Jumping on the Drips Eda Kara,2021-03-30 An intriguing compendium of compelling, thought-provoking, and somewhat surreal short stories - modern in both writing style and outlook. - Deborah Murrell, Author and Editor Dive into the stories of souls at play. Meet the borderless characters who enter each other's destinies, grow together and flow apart. Jump with them from one drip to another; suck up the bits of color from every page and leave some on the drips behind. Pete's letters are never read by Cate but by a stranger. Zoe's voice diminishes to a whisper and then to a silence to find what she is looking for. Cora is carried away by the conversation between two strangers she overheard on a bus before facing her reality. Agnes never finds out how a tattoo of a tree appeared on her shoulder. She accepts and embraces the tree as it responds to her emotions; Agnes is not alone anymore. John's longing for his past hits a glitch. Dennis plays a mind game with his wife in a civilized way. Egan never finds the door to take him where he wants to go. Mateo questions if he knows Bella more after exchanging 46,127 words over text messages than reading her profile of 250 words. The author in the book creates a world for Pete, Agnes, Cate and others with the spur of inspiration from a painting on a stone. After he completes the last chapter, he searches for the picture of the painting he took. He realizes that it is not the same as he remembered. Maya plays her game until she gets hungry and Anthony confuses which of several caves to put the tree house back into when the rest of the world tries to figure out what is going on. Ash lets his soul go free from his body. Spiro goes to the cemetery to stay alive.

Kara in Black Max Bush,2006 Kara in Black takes place January through March of 2003, beginning prior to the invasion of Iraq and finishing three days after the invasion. Eighteen-year-old Kara's older sister, Della, is leaving to join her Army unit and travel to Kuwait to prepare for the possible invasion of Iraq. While Della is proud to serve and proud to be a woman in the Army, is ready to prove herself, and believes in the policies of the administration, Kara, after thinking about such things for the first time in her life, begins to oppose her sister going, and the impending war itself. Their dialog begins as Della is preparing to depart to join her unit and continues by phone up to the night before the invasion. Together with Juanita and Sue Ellen, two of her friends, Kara researches the first Gulf War to try to understand what may occur in this one. As the research continues and questions multiply, a rising chorus of voices opposes Kara: Sue Ellen, other students, Della, Della's best friend Rachel, and, seemingly, the majority of the American people. To understand more about war and its effects on people, Kara talks to Stevens--Juanita's former stepfather--a decorated Vietnam vet who speaks directly from the reality of his combat experience. Kara finds her way to Women in Black, an international organization, begun in Israel, which holds nonviolent vigils protesting violence toward women and children. Motivated by Steven's revelations, her love for her sister, and her budding political sensibility, Kara (with Juanita) decides to open a local chapter of Women In Black to protest the invasion of Iraq. Throughout the play Kara struggles with her feelings of isolation, frustration, fear, ignorance and helplessness to begin to understand her own views and to find the courage--against the opposing voices--to express herself publicly on matters important to her.--Publisher's website.

New Korean Wave Dal Jin, 2016-03-15 The 2012 smash Gangnam Style by the Seoul-based rapper Psy capped the triumph of Hallyu, the Korean Wave of music, film, and other cultural forms that have become a worldwide sensation. Dal Yong Jin analyzes the social and technological trends that transformed South Korean entertainment from a mostly regional interest aimed at families into a global powerhouse geared toward tech-crazy youth. Blending analysis with insights from fans and industry insiders, Jin shows how Hallyu exploited a media landscape and dramatically changed with the 2008 emergence of smartphones and social media, designating this new Korean Wave as Hallyu 2.0. Hands-on government support, meanwhile, focused on creative industries as a significant part of the economy and turned intellectual property rights into a significant revenue source. Jin also delves into less-studied forms like animation and online games, the significance of social meaning in the development of local Korean popular culture, and the political economy of Korean popular culture and digital technologies in a global context.

Walk the Dog Isabel Jolie, 2020-06-08 Delilah Daniels Against my better judgment, I agree to dogsit for my friend. As I feared, it does not go well. As a matter of fact, it goes so poorly that we end up at the vet- the dog's fault, not mine. On the bright side, Dr. Herriot could star in his own veterinary reality TV show, if there is such a thing. The man is sex in scrubs. This vet might just become the highlight of my year. As it turns out, not only is he single, but he also needs some fun in his overworked life. And fun? That I can do. I'm all about enjoying these years before I return home to New Orleans. Mason Herriot My daughter is my world. The fledgling veterinary practice is my career and my passion. As a single dad, I couldn't balance both without help from others. Some days, it doesn't feel like I'm balancing anything at all. Delilah Daniels walks into the clinic on one of those days. My partners are out with the flu, and I, once again, am stuck at work. I can't even explain why I ask her out. It's spontaneous. There's an energy to her. A zest for life. And there's something about how she cares for her friend's dog. We aim for casual. I may be a single dad, but I'm not blind. Delilah packs some curves and it proves hard to keep those dates family-friendly. In a nanosecond, casual loses all appeal. We can make this work. If I can convince Delilah her home's no longer in the Big Easy... The Wizard For All Joan Walsh, 2023-04-28 FUNNY, SAD, ENLIGHTENING--- THOUGHT PROVOKING INSIGHTS INTO AMERICAN HISTORY AND LIFE IN THE TWENTY FIRST CENTURY-- NOT JUST ANOTHER JADED AMERICAN PYSCH--- TAKE THE JOURNEY WITH TRAVIS N. TARKINGTON, A ROGUE DRONE KNOWN AS NINER, AND A CLONE NAMED ZEL AS THEY SEARCH FOR ANSWERS TO HOW HU-MANIMALS BECAME THE LEAST VALUED OF ALL SPECIES AND HOW THE ETERNALS CAME TO POWER. CS Lewis that I began to see that astute and watchful men were aware of this progressive movement during the ages in which they lived. Anyway, what Lewis was saying about his world in the 1940's was that socialism already waxed a sway over people. He talks about society being ignorant (willingly so) due to their attachment to the existing humanistic philosophies of his generation. Lewis wasn't the only writer to see this blackness creeping into the political agenda of men. Hundreds of writers throughout history knew of this sinister thread being woven into the mural of mankind. I had only found one small thread. I wanted to know how we got to the point where our own government killed us and called us Hu-manimals instead of people. It is so outrageous, so insane that I couldn't believe it myself, and how did you convince others of a plot even you could not believe? I needed proof. Of course the SG had sent these flying bird drones to kill off us remaining stragglers. The cowards had not come themselves. It was a numbing realization to know you were targeted for extinction. It struck me that reality had flipped flopped. It was hunting season in reverse. Blimy! This time the drone birds had the guns, and they were shooting first! A JOURNEY OF DISCOVERY, TRUTH, AND ONE THAT BY THE END BECOMES AS CLEAR AS A YELLOW BRICK ROAD-
