Busy Toddler's Guide to Actual Parenting Susie Allison, 2020-09-22 Susie Allison gives the achievable advice she's known around the world for on her million-follower Instagram account, Busy Toddler. From daily life to 'being two is fine' to tantrums and tattling and teaching the ABCs, let Susie give you the stress-free parenting advice you've been looking for. Susie shares real moments from raising her three kids as well as professional knowledge from her years as a kindergarten and first grade teacher. Her simple and doable approach to parenting is both uplifting and empowering ... includes over 50 of Susie's famous kid activities that have helped hundreds of thousands of parents make it to nap time and beyond. This isn't about perfect parenting. This is about actual parenting--

Elevating Child Care Janet Lansbury, 2014-05-01 A modern parenting classic—a guide to a new and gentle way of understanding the care and nurture of infants, by the internationally renowned childcare expert, podcaster, and author of No Bad Kids Trained in the Resources for Infant Educators (RIE) philosophy, Janet Lansbury helps parents look at the world through the eyes of their infants and relate to them as whole people who have natural abilities to learn without being taught. Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and connect with our child. A collection of the most-read articles from Janet's popular and long-

running blog, Elevating Child Care focuses on common infant issues, including: Nourishing our babies' healthy eating habits Calming your clingy, fearful child How to build your child's focus and attention span Developing routines that promote restful sleep Eschewing the quick-fix tips and tricks of popular parenting culture, Lansbury's gentle, insightful guidance lays the foundation for a closer, more fulfilling parent-child relationship, and children who grow up to be authentic, confident, successful adults.

No Bad Kids Janet Lansbury, 2014-09-17 A modern classic on the gentle art of discipline for toddlers, by the internationally renowned childcare expert, podcaster, and author of Elevating Child Care Resources for Infant Educarer-trained (RIE) and beloved childcare expert Janet Lansbury has been blogging about her parenting philosophy for more than two decades. A collection of her most popular articles about toddler behavior, No Bad Kids presents her signature approach to discipline, which she sees as a parent's act of compassion and love for a child. Full of wisdom and encouragement, it covers common toddler concerns such as: Why toddlers need clear boundaries—and how to set them without yelling What's going on when they bite, hit, kick, tantrum, whine, and talk back Advice for parenting a strong-willed child How to be a gentle leader, and Lansbury's secret for staying calm For parents who are anticipating or experiencing those critical years when toddlers are developmentally obliged to test the limits of our patience and love, No Bad Kids is a practical, indispensable resource for putting respectful discipline

into action.

Twice-Exceptional Boys Deborah Gennarelli, 2022-10-01 What happens in schools to children who are 2e? Too often schools place focus on the disability and ignore the giftedness. Because true abilities are not addressed, and such children are placed with other educationally disabled children, the gifted child loses the joy of learning. The light goes out of his eyes. While gifted girls are more likely to dumb down to fit in or withdraw into depression, particularly if they are 2e, (and some boys may do the same), more often the 2e boys develop behavior problems where they act out, dramatically underachieve, and engage in risky behaviors because they are frustrated and angry that their learning is stymied. Some of these very bright young men may even end up in the juvenile justice system, definitely the wrong environment for them. As schools in the United States have swung toward an emphasis on science, technology, engineering, and math (STEM) education, the educational literature has taken a swing toward gender fairness as it relates to these fields. Recent discussions include the fact that girls and women are underrepresented in STEM advanced coursework, college degree programs and careers. Because the discussions often focus on the reasons girls are excluded-or why they sometimes exclude themselves from these endeavors-boys are rarely mentioned. The focus on girls has taken attention away from the fact that boys are experiencing equally troubling issues in school, sometimes more so than girls. According to the 2019 Digest

of Education Statistics by the National Center for Education, boys: Were more likely to receive an out-of-school suspension.? Were expelled 2 1/2 times more than girls.? Were more likely to use illicit drugs.? Were twice as likely to be in a fight at school. These inequalities also cross racial boundaries, and appear to be more dramatic for minority boys.? Black boys were threatened or injured with a weapon at school more often than White boys.? Twice as many Black boys were expelled from school as compared to White boys. Boys from minority and low-income backgrounds are underrepresented in gifted education and over-represented in special education.

The Very Hungry Caterpillar Eric Carle, 2016-11-22 The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's The Very Hungry Caterpillar is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

It's OK Not to Share and Other Renegade Rules for Raising Competent and Compassionate Kids Heather Shumaker, 2012-08-02 Parenting can be such an overwhelming job that it's easy to lose track of where you stand on some of the more controversial subjects at the playground (What if my kid likes to rough house—isn't this ok as long as no one gets hurt? And what if my kid

just doesn't feel like sharing?). In this inspiring and enlightening book, Heather Shumaker describes her quest to nail down "the rules" to raising smart, sensitive, and self-sufficient kids. Drawing on her own experiences as the mother of two small children, as well as on the work of child psychologists, pediatricians, educators and so on, in this book Shumaker gets to the heart of the matter on a host of important questions. Hint: many of the rules aren't what you think they are! The "rules" in this book focus on the toddler and preschool years—an important time for laying the foundation for competent and compassionate older kids and then adults. Here are a few of the rules: • It's OK if it's not hurting people or property • Bombs, guns and bad guys allowed. • Boys can wear tutus. • Pictures don't have to be pretty. • Paint off the paper! • Sex ed starts in preschool • Kids don't have to say "Sorry." • Love your kid's lies. IT'S OK NOT TO SHARE is an essential resource for any parent hoping to avoid PLAYDATEGATE (i.e. your child's behavior in a social interaction with another child clearly doesn't meet with another parent's approval)!

