Lucky Cow Mark Pett, 2010-04-01 Sacred cows make the best hamburger. --Mark Twain Virtually every American, regardless of social status, eats fast food. Cartoonist Mark Pett's Lucky Cow strip embodies the spirit of America's love-hate affair with fast-food joints and the traits they have in common: * High turnover: Two Lucky Cow employees argue over who has seniority; the one who was hired at 9:30 that morning eventually wins. * Uniformity: A Lucky Cow employee boasts that a customer can visit any of the restaurant's franchises and they are all the same--right down to the lackluster customer service. * Cleanliness (or lack of it): People's shoes adhere to the sticky floors, and an employee's skin absorbs so much of the restaurant's grease that water rolls right off it. * Food quality: The response to a customer's query about the Lucky Cluck Chicken Nuggets being organic is met with, Well, they're made from organs. To help ensure that Lucky Cow would feel authentic, cartoonist Mark Pett worked at McDonald's for a month, experiencing fast-food culture for himself and interviewing his coworkers about their lives in the business. So it really is funny because it's true.

"Karma" Hashim Conner, 2006-06-30 (Kar-ma - The sum of a person's actions during the successive phases of his or her existence, regarded as determining his or her destiny in future incarnations.) "Karma" it's all around us affecting our everyday lives, we're absorbed by it. It's as real as the air we breathe, and the love we share. Just like the love we feel and the air we breathe it's going on without being seen. No one is more affected by this than Christopher. After years of sexual escapades, breaking hearts, and in the end ruining good women over and over again, he thought that he had finally found the ONE. There was something different about her, she had a certain realness about herself, she was special. So special in fact that instead of her being head over heels for him like so many others before her,

it was the complete opposite. It was she that had him wide open, and in the end it would be him that would have to pick up the pieces of his broken heart, and find a way to go on with his existence.

The Karma of Self, Volume II: A Karmic List Vasile

Munteanu,2019-08-16 A Karmic List This is the second volume of The Karma of Self where the same narrator addresses the issue of the influence of emotions in one's existence. In The Karma of Self the narrator makes the following promise: "It occurred to him that perhaps he should make a list of all the strongest emotions he had experienced, and figure out which ones had been running his life without him being aware of it. Some of them came to mind right away, but he didn't want to act hastily in this situation since the results had the potential to be quite revealing." The present book is a fulfillment of that initial promise and a meditation on the results of this inquiry.

It uses exciting metaphors, allegories, and stories that go beyond the traditional way of explaining philosophy. Additionally, the book discusses how karma, which is the aggregation of one's actions carried forward from one's past lives and the current day, plays a role in everyday life. Karma Arsen Darnay, 1978

The Karma Chronicles Pepper Carlson, 2017-01-20 What if karmic debt is real and the powers that be are eagerly waiting to collect? It is said we all have karmic debt and we get seven years to pay it back. We have a responsibility to settle these debts, hopefully learning from our mistakes so we don't have to go back to that chapter in the lesson book. With good karma, we do good deeds so we will reap what we sow. What about the price tag for bad karmic debt? Do we really have to spend seven lifetimes to get it right? In the first book of *The Karma Chronicles*, Hadrian's Seal, a twin dies at birth and leaves her little sister behind to enter the combat zone. With her last breath comes the gift of ageless wisdom and divine intelligence. She mysteriously summons the archangels to help her and learns they were

expecting her beckoning call all along.

Karma Sense Karma Dar,Karma Ken Tipton,2016-10-10 Do you want to live a happy and fulfilled life? Happiness and fulfillment have less to do with how were treated and much more to do with how we treat others. When we focus on treating those around us with kindness and promoting positivity, we not only brighten the lives of those we touch, but in turn we also improve our own happiness, well-being, and wealth. In *Karma Sense*, authors Karma Dar and Karma Ken Tipton discuss 101 ways to increase your Karma Quotient in your daily life, improving the lives of others and yourself. Its based on the nonreligious concept of What goes around, comes around. Good Karma comes from simply doing the right thing. The Tiptons offer suggestions for positive interactions with family, friends, your community, and even your pets. *Karma Sense* details the basic fundamentals Darlene and Ken have used successfully over the years to enhance quality of life. It shows how, one gesture at a time, you will become a better person with great karma, and you will transform your life. Own your actions, make amends, then move ahead.

We used to have a thing, but that was before he learned I’m a witch and tried to kill me. Eighteen months later, he’s back in my life and we have a deal; I’ll help him save his brother and he’ll disappear from my life for good. But karma can be a real bitch...
