The Kalahari Typing School for Men Alexander McCall Smith, 2003 Now that the No. 1 Ladies' Detective Agency is firmly established, founder Precious Ramotswe faces new challenges at home and at work--from problems with her adopted son to a sexist rival who is opening a detective agency across town.

Kicking In the Wall Barbara Abercrombie, 2013-04-15 When Patti Smith was plagued with writer's block — “scattered and stymied, surrounded by unfinished songs and abandoned poems” — playwright Sam Shepard advised her, “When you hit a wall, just kick it in.” In these pages, Abercrombie shows readers how to do just that. Like a workout with a top trainer, her writing exercises warm up, stretch, and build creative muscle. Quotes from famous writers inspire each day's exercise. Though Abercrombie says readers need only commit five minutes to each exercise, she writes, “I've seen novels, memoirs, and many essays get started” in those five minutes, “and a lot ended up being published.” Her playful, powerful method is ideal — maybe even essential — fuel for writers trying to get off the starting block, persevere through challenges, and cross their personal creativity finish lines.

Kick Up Your Heels Before You're Too Short to Wear Them Loretta Laroche,2010-03 For the last 20 years, Loretta LaRoche has been delighting readers, audiences, and PBS television viewers with her wacky and wise insights about life, love, and the insanity of the modern world. Now, in her most deeply personal book yet, Loretta addresses the most exciting challenge that we all face - one that she now finds herself facing every day: How do we age well? And can humor, dignity, honesty, wisdom, and other virtues ease the path? Our society is youth obsessed: Beauty products, special exercises, designer vitamins, plastic surgery, and certain medications are promoted as "the" ways to enhance life. While these formulas may have some merit, they're not enough to prepare us to have a rich, authentic life filled with passion and juiciness. Why do we wait until we're almost dead before we focus on how to age well? Every school system in the country should be preparing us for the inevitable process of aging and how to do it well. Our parents, our schools, and the media

should all be teaching us that aging is a process that begins at birth . . . not something to be feared and avoided. Those who continue to be hardy and live long and healthy lives understand that the real path to vitality requires connection, playfulness, flexibility, grace, tenacity, resiliency, curiosity, learning, and good humor.

So Who's Counting? Erin McHugh,Emily

Luchetti,2019-04-09 Inspiring quotes and advice to help readers see getting older as a time for reinvention and personal growth. "Aging is an extraordinary process where you become the person

you should have been.” —David Bowie So long nostalgia, and goodbye resignation! This book of quotes reminds us that growing old isn’t about slowing down and taking it easy—it’s a chance to ask, “What’s next?” After all, sixty is the new fifty, seventy’s the new sixty, and older is getting younger every day. With fun, forward-looking, and inspiring wisdom, *So Who’s Counting?* is the ideal gift for baby boomers, Gen Xers or anyone reaching a major age milestone. Instead of cloying sentimentality or the standard sagging-body-part jokes, it strikes the perfect balance of humor, guidance, reflection, bon mots. Quotes are divided into nine sections, such as “As Old as You Feel,” “Laughter: The Best Prescription,” and “Aged to Perfection.” *So Who’s Counting?* is all about aging with gusto and celebrating what lies ahead.

Full of laughter and tears, this eye-opening, heartwarming memoir paints a picture of two stubborn, spirited country gals who’d be damned if they’d let men or convention tell them how to be. Set in the heady streets of the 1960s South, this nostalgia ride shows how Nashville blossomed into the city of music it is today. Tender and fierce, *Me & Patsy Kickin' Up Dust* is an up-close-and-personal portrait of a friendship that defined a generation and changed country music indelibly—and a meditation on love, loss and legacy.
