisfies the soul, read on.

The Kamikaze Legacy Jerry Ahern,

When Pigs Flew Paul Cardinal, 2012-09 Everyone says Pete Cardinal sounds just like John Wayne on the radio. People who have never seen him are often surprised to meet a six-foot mustang lieutenant instead of a six-four admiral. Leaving San Diego with just a year to go before retirement, he's headed to a cushy desk job in Memphis. Or so he thinks... Pilots Jerry and Psycho are just getting a handle on their secret mission's special weapons and tactics when a crash landing ruins their day. Also ruined is the career of the guy who put bad fuel in their plane as well as Pete's plan for an easy year in Memphis. Bidding his family a hasty goodbye, he heads for a bay in Vietnam where he isn't sure he will live to see tomorrow. With Pete's support from the mother ship, Jerry and Psycho can focus on their mission, eliminating North Vietnamese supply boats using an obsolete seaplane meant for hunting submarines. In this military tale, things that actually happened meld with war stories (things that might have happened) to bring to life a little known episode from the Vietnam War.

Connect Jonathan McKee, 2010-01-05 In an age where teenagers are deeply engaged in virtual communities and social networks, they're still feeling alone and isolated. It may sound all too simple, but the truth is that you have the opportunity to make a profound impact on the lives of students with the simple act of spending time with them, one-on-one. Whether you're a volunteer or the lead youth pastor, getting some students to open up and share their lives can be a challenge. In this practical book you'll learn the importance of connecting with students on an individual basis and get helpful ideas on how to engage a variety of students in meaningful dialogue. You'll explore and learn more about connecting with six different types of students, including: • The "No Way" Kid • The "Not Interested" Kid • The "Checking Things Out Kid" • The "Stagnant" Kid • The "Growing" Kid • The "Looking for Ministry" Kid Connect will walk you through the steps to lead you into relationships with students that go beyond the youth room and impact them into adulthood.

Hogula Jean Gralley, 2002-09 Although he lives high-on-the-hog in his castle on Grimy Porkchop Hill, Hogula is unhappy because he has no friends--until he meets Elvis Ann, Dread Queen of Kissyface.

Flip This Zombie Jesse Petersen, 2011-07-21 Ever felt like your office colleagues might actually be zombies? Call ZombieBusters Extermination! The Zombie Apocalypse has been good to Sarah and David. Their marriage is better than ever. They communicate well, share responsibilities, and they've also started a business. ZombieBusters - for all your zombie extermination needs. There are lots of zombies and that means lots of customers...Except one of them doesn't want the zombies dead, he wants them alive and ready for experimentation. Mad scientists make for difficult clients and, this time, Sarah and David might have bitten off more than they can chew.

The Reluctant Kamikaze Cain South, 2016-05-31 Nor Wen, a reluctant Japanese Kamikaze Pilot was determined to escape the madness of the war and obey his father and escape to Brazil. Unforeseen circumstances see him crash in the Kimberly Ranges of Western Australia, almost on top of two prospectors searching for diamonds, a Missionary and his fifteen year old son. Against the odds the three become close friends. For three years the three men form a working relationship, living at the Billabong at the base of the range, surviving the desert and the local Aborigines. Their mining unsuccessful and the war almost at an end, the three decide to return to civilisation. The sudden untimely death of his father forced Michael to take up a position with his Uncles Law firm in Sydney. Framed for embezzlement by his insanely jealous older cousin he is forced to leave the firm. Shamed and with no other option Michael returned to the only home he knew, the mine at the Billabong. Fate and two small birds saw him finally discover the diamonds..

Pigs Is Pigs Ellis Parker Butler, 2012-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books

where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Kamikaze Gods and Suicide Mules Reno Four,2003-09 From Godzilla bombs and false teeth to Nebada's sleeping orgies and moonlit hills. An eclectic, inimitable exploration of the American Dream and disillusionment--the real and the raw of life.

Soldier Pigs Gordon Swanson,2006 During the 1950s, one special army quartermaster group was assigned the difficult but essential task of testing potential army materials--tests that often required putting soldiers at risk, challenging them at the top of their physical endurance, under the worst possible conditions. Like guinea pigs, these randomly chosen soldiers were forced to participate in dangerous testing programs, so that others could benefit. This is the true but untold story of one of those soldiers, author Gordon Swanson. Soldier Pigs describes many of the author's tasks--from equipment and machinery tests in the extreme heat of Death Valley, to the frigid cold near the Arctic Circle, and his many other experiences as part of this unique military unit. The author was subjected to surprising ordeals as a guinea pig, and almost killed several times; still, he believes that the work of these men may have saved the lives of many others in the military. His graphic descriptions give the reader the utmost respect for the valuable work of these soldiers.

The Bulletin ,1984-11

The "kamikaze Nightmare" Bill Sholin,2000

Pigs Is Pigs Ellis Parker Butler,2015-11-17 Mike Flannery, the Westcote agent of the Interurban Express Company, leaned over the counter of the express office and shook his fist. Mr. Morehouse, angry and red, stood on the other side of the counter, trembling with rage. The argument had been long and heated, and at last Mr. Morehouse had talked himself speechless.

The Kamikazes Edwin Palmer Hoyt,1984

The Pig War Emma Bland Smith,2020-11-10 Here is a true story of how the great nations of America and England almost went to war in 1859 over a pig--but learned to share instead. In 1859, the British and Americans coexist on the small island of San Juan, located off the coast of the Pacific Northwest. They are on fairly good terms--until one fateful morning when an innocent hog owned by a British man has the misfortune to eat some potatoes on an American farmer's land. In a moment of rash anger, Lyman Cutlar shoots Charles Griffin's pig, inadvertently almost bringing the two nations to war. Tensions flare, armies gather, cannons are rolled out . . . all because of a pig! Emma Bland Smith's humorous text and Alison Jay's folksy illustrations combine in this whimsical nonfiction picture book that models the principles of peaceful conflict resolution.

Iron Pigs Trent Farce,2017-03-13 Does anyone remember what they were doing or where they were in 2009? Sometimes we even forget what we did last month. For this band of warriors in 2009, they will never forget where they were and what they did. The Second Light-Armored Reconnaissance Battalion of the United States Marine Corps, this band of warriors, went on a do-or-die mission to the southernmost part of Afghanistan in 2009, where no other coalition force has been before. The area of operation was crawling with Taliban soldiers in and around the Khan Neshin, Afghanistan area, and the surrounding lush green valley by the river was filled with weed, corn, beans, and shrubs. Many obstacles lie in wait for the marines who were the tip of the spear in 2009. Would they succeed in their quest to conquer the southern part of Afghanistan? These marines were determined to do so or die trying.

Terror on Kamikaze Run Sigmund Brouwer,2004 A free trip to a Colorado ski resort is ruined by a fire, a terrifying race down a slope, and a ghostly apparition.

Pig Tammy Ryan,1998 THE STORY: It is the day before Labor Day, 1990, four months before the Gulf War and the Robinsons are having a barbecue. Jason, the prodigal son who's been in the Navy since a violent confrontation with his father, has just called from the airport
