Visit939Iowa Seth Varner,2021-11-25 Immerse yourself in the heart of America's corn belt as travel companions and adventurers Seth Varner and Austin Schneider take a unique trek across the Mighty Mo' and discover all that the State of Iowa has to offer. Packed with fun facts, silly stories, and thousands of photos, readers will develop a deep appreciation for The Hawkeye State and all of its hidden gems.

The \$80 Billion Gamble Terry Rich,Perry Beeman,2019-05-05 Eddie Tipton went to prison in 2017 for masterminding the biggest lottery fraud in U.S. history. In a twisting and bizarre tale, he somehow mixed a cocktail of greed, Bigfoot hunting, deception, cybercrime and a love of hot dogs on his way to a felony conviction after he and several accomplices scored a series of jackpots from rigged drawings but fell short on the biggest score' of them all. Call it The \$80 Billion Gamble because the future of the entire lottery industry was at risk if someone didn't solve this case of computer tampering and multimillion-dollar prizes. Tipton's downfall made international news, but this book tells the story of the investigators and public officials who solved the mystery. Veteran journalist Perry Beeman and retired lottery executive Terry Rich use a vivid mixture of recorded phone calls, court documents, personal communications and the public record to give readers an exclusive inside view of one of the most surprising and captivating white-collar crimes the nation has seen. It's a wild story of greed and misplaced confidence, and a study in public officials whose determination survived a nearly cold trail, a team that insisted on being transparent and sticking with the case. As you'll read in these pages, they did - against long odds.

Arguing with Socialists Glenn Beck,2020-04-07 A NEW YORK TIMES BESTSELLER The New York Times bestselling author of The Great Reset arms you to the teeth with information necessary to debunk the socialist arguments that have once again become popular, and proves that the free market is the only way to go. With his trademark humor, Beck lampoons the resurgence of this bankrupt leftist philosophy with thousands of stories, facts, arguments and easy-to-understand graphics for anyone who is willing to ask the hard questions. He shows that this new shiny socialism is just the same as the old one: a costly and dangerous failure that leaves desperation, poverty, and bodies in its wake.

Conversations Jack Selzer,Dominic Delli Carpini,2005-04 With more than 130 readings and 24 pages of visual arguments, Conversations offers an extraordinary variety of authors, genres, voices, and viewpoints on important contemporary civic issues. Touching on issues that affect students both as individuals and as citizens, the readings and visuals invite students to join important civic conversations through their own writing. For each issue addressed, Conversations offers not just one or two selections, but several--reminding students that no issue has just one or two sides, but usually involves a wide range of voices. Frequently, selections comment on and argue with other selections, demonstrating that writing is a social exchange, and that much writing is a response to what we read. The images included in this new edition also remind students that we regularly read--interpret and respond to--not only words, but visual arguments found in photographs, artworks, cartoons, advertisements, and websites.

Pigsty Mark Teague,2004-06-01 Wendell Flutz's room isn't a mess. It's a total pigsty. But Wendell's mother can't get him to clean it up. Wendell doesn't think the mess is so awful. In fact, he doesn't even mind it when one day he discovers a real pig sitting on his bed. Full color.

Josiah's Fire Tahni Cullen, Cheryl Ricker, 2016-09-01 Where is hope when there is no hope? First-time parents Joe and Tahni Cullen were thrust into the confusing world of autism when their toddler, Josiah, suddenly lost his ability to speak, play, and socialize. The diagnosis: Autism Spectrum Disorder. In their attempts to see Josiah recover and regain speech, the Cullens underwent overwhelming physical, emotional, and financial struggles. While other kids around him improved, Josiah only got worse. Five years later, Josiah, who had not been formally taught to read or write, suddenly began to type on his iPad profound paragraphs about God, science, history, business, music, strangers, and heaven. Josiah's eye-opening visions, heavenly encounters, and supernatural experiences forced his family out of their comfort zone and predictable theology, catapulting them into a mind-blowing love-encounter with Jesus. Find hope in hardship. Catch a fresh glimpse of heaven. Learn to hear and trust God's voice. Identify the roles of Father, Son, and Spirit. Be aware of the workings of angels, and much more! Follow a trail of truth into Josiah's mysterious world, and see why his family and friends can no longer stay silent.