Christmas Countdown Uncle Amon, 2017-11-29 Christmas Countdown This is the story of the Granger family and their two children, Gabby and Grant. December 1 is here and they are officially counting down the days until Christmas day! Each and every day from the 1st to the 25th is full of excitement. Gabby and Grant do everything from choosing a Christmas tree to hanging decorations to fun-filled activities at school and home with friends and family. They count

down each day in anticipation for the big day! But in their countdown, Grant is having a hard time finding a gift for his mom. He doesn't have enough money to get her the perfect gift. Gabby tells him to believe in the magic of Christmas and do his best. Will Grant be able to figure out how to get his mom those fluffy white mittens with shiny beads? Read the story to find out! This is a read-aloud kid's book with big and bright pictures and the target audience age is for toddlers, preschool, and younger children. Fully illustrated picture book Excellent as a bedtime story Great for toddlers, preschool, and younger children This cute children's picture book is perfect as a bedtime story and reading aloud with friends and family! Best-Selling Children's Book Author - Uncle Amon Uncle Amon began his career with a vision. It was to influence and create a positive change in the world through children's books by sharing fun and inspiring stories. Whether it is an important lesson or just creating laughs, Uncle Amon provides insightful stories that are sure to bring a smile to your face! His unique style and creativity stand out from other children's book authors, because he uses real life experiences to tell a tale of imagination and adventure. What's the Time, Mr Wolf? , 2003 Traditional rhyming tale with attached finger puppet wolf appearing through die cut pages. Highly recommended for storytime sessions. 1-5 yrs.

The TEACCH Approach to Autism Spectrum Disorders Gary B. Mesibov, Victoria

Shea, Eric Schopler, 2010-02-23 - Professionals can be trained in the program and its methods - Translates scientific knowledge so that practitioners and parents can easily understand the current state of knowledge - Offers strategies that can be tailored to an individual's unique developmental and functional level - Advises parents on how to become involved in all phases of intervention as collaborators, co-therapists, and advocates. - Details how the program can be introduced and adapted for individuals of all ages, from preschooler to adult

Whole Brain Teaching for Challenging Kids Chris Biffle, 2013 The revolutionary teaching system, based on cutting edge learning research, used by thousands of educators around the world--Cover.

Wonderful You Lisa Graff, 2020-08-18 From award-winning author Lisa Graff comes a sweet and poignant picture book that celebrates the arrival of new babies! Before you were with us, we already knew that the thing most worth doing was waiting for you. So begins this warm and loving picture book all about the joy of waiting for a new baby to be born. Month by month, parents and families of all sorts watch the baby-to-be grow, from a sweet pea to a mango and eventually to a pumpkin--until finally, the babies are born as their wonderful little selves. Perfect for any family expecting a new bundle of joy, this book celebrates the anticipation and happiness that only a baby can bring. Praise for *Wonderful You*: Graff delivers a heartwarming tale about a baby's introduction into the world, one guaranteed to be read and reread by

children who wonder where their own tales began. . . . A natural shower gift.
--Kirkus Reviews

The New Teacher's Complete Sourcebook Bonnie P. Murray, 2002 A seasoned elementary teacher shares her strategies in this amazing, super-practical guide. You ll find everything you need to set up your classroom for maximum learning, prepare dynamite lessons, create an effective classroom management plan . . . and so much more! Pete the Cat and His Four Groovy Buttons Eric Litwin, Kimberly Dean, 2012-05-01 An award-winning and bestselling Pete the Cat hardcover picture book! Count down with Pete in this rocking story that makes counting fun! Pete the Cat is wearing his favorite shirt—the one with the four totally groovy buttons. But when one falls off, does Pete cry? Goodness, no! He just keeps on singing his song—after all, what could be groovier than three groovy buttons? This book is a winner of the Theodor Seuss Geisel Honor Award. Plus the fun never stops—download the free groovin' song! Don't miss Pete's other adventures, including Pete the Cat: I Love My White Shoes, Pete the Cat: Rocking in My School Shoes, Pete the Cat Saves Christmas, Pete the Cat and His Magic Sunglasses, Pete the Cat and the Bedtime Blues, Pete the Cat and the New Guy, Pete the Cat and the Cool Cat Boogie, Pete the Cat and the Missing Cupcakes, Pete the Cat and the Perfect Pizza Party, and Pete the Cat:

Crayons Rock!

Hide And Seek Countdown Evita Anne Irvine, 2021-08-21 Counting Book for Kids: Hide and Seek Countdown (aged 3-5, preschool, kindergarten or 1st grade) A story book perfect for children learning to read, write and count. Ideal for young kids aged 3 to 5, in preschool, kindergarten or 1st grade, this read aloud picture book can be read in the classroom, for fun or before bedtime. Hide and Seek Countdown promotes counting and number recognition for boys and girls as they follow the story of Ravi and Eden at play, counting to 10 and counting down from 10. Children, parents, teachers and caregivers alike will love this engaging story of Eden and Ravi playing Hide and Seek and the wonderful animals they find.

I'm a Pretty Princess Crystal Swain-Bates, 2016-01-26 Meet Makayla, a pretty black princess who lives in a castle far, far away. Although she has cute dresses, a sparkling tiara, and a shiny wand, she discovers in this rhyming 30 page picture book that being a princess isn't just about her fancy things. Instead, what makes her a princess is what lies within!

The Shade of Cocoa Marquita B., 2020-08-15 Bella is a happy and inquisitive five-year old girl who loves to play with her friends, go to school, and spend time with her family. Everyone tells her how beautiful she is, but she doesn't feel as beautiful as the faces she sees on TV and in the magazines. Join Bella as she navigates a very important life lesson and learns to love the skin she is in. This captivating story for young children provides a

message of empowerment and acceptance that readers of all ages can understand and enjoy.
