Keith Linder

Real Estate Prospecting Loren K. Keim,2008 In the Real Estate industry, as in most sales professions, prospecting is a dirty word. Far too many people enter the field of Real Estate believing they can wait for the phone to ring and earn a great living. Unfortunately, many new agents set themselves up for failure by this approach to the business.A real estate professional's goal is to list and sell real estate. One of the primary keys to being successful is to identify those people who truly want or need to move, and find a way to meet with them. This concept of identifying and targeting likely buyers and sellers is called prospecting, and it is a process, not an event.

Washington Real Estate Practices Kathryn J. Haupt,2011

The Bothell Hell House Keith Linder,2018-02-08 Based on a True Story. In 2012, Keith Linder and his girlfriend took up residency in a Seattle suburban home. Within days of moving in, they became victim to some of the most hellish treatments attributed to malevolent activity. Prepare yourself, because this tale is like no other. A well written Forward lets you know what's about to come. Hell is coming. Pure hell. Keith Linder has not only decided to share his horrible experience. But he's also decided to include video and audio evidence (in the order of which they occurred). Video reenactments of what scared him the most. Aftermath pictures of what attacked them combined with the audio and video evidence are what set this book apart from other haunted tales. Finally, the truth comes out about what happened in that house. What Keith and his girlfriend lived through and equally important what others before him lived through is spread throughout the book in a chilling way. Yes, this house was featured on Travel Channels Ghost Adventures episode titled Demons in Seattle. The episode where Zak Bagans and crew left empty-handed. Keith Linder explains why they left handed. The reader is not going to have that problem. The horror we witnessed will be explained in black and white. Some even in color. I wish I could say the same for what created it. Get ready. The Bothell Hell House: Poltergeist of Washington State is finally here ladies and gentlemen. The truth.
