

Killingzone Defense Lite 100

United States. Congress. House. Committee on Armed Services

King of the Killing Zone Orr Kelly,1990 By examining the development of this tank the reader gains valuable insight into tanks, armored warfare, and military/procurement. Annotation copyrighted by Book News, Inc., Portland, OR
Killing Zone Mcallion Harry,1995-04

The Rape of Nanking Iris Chang,2014-03-11 The New York Times bestselling account of one of history's most brutal—and forgotten—massacres, when the Japanese army destroyed China's capital city on the eve of World War II, piecing together the abundant eyewitness reports into an undeniable tapestry of horror. (Adam Hochschild, Salon) In December 1937, one of the most horrific atrocities in the long annals of wartime barbarity occurred. The Japanese army swept into the ancient city of Nanking (what was then the capital of China), and within weeks, more than 300,000 Chinese civilians and soldiers were systematically raped, tortured, and murdered. In this seminal work, Iris Chang, whose own grandparents barely escaped the massacre, tells this history from three perspectives: that of the Japanese soldiers, that of the Chinese, and that of a group of Westerners who refused to abandon the city and created a safety zone, which saved almost 300,000 Chinese. Drawing on extensive interviews with survivors and documents brought to light for the first time, Iris Chang's classic book is the definitive history of this horrifying episode.

Confessions of a Recovering Environmentalist and Other Essays Paul Kingsnorth,2017-08-01 A provocative and urgent essay collection that asks how we can live with hope in “an age of ecocide” Paul Kingsnorth was once an activist—an ardent environmentalist. He fought against rampant development and the depredations of a corporate world that seemed hell-bent on ignoring a looming climate crisis in its relentless pursuit of profit. But as the environmental movement began to focus on “sustainability” rather than the defense of wild places for their own sake and as global conditions worsened, he grew disenchanted with the movement that he once embraced. He gave up what he saw as the false hope that residents of the First World would ever make the kind of sacrifices that might avert the severe consequences of climate change. Full of grief and fury as well as passionate, lyrical evocations of nature and the wild, *Confessions of a Recovering Environmentalist* gathers the wave-making essays that have charted the change in Kingsnorth’s thinking. In them he articulates a new vision that he calls “dark ecology,” which stands firmly in opposition to the belief that technology can save us, and he argues for a renewed balance between the human and nonhuman worlds. This iconoclastic, fearless, and ultimately hopeful book, which includes the much-discussed “Uncivilization” manifesto, asks hard questions about how we’ve lived and how we should live.

The 4-Hour Body Timothy Ferriss,2011-02-03 This book will redefine how you approach losing weight. Based on over 15 years of research and with personal stories, amazing before and after photos, recipes and sidebars, *The 4-Hour Body*, from international bestselling author Tim Ferriss, will give unbelievable results and change the way you look forever. 'Mr. Ferriss makes difficult things seem very easy' -- NY Times 'The Superman of Silicon Valley' - Wired 'This book has changed my life' -- ***** Reader review 'An uncommon genius' -- ***** Reader review 'This book is awesome' -- ***** Reader review 'Educational and mind blowing' -- ***** Reader review

***** Whatever

your physical goal, *The 4-Hour Body* eclipses every other health manual by sharing the best kept secrets in the latest science and research to provide new strategies for redesigning the human body. And you don't need to exhaust yourself. International bestselling author, Timothy Ferriss, helps you reach your true genetic potential in 3-6 months with a commitment of less than four hours per week. You can pick and choose from a menu of options, from simple to extreme, for dramatic body changes. Packed full of personal case studies, before and after photos, recipes and top tips, this book will help you achieve your body goals in record time.

We Were Caught Unprepared Matt M. Matthews, 2011 This is a print on demand edition of a hard to find publication. The fact that the outcome of the 2006 Hezbollah-Israeli War was, at best, a stalemate for Israel has confounded military analysts. Long considered the most professional and powerful army in the Middle East, with a history of impressive military victories against its enemies, the Israeli Defense Forces (IDF) emerged from the campaign with its enemies undefeated and its prestige tarnished. This historical analysis of the war includes an examination of IDF and Hezbollah doctrine prior to the war, as well as an overview of the operational and tactical problems encountered by the IDF during the war. The IDF ground forces were tactically unprepared and untrained to fight against a determined Hezbollah force. ¿An insightful, comprehensive examination of the war.¿ Illustrations.

Defense Department Authorization and Oversight: Research, development, test, and evaluation United States. Congress. House. Committee on Armed Services, 1983

Defense Department Authorization and Oversight: Research, development, test, and evaluation ... April 12, 18, 19, 20, 22, 25, 26, 27, and 28, 1983 United States. Congress. House. Committee on Armed Services, 1983

Utah Beach to Cherbourg, 6 June-27 June 1944 United States. Department of the Army. Office of Military History, 1948

The United States Air Force John C. Fredriksen, 2011-01-12 Understand the growth and evolution of American air power with this overview of the history of the world's most successful aviation force. *The United States Air Force: A Chronology* captures the sweep of U.S. Air Force history from the service's inception to present times. Concise entries, arranged by date, touch upon military events such as victories and defeats; significant political, administrative, and technological changes affecting the service; and significant events in the careers of noted leaders. Daily occurrences are described within the context of greater historical events such as wars. The chronology covers all aspects of the U.S. Air Force and its historical antecedents (U.S. Air Service, Army Air Corps, and Army Air Force), commencing with the Balloon Corps in the American Civil War and extending through Operation IRAQI FREEDOM and Operation ENDURING FREEDOM in Afghanistan. Events of note, major and minor, are listed in the order of occurrence. The book includes all major air campaigns in all major conflicts, as well as such noteworthy events as record-breaking flights and the introduction of new aircraft.

The Book of Basketball Bill Simmons, 2010-12-07 NEW YORK TIMES BESTSELLER • The NBA according to *The Sports Guy*—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—*The Atlantic* Bill Simmons, the wildly opinionated and thoroughly entertaining

basketball addict known to millions as ESPN's The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

Research, development, test, and evaluation United States. Congress. House. Committee on Armed Services, 1983

Death by Moderation David A. Koplow, 2010 Addresses the military's pursuit of 'usable' weaponry that is deliberately crafted to be less powerful, less deadly, and less destructive than the systems it is designed to supplement or replace.

Midnight in the Garden of Good and Evil John Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

Armor , 1991

Torture, Power, and Law David Luban, 2014-09-04 David Luban analyzes the torture debate in the struggle against terrorism from a sophisticated philosophical and legal perspective.
