How to Keep Rolling After a Fall Karole Cozzo,2016-08-02 The party was at her house. The photos were posted to her Facebook account. That's all the evidence anyone needed to condemn Nikki Baylor for a cyberbullying incident that humiliated a classmate and nearly resulted in the girl's suicide. Now Nikki's been expelled from her school, her friends have abandoned her, and even her own parents can't look her in the eye. With her plans for the future all but destroyed, Nikki resigns herself to being the girl everyone hates - almost as much as she hates herself. But then Nikki meets Pax, a spirited wheelchair rugby player who knows what it's like when one mistake completely shatters your life. Refusing to judge her because of her past, he shows her that everyone deserves a second chance... and everyone deserves to be loved.

My Wheels Keep Rolling Michael McDonnell,2017-04-13 In this autobiography, I aim to showcase the positive as well as the negative experiences during my life with my disability, Muscular Dystrophy. This book is divided into three main periods; grade school, high school and college. Within each period of my life, I made friends, lost friends, dealt with bullies and other social complications. These situations have forced me to develop a strong resolve and has helped me remain positive despite the issues that I was facing. In recounting my school years, I reflected on various classes that I took and the challenges I encountered. This book not only recounts my challenges but also shines a light on the happy moments within each time period such as fun vacations, good times with friends and my many hobbies that have kept me going. Overall, this book is about my disabled life and my quest to live a normal life despite my disability.

Keep on Rolling! Gary Legwold,Erik Sherburne,2017-08-24 When lefse aficionado Gary Legwold wrote The Last Word on Lefse, he was concerned that the grand old practice of lefse making was dying. Keep 'Em Rolling Barbara K Greenleaf,2021-02-15 High school senior Sunny Chung takes a class in auto repair at her local community college, the first step in fulfilling her dream of going into the automotive industry. Her father, a first-generation Chinese immigrant, wants her to become a computer programmer like him and not what he calls a grease monkey. In the course of the novel, which is partially set in the early days of COVID-19, Sunny overcomes her shyness, learns to stand up for herself, navigates a wholesome relationship with a boy, and takes newfound pride in her Chinese-American community. Here, you'll meet a whole family, including siblings and sympathetic grandparents, who play a large role in Sunny's life. This book won several prestigious endorsements: At Virtual Enterprises International, we provide students with the unique experience of running a business from the ground up-empowering them to obtain the skills and knowledge they will need to solve complex problems and think like an entrepreneur. As they test drive future careers, they learn to work collaboratively and use technology as applied in business. Keep 'Em Rolling exemplifies our mission. For many years Barbara Greenleaf mentored VEI students at her local high school, and the result is this relatable and inspirational story of a girl who learns to stand up for herself to realize her dreams. Iris Blanc, Founder, Virtual Enterprises International, Inc.As a first generation Chinese-American with an independent-minded daughter of my own, I applaud Barbara Greenleaf for depicting Sunny Chung, her family, and her community in a positive but realistic light. Ms. Greenleaf has brought each character to life as an individual with definite-if clashing-ideas. Her insights into Sunny's emotional life as she learns to navigate and mediate between different cultures and age groups will resonate strongly with teens. In Keep 'Em Rolling, you'll meet three generations of a family whose culture may be different from yours but whose dynamics will be very familiar. Susette H.H.C. Naylor, A.I.A. Member EmeritaThrough my work as Chair of the Masters in Business Administration at Antioch University Sant Barbara, I encountered students who were determined and resourceful but lacked self-confidence, just like Sunny Chung in 'Keep 'Em Rolling'. Over time, though, with the right encouragement, education, and guidance, these students found their way and ultimately became successful in their chosen fields. This novel will help other young people find their way, too. Anna Kwong, M.B.A. Chair, Antioch University Santa BarbaraAt SCORE, more than 10,000 volunteer Mentors guide and educate those who want to start or expand their small business. These entrepreneurs greatly increase their chances of success by attending SCORE workshops and getting one-on-one coaching from experienced Mentors. Although few clients come to us while in high school, the heroine of Keep 'Em Rolling has the skills and desire to take advantage of what we have to offer. Barbara Greenleaf, herself a SCORE client, has facilitated our workshops for women. Here, she has written a totally relatable and inspirational story of a girl who learns to stand up for herself in order to realize her dreams. John

Richardson, SCORE MentorLike the heroine of 'Keep 'Em Rolling', I grew up in California and was smitten with cars from an early age. I was also lucky enough to work in the automobile industry for part of my career. If you're a car guy, there's nothing better than eating, breathing, and talking automotive all day. Barbara Greenleaf perfectly captures this infatuation with cars and turns it into a story that will inspire teens, whether they own a car or not.Earl Gandel, Classic car collector

Born to Write Mark Galsworthy,2012 Mal heiter, mal nachdenklich, dann wieder bissig oder amüsant, aber immer voll auf den Punkt erheitern die Geschichten von Mark Galsworthy. Sein Blick für das Wesentliche bleibt dem Leser seiner Kurzgeschichten nicht verborgen, ebenso seine Beobachtungsgabe und Menschenkenntnis. Ihm entgehen die alltäglichen Situationen zwischen Menschen nicht und er versteht es, wie kein Anderer, sie in seinen Kurzgeschichten zu verpacken und dem Leser zu servieren. Es lässt sich nicht vermeiden, dass sich der eine oder andere wieder erkennt!

Rolling Into Bed Anthony Walls,2022-04-14 For those of us who are afraid we don't have what it takes to face our fears on our own, this story reminds us we have the skills and power to do so no matter how big and scary the problem, or monster, is. Most people think martial arts are for self-defense. While this is true, the art of Jiu-Jitsu also teaches us to have respect for ourselves and others. With this mutual respect, we can, through our actions, learn from one another. In this story, a child remembers how to use Jiu-Jitsu she knows to face her bedtime fear of monsters being under the bed. In so doing she remembers the real reason she learned this martial art, gains new friends through earning their respect, and teaches them the right way to go to sleep.
