Planning Your Wedding Sucks Joanne Kimes, 2010-11-18 Bling. Flowers. Tulle. The three things that every little girl dreams of when she pictures her wedding day. What she doesn't consider is the stuff of nightmares: Overdrawn checking accounts. Drunk relatives. The seating chart that looks like a road map. In this book, Joanne Kimes and Elena Donovan Mauer expose the tedious (and often traumatic) tasks that really go into pulling off a wedding. From dealing with overbearing mothers-in-law and making time for their lovable, but clueless, fiancés to suffering through endless alterations and meetings with the con artists known as vendors, there's a lot that you need to know. After all, a wedding is supposed to be something you look forward to—not something you have to endure before the honeymoon! Armed with Kimes' trademark, no-holds-barred humor, Donovan Mauer's bridal industry know-how, and copious amounts of wine, you'll get through the stress of planning your weddings with style, humor, and grace. Or, at the very least, without beating members of the wedding party with that \$500 bouquet.

The Case for Marriage Linda Waite, Maggie Gallagher, 2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of

family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

The book also reveals important aspects of the Royal Family and explains how

Mercy in Her Eyes John Kenneth Muir,2006 (Applause Books). This the first book to examine the films of the acclaimed and popular Indian-born and Harvard educated filmmaker, Mira Nair. A unique voice in cinema today, she is one of the few female directors who made it to the top of a male-dominated profession. Her films feature an incomparably sensuous visual style yet at the same time often record the injustice of the disenfranchised and the cross-pollination of East and West. Her twin themes of realism and romance make for dazzling cinema. John Kenneth Muir analyzes all of Nair's work, including: *Salaam Bombay!* (1988), the groundbreaking story of a young boy abandoned by his family on the streets of Bombay; *Mississippi Masala* (1991), an interracial small town romance between an Indian woman (Sarita Choudhury) and an African American businessman (Denzel Washington); *Monsoon Wedding* (2001), featuring a Bollywood carnival atmosphere, one of the most successful foreign films ever released in the United States; *Hysterical Blindness* (2002), the HBO film featuring Uma Thurman and Juliette Lewis, looking for love in all the wrong places; The big-budget Hollywood adaptation of the Thackery novel *Vanity Fair* (2004), starring Reese Witherspoon, Gabriel Byrne,

and Eileen Atkins.

Once in a Blue Moon Steve Worthington,2011-08-31 Once in a Blue Moon is the story of one man's never-ending affair with Manchester City. Be it playing, watching or managing, Steve 'Worthy' Worthington's life in football has never been easy. Having suffered an almost fatal road accident in the week before his ninth birthday, any aspirations for global stardom as a player were crushed beneath the wheels of a speeding Triumph Spitfire in 1971. As a spectator he fared no better. Over the years Manchester City and England addicts have experienced many disappointments - most of which he was there to see. As manager of his beloved Sunday League club Lee Athletic, success was a word used only on the odd occasion when he persuaded his team to turn up sober and in time for kick-off. But two things that have always kept him going were his love of the local 'Indie' music scene and an ability to find humour during the darkest of times. Join him on a vivid journey that takes you into the beating heart of 1960s and '70s working class Manchester: through five decades of football (and a bit of cricket), music and people, in the

eyes and ears of an everyday bloke who turned constant failure into final triumph.

Vernacular Catholicism, Vernacular Saints Reid B. Locklin,2017-03-27 A collection of Raj's groundbreaking ethnographic studies of "vernacular" Catholic traditions in Tamil Nadu, India. Finalist for the 2018 Best Book in Hindu-Christian Studies presented by the Society for Hindu-Christian Studies At the turn of the twenty-first century, Selva J. Raj (1952–2008) was one of the most important scholars of popular Indian Christianity and South Asian

religion in North America. Vernacular Catholicism, Vernacular Saints gathers together, for the first time in a single volume, a series of his groundbreaking studies on the distinctively “vernacular” Catholic traditions of Tamil Nadu in southeast India. This collection, which focuses on four rural shrines, highlights ritual variety and ritual transgression in Tamil Catholic practice and offers clues to the ritual exchange, religious hybridity, and dialogue occurring at the grassroots level between Tamil Catholics and their Hindu and Muslim neighbors. Raj also advances a new and alternative paradigm for interreligious dialogue that radically differs from models advocated by theologians, clergy, and other religious elite. In addition, essays by other leading scholars of Indian Christianity and South Asian religions—Michael Amaladoss, Purushottama Bilimoria, Corinne G. Dempsey, Eliza F. Kent, and Vasudha Narayanan—are included that amplify and creatively extend Raj’s work. Reid B. Locklin is Associate Professor of Christianity and the Intellectual Tradition at St. Michael’s College, University of Toronto. He is the author of *Spiritual But Not Religious? An Oar Stroke Closer to the Farther Shore* and *Liturgy of Liberation: A Christian Commentary on Shankara’s Upadeśasāhasrī*, as well as the coeditor (with Mara Brecht) of *Comparative Theology in the Millennial Classroom: Hybrid Identities, Negotiated Boundaries*.
