

Kawaii Snow Globe 10

Liliuokalani (Queen of Hawaii)

The Snow Globe Family Jane O'Connor,2006-09-07 Oh, when will it snow again? wonders the little family who lives in the snow globe. They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.

There are snow globes commemorating almost anyone & anything: FDR & Ronald Reagan, baseball, Star Trek, the Addams Family, the Rockettes, & yes, even Spam! And for a souvenir of that perfect vacation on the beach, what could be better than snow falling on Key West? This book is filled with amazing examples of these magical treasures that seem to captivate everyone. Over 150 color photos.

Snow Globe Town Quipoppe Publications, 2017-12-05 Snow Globe Town Bullet Journal - A Regular Size Bullet Journaling Notebook. Dotted pages (actually: little crosses for each of drawing your own boxes) easy writing. 6 by 9, 128 writable pages. Fun snow globe themed cover and cute floral illustrations inside. Why Write? Writing with pen and paper helps to boost creativity. Helps to improve your memory. Helps to structure your thoughts. Writing on paper is just as important now as it was 10, 20, 50 years ago. Maybe even more. Online media offer many distractions. It's so easy to quickly click or swipe. You might almost forget to just sit down and write down your thoughts, your list of things,

draw or doodle whatever is on your mind. Many people talk about mindfulness, conscious living, but getting this notebook and taking time to write or draw helps to get some rest, to get grounded, to pace yourself. Creativity and Inspiration Writing by hand will increase your creativity. It helps you focus your energy and support your flow. Whether you are structuring strategic plans, organising your day, writing your next book, or jotting down your thoughts as a reminder, writing it down makes your creative juices flow. More and better ideas. Quicker and easier.

Bullet Journaling This journal has numbered pages and allows you to organize your journal the way you want. Plenty of room for index, daily log, monthly log, rapid logging, future log, to do lists, lists of books, movies, plans, business ideas, home decoration ideas, monthly calendar page, monthly tasks page, etc. It's totally flexible to use the way you want to use it.

Organising and Memorising Writing down your goals, actions and achievements helps to accomplish more, and to feel proud and successful of what you have achieved. Feeling better.

Besides, it has been scientifically proved that writing things down will increase your memory. Last but not least, writing down your experiences and reflections will help to process and manage emotions,

and support self-improvement. (We suspect one journal will not be enough, for all the things you can do with pen and paper). A perfect gift and unique present Our Journals and Notebooks are great gifts presents for ladies, women, mom, mother, aunt, sister, girlfriend, teacher, valentine's day, christmas, or on any other occasion. And don't forget mother's day, graduation gifts, co-workers or boss, birthdays, gift baskets or stocking stuffers, your hostess. Or just for yourself, as a daily journal, travel journal, doodle diary, school workbook, grocery lists, to collect poems or recipes, writing stories. And so much more...
