**Mo Aiken**

Kisses from Katie Katie Davis, Beth Clark, 2013-01-18 Katie was a normal American teenager when she decided to explore the possibility of voluntary work overseas. She temporarily 'quit life' to serve in Uganda for a year before going to college. However, returning to 'normal' became impossible and Katie 'quit life' - college, designer clothes, her little yellow convertible and her boyfriend - for good, remaining in Uganda. In the early days she felt as though she were trying to empty the ocean with an eyedropper, but has learnt that she is not called to change the world in itself, but to change the world for one person at a time. By the age of 22 Katie had adopted 14 girls and founded Amizima Ministries which currently has sponsors for over 600 children and a feeding program for Uganda's poorest citizens - so it is no wonder she feels Jesus wrecked her life, shattered it to pieces, and put it back together making it more beautiful than it was before.

**Daring to Hope** Katie Davis Majors, 2018-10-09 New York Times bestseller How do you hold on to hope when you don't get the ending you asked for? When Katie Davis Majors moved to Uganda, accidentally founded a booming organization, and later became the mother of thirteen girls through the miracle of adoption, she determined to weave her life together with the people she desired to serve. But joy often gave way to sorrow as she invested her heart fully in walking alongside people in the grip of poverty, addiction, desperation, and disease. After unexpected tragedy shook her

family, for the first time Katie began to wonder, Is God really good? Does He really love us? When she turned to Him with her questions, God spoke truth to her heart and drew her even deeper into relationship with Him. Daring to Hope is an invitation to cling to the God of the impossible—the God who whispers His love to us in the quiet, in the mundane, when our prayers are not answered the way we want or the miracle doesn't come. It's about a mother discovering the extraordinary strength it takes to be ordinary. It's about choosing faith no matter the circumstance and about encountering God's goodness in the least expected places. Though your heartaches and dreams may take a different shape, you will find your own questions echoed in these pages. You'll be reminded of the gifts of joy in the midst of sorrow. And you'll hear God's whisper: Hold on to hope. I will meet you here.

**Wreck My Life** Mo Isom, 2016-08-02 A NEW YORK TIMES BESTSELLER Inspiring Story of How Brokenness Leads to Bold Faith Jesus promises peace and trouble for his followers. But most of us accept the peace and are confused and angry when adversity comes our way. All-American soccer star Mo Isom knows the struggle firsthand. While her life seemed like a success, she was battling an eating disorder, the suicide of her father, and a horrific car accident. It wasn't until God wrecked her life that she discovered the glory of renewal through Jesus Christ and that wreckage can be sacred rather than scarring. Readers take the journey from broken to bold with her and learn to surrender their lives to the King who was wrecked

on their behalf. Endorsements Mo reminds us that brokenness is actually the very place God meets us the most, and the place where we can find Jesus like never before.--Jefferson Bethke, New York Times bestselling author of *Jesus > Religion* Every person who picks up this book will be challenged, entertained, and more connected with God by reading it.--Annie Downs, author of *Let's All Be Brave*

**The Color of Grace** Bethany Haley

Williams, 2015-03-03 The psychologist founder of Exile International recounts how her own pursuit of emotional healing led her into dangerous war zones to offer art therapy and rehabilitative care to war-affected children.

*Fully Known* Mo Aiken, 2021-04-06 We were made for intimacy--spiritual intimacy with God that brings oneness and bears powerful fruit. We were made to know Him and be known by Him, fully. So why do we often feel burnt-out, distant, and disheartened in our journey of faith? How do we cultivate true intimacy with God? And what does His design of physical, sexual intimacy unveil of the full gospel story? Sharing Word-backed, Holy Spirit-breathed revelation with humility and openhanded honesty, New York Times bestselling author Mo Aiken walks alongside us through the beauty and power of life lived in active communion with God, rather than the self-seeking, counterfeit faith we've settled for. Unpacking eternity-defining concepts that have become confusing, offensive, or altogether ignored--like submission, repentance, sanctification, holiness, and discipline--Mo shows us how God has given us a physical model of

spiritual intimacy through His design of marriage, sex, and family. Exposing many roots of selfishness and perversion we see so often in our relationships, both human and divine, she invites us to pure-hearted and transformational communion with our Creator. If you've felt far from God, caught in broken relationships, dead in religion, and longing to be fully known, join Mo on this journey of return to right-natured intimacy with our First Love.

