Good and Cheap Leanne Brown, 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for *Good and Cheap* is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, *Good and Cheap* is poised to become a cookbook that every food lover with a conscience will embrace.

The Handbook of Historical Linguistics, Volume II Richard D. Janda, Brian D. Joseph, Barbara S. Vance, 2020-09-15 An entirely new follow-up volume providing a detailed account of numerous additional issues, methods, and results that characterize current work in historical linguistics. This brand-new, second volume of *The Handbook of Historical Linguistics* is a complement to the well-established first volume first published in 2003. It includes extended content allowing uniquely comprehensive coverage of the study of language(s) over time. Though it adds fresh perspectives on several topics previously treated in the first volume, this Handbook focuses on extensions of diachronic linguistics beyond those key issues. This Handbook provides readers with studies of language change whose perspectives range from comparisons of large open vs. small closed corpora, via creolistics and linguistic contact in general, to obsolescence and endangerment of languages. Written by leading scholars in their respective fields, new chapters are offered on matters such as the origin of language, evidence from language for reconstructing human prehistory, invocations of language present in studies of language past, benefits of linguistic fieldwork for historical investigation, ways in which not only biological evolution but also field biology can serve as heuristics for research into the rise and spread of linguistic innovations, and more. Moreover, it: offers novel and broadened content complementing the earlier volume so as to provide the fullest available overview of a wholly engrossing field includes 23 all-new contributed chapters, treating some familiar themes from fresh perspectives but mostly covering entirely new topics features expanded discussion of material from language families other than Indo-European provides a multiplicity of views from numerous specialists in

linguistic diachrony. The Handbook of Historical Linguistics, Volume II is an ideal book for undergraduate and graduate students in linguistics, researchers and professional linguists, as well as all those interested in the history of particular languages and the history of language more generally.

MRI from Picture to Proton Donald W. McRobbie, Elizabeth A. Moore, Martin J. Graves, Martin R. Prince, 2007-02-15

MRI from Picture to Proton presents the basics of MR practice and theory in a unique way: backwards! The subject is approached just as a new MR practitioner would encounter MRI: starting from the images, equipment and scanning protocols, rather than pages of physics theory. The reader is brought face-to-face with issues pertinent to practice immediately, filling in the theoretical background as their experience of scanning grows. Key ideas are introduced in an intuitive manner which is faithful to the underlying physics but avoids the need for difficult or distracting mathematics. Additional explanations for the more technically inquisitive are given in optional secondary text boxes. The new edition is fully up-dated to reflect the most recent advances, and includes a new chapter on parallel imaging. Informal in style and informed in content, written by recognized effective communicators of MR, this is an essential text for the student of MR.

Golden Age Captain America Omnibus Volume 1 ,2014-03-04 Steve Rogers might have been the prototypical 98-pound weakling, but that wasn't going to stop him from serving his country. Transformed by the Super-Soldier Serum into America's #1 fighting man, he became a symbol of patriotism, hope and perseverance on the eve of the nation's entrance into World War II. Now at long last, you can experience the original Golden Age adventures of the Sentinel of Liberty from his 1941 inaugural appearance in one deluxe, oversized and remastered package! You'll meet Bucky Barnes and the Red Skull for the first time, behold Simon & Kirby's trend-setting brand of storytelling - and even read Stan Lee's very first comic book tale! So salute, soldier...Captain America has arrived! COLLECTING: CAPTAIN AMERICA COMICS 1-12

Lady Mechanika Joe Benitez, 2021-08-17 OVERSIZED HARDCOVER (7.25 x 10.875) A newly remastered edition of the steampunk adventure series' first volume, featuring a revised script and updated lettering, in an oversized hardcover format. In a Victorian world filled with flying dirigibles and clockwork automatons, a young woman searches desperately for the secrets to her past - a past that left her with extraordinary, but unnatural, mechanical limbs. Collects LADY MECHANIKA #0-5

LADY MECHANIKA: THE MONSTER OF THE MINISTRY OF HELL #1 (OF 4) Joe Benitez, 2021-12-08 In a Victorian asylum full of grotesque inmates, sadistic guards, and a fanatical doctor, a young lady wakes to find her arms and legs have been replaced with mechanical limbs. But who among this gruesome menagerie is the true monster of the Ministry of Hell? The origins of the notorious adventuress known as Lady Mechanika!

Good Enough Leanne Brown, 2022-01-11 You've got this! Good enough is a cookbook, but it's as much about the healing process of cooking as it is about delicious recipes. It's about acknowledging the fears and anxieties many

of us have when we get in the kitchen, then learning to let them go in the sensory experience of working with food. It's about slowing down, honoring the beautiful act of feeding yourself and your loved ones, and releasing the worries about whether what you've made is good enough. It is. A generous mix of essays, stories, and nearly 100 dazzling recipes, *Good Enough* is a deeply personal cookbook. It's subject is more than Smoky Honey Shrimp Tacos with Spicy Fennel Slaw or Sticky Toffee Cookies; ultimately it's about learning to love and accept yourself, in and out of the kitchen.

