**Let's Talk About Race** Julius Lester,2020-07-14 This wonderful book should be a first choice for all collections and is strongly recommended as a springboard for discussions about differences." —School Library Journal (starred review) In this acclaimed book, the author of the Newbery Honor Book *To Be a Slave* shares his own story as he explores what makes each of us special. A strong choice for sharing at home or in the classroom. Karen Barbour's dramatic, vibrant paintings speak to the heart of Lester's unique vision, truly a celebration of all of us. This stunning picture book introduces race as just one of many chapters in a person's story (School Library Journal). Lester's poignant picture book helps children learn, grow, discuss, and begin to create a future that resolves differences (Children's Literature). Julius Lester said: I write because our lives are stories. If enough of these stories are told, then perhaps we will begin to see that our lives are the same story. The differences are merely in the details. I am a story. So are you. So is everyone.

*Teachers Rock!* Todd Parr,2016-04-19 A celebration of the countless ways teachers change the world-with a free Back-to-School poster! Teachers are amazing! They teach you new things, make you laugh, and help you meet new friends. They always encourage you to do your best. They make the classroom a great place to be! From admiring the way teachers foster creativity in the classroom to how they ensure all children's needs are met, Todd Parr offers an ode to everything teachers contribute to the world. Bursting with positivity about school and the people who make it special, this book is sure to become a classroom and at-home favorite.

*Something Big Has Been Here* Jack Prelutsky,1990-09-08 Something big is right here! It is this book of wonderful, funny new poems by Jack Prelutsky. If you've read *The New Kid on the Block*, you have some idea of the treat ahead. And if you haven't, all you have to do is start reading! Here are four vain and ancient tortoises, a rat of culture, Super Samson Simpson, a meat loaf that defies an ax, five flying hotdogs--and many, many more people, animals, and things that are destined to become part of the lives of everyone who loves to laugh. Say them, chant them, learn them by heart, or just read them--Jack Prelutsky's poems are incomparable. The long-awaited companion to *The New Kid on the Block*. A wealth of funny new verse from a favorite poet. Prelutsky's comic muse is at its best here....Another winner.--Kirkus Reviews. Prelutsky has done it again.--School Library Journal

**Music and the Child** Natalie Sarrazin,2016-06-14 Children are inherently musical. They respond to music and learn through music. Music expresses children's identity and heritage, teaches them to belong to a culture, and develops their cognitive well-being and inner self worth. As professional instructors, childcare workers, or students looking forward to a career working with children, we should continuously search for ways to tap into children's natural reservoir of enthusiasm for singing, moving and experimenting with instruments. But how, you might ask? What music is appropriate for the children I'm working with? How can music help inspire a well-rounded child? How do I reach and teach children musically? Most importantly perhaps, how can I incorporate music into a curriculum that marginalizes the arts?This book explores a holistic, artistic, and integrated approach to understanding the developmental connections between music and children. This book guides professionals to work through music, harnessing the processes that underlie music learning, and outlining developmentally appropriate methods to understand the role of music in children's lives through play, games, creativity, and movement. Additionally, the book explores ways of applying music-making to benefit the whole child, i.e., socially, emotionally, physically, cognitively, and linguistically.

**The Colors of Learning** Rosemary Althouse, Margaret H. Johnson, Sharon T. Mitchell, 2003 Unique in its creativity and depth of understanding, *The Colors of Learning* will change the way that teachers think about and react to children's artwork. Promoting the integration of visual art into all early childhood curriculum areas, this volume will help early childhood professionals present in-depth art experiences to children so that they become engrossed in expressing their ideas and newly learned concepts through art media. This user-friendly volume features actual classroom dialogue throughout the text and many illustrations of children's art, including some in full color. Based on standards endorsed by the National Association for the Education of Young Children (NAEYC) and the National Art Education Association (NAEA), this important book focuses on: Lev Vygotsky's theory of social interactions in learning, showing how teacher-child and child-child relations become an important part of the art experience. Helping teachers to use more effective language to build children's conceptual knowledge and guide them in their art making. The use of many kinds of art media, providing examples of developmentally appropriate activities to improve children's thinking and learning. Moving away from art that is solely created to be cute and pleasing to adults to art experiences that develop the child's individual expression. "The authors have given the field of early education a valuable, usable gift—one that will have a great impact on young children's lives and those who teach them." —From the Foreword by Carol Seefeldt "The Colors of Learning provides a new awareness of why and how to integrate art into all subject areas in early childhood curriculum . . . should help all teachers of young children to enhance and enjoy their teaching and the children's learning." —Meg