On All Fronts Clarissa Ward, 2021-09-07 "On All Fronts: The Education of a Journalist beautifully outlines . . . what it means to seek the truth. It gave me a new faith in the power of reporting." -Oprah Winfrey The recipient of multiple Peabody and Murrow awards, Clarissa Ward is a world-renowned conflict reporter. In this strange age of crisis where there really is no front line, she has moved from one hot zone to the next. With multiple assignments in Syria, Gaza, Ukraine, and Afghanistan, Ward, who speaks seven languages, has been based in Baghdad, Beirut, Beijing, and Moscow. She has seen and documented the violent remaking of the world at close range. With her deep empathy, Ward finds a way to tell the hardest stories. On All Fronts is the riveting account of Ward's singular career and of journalism in this age of extremism. Following a privileged but lonely childhood, Ward found her calling as an international war correspondent in the aftermath of 9/11. From her early days in the field, she was embedding with marines at the height of the Iraq War and reporting from the center of Israel's war with Hezbollah. Soon she was soon on assignment all over the globe. From her multiple stints entrenched with Syrian rebels to her deep investigations into the Western extremists who are drawn to ISIS, Ward covered Bashar al-Assad's reign of terror without fear and with courage and compassion. In 2018, Ward rose to new heights at CNN and became a mother. Suddenly, she was doing this hardest of jobs with a whole new perspective. On All Fronts is the unforgettable story of one extraordinary journalist—and of a changing world.

Fighting for Air Eric Klinenberg, 2007-01-09 A groundbreaking investigative work by a critically acclaimed sociologist on the corporate takeover of local news and what it means for all Americans For the residents of Minot, North Dakota, Clear Channel Communications is synonymous with disaster. Early in the morning of January 18, 2002, a train derailment sent a cloud of poisonous gas drifting toward the small town. Minot's fire and rescue departments attempted to reach Clear Channel, which owned and operated all six local commercial radio stations, to warn residents of the approaching threat. But in the age of canned programming and virtual DJs, there was no one in the conglomerate's studio to take the call. The people of Minot were taken unawares. The result: one death and more than a thousand injuries. Opening with the story of the Minot tragedy, Eric Klinenberg's Fighting for Air takes us into the world of preprogrammed radio shows, empty television news stations, and copycat newspapers to show how corporate ownership and control of local media has remade American political and cultural life. Klinenberg argues that the demise of truly local media stems from the federal government's malign neglect, as the agencies charged with ensuring diversity and open competition have ceded control to the very conglomerates that consistently undermine these values and goals. Such big media may not be here to stay, however. Eric Klineberg's Fighting for Air delivers a call to

action, revealing a rising generation of new media activists and citizen journalists—a coalition of liberals and conservatives—who are demanding and even creating the local coverage they need and deserve.

Derecho 911 Carolyn S. Wettstone, Terry Swails, 2020-11-26 Derecho 911 chronicles the historic derecho of 2020 which devastated a large portion of Iowa. The book explores in-depth the meteorological conditions that caused the storm as well as why it has a special place as one of the most extreme wind storms in United States history. We look at other derechos in Iowa's past and how this compares to previous natural disasters. We also explore the human side of how this storm impacted the people of Iowa: its agriculture, its power grid, tree canopy, and many compelling sidebars related to the disaster.

The Iowa Precinct Caucuses Hugh Winebrenner, Dennis J. Goldford, 2010 Although some people refer to Iowa as “flyover country,” presidential candidates and political reporters in the national press corps have no difficulty locating the state every four years at the beginning of presidential primary season. When Iowa Democrats pushed forward their precinct caucuses in 1972, the Iowa caucuses became the first presidential nominating event in the nation. Politicos soon realized the impact of Iowa's new status and, along with the national media, promoted the caucuses with a vengeance. The Iowa Precinct Caucuses chronicles how the caucuses began, how they changed, and starting in 1972 how they became fodder for and manipulated by the mass media. Hugh Winebrenner and Dennis J. Goldford argue that the media have given a value to the Iowa caucuses completely out of proportion to the reality of their purpose and procedural methods. In fact, the nationally reported “results” are contrived by the Iowa parties to portray a distorted picture of the process. As presidential primaries have grown in the media spotlight and superseded the parties' conventions, Iowa has become a political proving ground for the confident, the hopeful, and the relatively unknown, but at what cost to the country? The third edition of this classic book has been updated to include the elections of 2000, which saw the first winner of the Iowa caucuses to reach the White House since 1976; of 2004 and the roller-coaster fortunes of Howard Dean and John Kerry; and of 2008 and the unlikely emergence of Barack Obama as a presidential contender.

A Dad's Devotion Steven R. Brewer, 2022-01-08 A Dad's advice on how to live life through spiritual reflections from God's word.

America's Climate Century Rob Hogg, 2013-04-15 In *America's Climate Century*, Iowa Senator Rob Hogg calls on Americans to make the fight against climate change our new national purpose. Climate change is the defining historical issue of the 21st Century. After the heat and drought of 2012, Hurricane Sandy, and all of the other recent climate disasters, it is time for America to take climate action. Having represented Cedar Rapids during an unprecedented flood that caused billions in damage in 2008, Senator Hogg brings a dose of reality to the issue of climate change. What happens this century—ever-worsening climate disasters or effective action to fight climate change—depends on the knowledge and action of every American. It depends on you. With a fresh, personal, accessible and straight-talking approach, this is the one book you need to read to understand why the 21st Century is America's climate century and how you can help.