Batman: White Knight Sean Murphy, 2018-10-09 The impossible has happened: The Joker has become...sane. Batman: White Knight follows the man now known as Jack Napier as he embarks on a quest to heal the city he once terrorized. After reconciling with his long-suffering partner, Harley Quinn, he sets in motion a carefully plotted campaign to discredit the one person whom he views as Gotham City's true enemy: Batman. His crusade exposes a decades-long history of corruption within the Gotham City Police Department and transforms Napier into a city councilman and civic hero. But when the sins of his past return to threaten everything that he has accomplished, the distinctions between savior and destroyer begin to break down for both The Joker and Batman alike—and with them any hope for Gotham's future. Writer and artist Sean Murphy delivers an extraordinary examination of comics' greatest antagonists in *Batman: White Knight*, exploring justice, corruption, activism and the darkest depths of mental illness. Collecting the acclaimed eight-issue miniseries, this stunning graphic novel also marks the debut of the DC Black Label imprint, which features classic DC characters in all-new, standalone stories written and illustrated by world-class authors and artists.

Deadly Monopolies Harriet A. Washington, 2012-11-13 From the award-winning author of *Medical Apartheid*, an exposé of the rush to own and exploit the raw materials of life—including yours. Think your body is your own to control and dispose of as you wish? Think again. The United States Patent Office has granted at least 40,000 patents on genes controlling the most basic processes of human life, and more are pending. If you undergo surgery in many hospitals you must sign away ownership rights to your excised tissues, even if they turn out to have medical and fiscal value. Life itself is rapidly becoming a wholly owned subsidiary of the medical-industrial complex. *Deadly Monopolies* is a powerful, disturbing, and deeply researched book that illuminates this “life patent” gold rush and its harmful, and even lethal, consequences for public health. Like the bestselling *The Immortal Life of Henrietta Lacks*, it reveals in shocking detail just how far the profit motive has encroached in colonizing human life and compromising medical ethics.

Batman: White Knight (2017-2018) #3 Sean Murphy, 2017-12-06 Tragedy strikes, and the Bat-family face the fight of their lives against an army of super-villains and waning public support. A new discovery reinforces Jack's plot to jeopardize the Dark Knight's standing in Gotham City, and Harley's obsession with The Joker reaches a new height—and threatens to change the game for good!

The Red Sea and the Gulf of Aden Ruth Lapidot, 1982

Batman (2016-) #118 Joshua Williamson, 2021-12-07 New creative team! Start of a new story arc as Batman leaves

Gotham! "Abyss" part one! As Gotham celebrates surviving Fear State, Batman retreats alone into the darkness. But when he learns of a mystery involving Batman Inc., it forces the Caped Crusader to leave Gotham for a brand-new adventure! Thrills, chills, and international intrigue await! The Dark Knight begins a new story with superstar artist Jorge Molina and new writer Joshua Williamson!

Deadpool Rob Liefeld,2024-04-03 Collects Deadpool: Badder Blood #1-5. Rob Liefeld returns - and he's bringing some of Deadpool's frenemies along for the ride! When the villainous Thumper returns to take out the man who created him, Wolverine and Cable step in for a daring rescue mission. But as Deadpool becomes embroiled in nefarious criminal machinations in Madripoor, will the trio be able to join forces - or will Thumper's agenda put an end to their efforts? The Merc with a Mouth thinks he's pretty good with a sword - but is he good enough to trounce the mysterious, blade-brandishing Shatterstorm?! And, win or lose, will wascally Wade have what it takes to navigate the Terrors of Killville? Plus: The Imperial Guard! Zabu of the Savage Land! And, would you believe, Venompool?! But who is Arcata - and what are her plans for Deadpool?

Casino Healthcare Dan Munro,2016-08-14 Casino Healthcare is not a theoretical policy book for the elite, but a book that penetrates the blanket of fog surrounding a major - and growing - household expense. With the research and style of an investigative journalist, the book is easy to understand and accessible by every American -- Back cover.

Artifacts in Diagnostic Medical Ultrasound: Grayscale Artifacts Martin Necas,2016-12-22 This book is written for sonographers, sonologists, other ultrasound practitioners and students of diagnostic medical ultrasound. The book provides a detailed and clinician-focused overview of the main grayscale artifacts with accompanying descriptions, diagrams, strategies for artifact avoidance and countless examples of clinical images. This book represents the largest collection of ultrasound artifact images ever assembled in a single volume.

How Men Pray Philip F. Deaver,2005 Poetry. Prize-winning fiction author Philip Deaver's poetry is praised as snapshots of the legendary America of promise and disappointment. They are the poems of an equilibrist, a storyteller whose sense of poetry is a mixture of colloquial address, irony, and tenderness toward our losses and our loneliness - Carol Frost.

Directory of United States Importers ,2005 A list of U.S. importers and the products they import. The main company listing is geographic by state while products are listed by Harmonized Commodity Codes. There are also alphabetical company and product indexes.

The Working Press of the Nation ,2002

The Top Books of the Year Kevin Gawthroe 12 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read :

Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail.

Kevin Gawthrope 12 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Kevin Gawthrope 12 : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
