The Day The Candle Blew Out Shonshere Jones,2021-02-10 Falling in love and getting married should have been one of the best things that could have ever happen to a hopeless romantic like Kendra. Unfortunately, family, addictions, lies, and revenge had other plans for Kendra and Jacob's happily ever after. Just when she thought she had experienced the worst thing that could ever happen, you won't believe what happened next. This a true story about love, grief, injustice. This story shows just how far one family will go to seek revenge on the one they claim to love the most.

Candles London Paola Emerson, Emily Duchane, 2020-02-13 Did you know? Candles have been used to illuminate the night for over 5000 years. Our poems and short stories aim to do just that. With one Candle at a time, we hope to brighten your day. We have our favourites, which will you choose? What makes our Candles so special? This collection of poems and short stories is a Peachy Books Inc. first. A book for adults teens and children. ` Adults will enjoy the collection of relaxing and inspirational poems. We have enjoyed sharing these poems with our friends and family for decades. From a simple dinner with friends to a spa day or just a moment of personal time, our Candles have been shared with friends and loved ones for decades. ` Teenagers will be entertained by the imaginative short stories that show the value of genuine unselfish friendship that stands the test of time. We also show the importance of being courageous and of not judging a book by its cover. ` From our easy to read rhyming pattern to our clearly detailed lessons, children will enjoy the heroic tales of our brave and imaginative characters. From flamingos, butterflies, eagles and brave little girls, we have included all of these characters and so much more.- Children will Meet Blue in our included books that helps children to tidy up around the house. You asked and we listened. We concluded this book with a bed time story. Parents and teachers will enjoy the many lessons for children from colouring to tidying up and being a supportive friend. There is a Candle for every generation in your household. Thank you for allowing our Candles to be a part of your collection.

The Candle and the Flame George Sylvester Viereck, 2012-01 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A New Hasidism: Roots Arthur Green, Ariel Evan Mayse, 2019-10-01 Neo-Hasidism applies the Hasidic masters' spiritual insights—of God's presence everywhere, of seeking the magnificent within the everyday, in doing all things with love and joy, uplifting all of life to become a vehicle of God's service—to contemporary Judaism, as practiced by men and women who do not live within the strictly bounded world of the Hasidic community. This first-ever anthology of Neo-Hasidic philosophy brings together the writings of its progenitors: five great twentieth-century European and American Jewish thinkers—Hillel Zeitlin, Martin Buber, Abraham Joshua Heschel, Shlomo Carlebach, and Zalman Schachter-Shalomi—plus a young Arthur Green. The thinkers reflect on the inner life of the individual and their dreams of creating a Neo-Hasidic spiritual community. The editors' introductions and notes analyze each thinker's contributions to Neo-Hasidic thought and influence on the movement. Zeitlin and Buber initiated a renewal of Hasidism for the modern world; Heschel's work is quietly infused with Neo-Hasidic thought; Carlebach and Schachter-Shalomi re-created Neo-Hasidism for American Jews in the 1960s; and Green is the first American-born Jewish thinker fully identified with the movement. Previously unpublished materials by Carlebach and Schachter-Shalomi include an interview with Schachter-Shalomi about his decision to leave Chabad-Lubavitch and embark on his own Neo-Hasidic path.

Lighting the Candle Mark Yang,2020-07-20 Many scholars and practitioners recognize the resonance between the practice of psychotherapy and supervision and the paradoxical principles found throughout Taoism. This is evermore true within the existential-humanistic tradition. Therefore, *Lighting the Candle, Taoist Principles in Supervision Conducted from an Existential-Humanistic Perspective* introduces readers to the selected writing of the Taoist sages Lao Tzu and Zhuangzi, and considers how their wisdom permeates psychotherapy and supervision practiced from an existential-humanistic perspective. The book takes on a narrative format where the author weaves the following Taoist and existential-humanistic concepts within a number of inspirational stories and supervision case examples gathered across his trainings throughout Southeast Asia. These include wu wei, authenticity, focusing, surrender, trusting the process (trusting the Tao), getting back to the basics, steadiness and the midst of chaos, listening for the unheard, being fully present, humility and awe, bearing witness, following the flow, letting go (of goals, results and techniques), stillness and going nowhere, poetic reflection, and servant leadership. An apprenticeship model of embodied learning is presented in narrative format where the author weaves the above concepts into the supervision process.

Hasidic Art and the Kabbalah Batsheva Goldman-Ida,2017-10-10 Hasidic Art and the Kabbalah presents eight case studies of manuscripts, ritual objects and folk art developed by Hasidic masters in the mid-eighteenth to late nineteenth centuries, whose form and decoration relate to sources in the Zohar, German Pietism, and Safed Kabbalah.

Mudhouse Sabbath Lauren F. Winner,2015-08-01 Winner's original *Mudhouse Sabbath* has sold 45,000 copies, been translated into three languages, and spawned a successful video study series. After her conversion from Orthodox Judaism to Christianity, Winner found that her life was indelibly marked by the rich traditions and spiritual practices of Judaism. She here presents eleven Jewish practices that can transform the way Christians view the world and God, including attentive eating, mourning, candle-lighting, and Sabbath-keeping. Since first publishing the book, Lauren has earned her MDiv and PhD, and become an Episcopal priest. Her thought has deepened and developed. This new Study Edition incorporates the complete original text plus primary texts from Jewish and Christian sources, and new material on each of the eleven topics. The result is a powerful work for Christians wanting to explore in depth and understand the Jewish origins of Christianity. "At a time when we are so aware of the differences between Judaism and Christianity, Lauren Winner's book on what we can learn from each other is so refreshingly welcome."—Rabbi Harold Kushner, author of *When Bad Things Happen to Good People*