**The Ministry of Ordinary Places** Shannan Martin, 2018-10-09 Popular blogger Shannan Martin offers Christians who are longing for a more meaningful life a simple starting point: learn what it is to love and be loved right where God has placed you. For Christ-followers living in an increasingly complicated world, it can be easy to feel overwhelmed and unsure of how to live a life of intention and meaning. Where do we even begin? Shannan Martin offers a surprisingly simple answer: uncover the hidden corners of our cities and neighborhoods and invest deeply in the lives of people around us. She walks us through her own discoveries about the vital importance of paying attention, as well as the hard but rewarding truth about showing up and committing for the long haul, despite the inevitable encounters with brokenness and uncertainty. With transparency, humor, heart-tugging storytelling, and more than a little personal confession, Martin shows us that no matter where we live or how much we have, as we

learn what it is to be with people as Jesus was, we'll find our very lives. The details will look quiet and ordinary, and the call will both exhaust and exhilarate us. But it will be the most worthwhile adventure we will ever take. "This is a message the world needs. So often we overcomplicate 'service' or this elusive call to ministry when all the while ministry is right in front of us. Shannan reminds us of the simple, yet beautiful call to love our neighbor and what that could really look like today. We are reminded that extravagant love in ordinary moments does indeed lead to an extraordinary life." --Katie Davis Majors, New York Times bestselling author of *Kisses from Katie* (I made up this attribution, so you may want to check on that) "This is the book we all need right now. If you're longing for authentic community but aren't sure where to begin, Shannan and this beautifully written book are the perfect guide. I truly believe when we stand together we stand a chance. I cheered along with every word." --Korie Robertson, New York Times bestselling author "These are the days when we could all use a firm but gentle nudge to extend extra kindness to the people around us. Shannan reminds us to pay attention, look outside of ourselves, to lay aside our preconceived judgments, and stay put, bearing with each other, carrying each other's burdens, and finding Jesus at the center of it all." --LaTasha Morrison, founder of Be the Bridge "Our nonstop consumer society seduces us into forsaking the ordinary. Even as believers, we are prone to aspire to do sexy ministry that garners headlines and warrants

photo ops. But Shannan Martin helps us resist these impulses by calling the body to reclaim the sanctity and significance of ordinary places. Through personal stories, theology, and Scripture, she helps us discern God's call upon our lives right where we are and illuminates why the most faithful ministry is oftentimes mundane, overlooked, and seemingly unimpressive. This book will help you thrive in your faith in practical and rooted ways!" —Dominique DuBois Gilliard, author of *Rethinking Incarceration: Advocating for Justice That Restores* "Sometimes when reading a book, I think 'I'll recommend this to that group' or 'this one goes go that community,' but hand to heaven, I would put this book in every single pair of hands across ideology, camps, and tribes. Part storytelling, part prophetic, with dizzyingly wonderful writing, Shannan brings us back to the neighborhood, back to ordinary tables, back to a life we know in our deepest hearts is meant for us. I love her. I love this book." —Jen Hatmaker, New York Times bestselling author of *7, For the Love*, and *Of Mess and Moxie*

**Love Lives Here** Maria Goff, 2017-03-07 This is a book about discovering what we really need. There are a lot of second-best options, but we weren't made to live a second-best life. Finding what we actually need is different than what we are often offered. There are many books full of opinions, steps and programs. This isn't one of them. This is about craving the things that matter. Things that don't just work, but last. In a life that may seem to be all fun and games with an endless supply of balloons, author Maria Goff shows how

this life is also lived with intentionality, passionate purpose, and a little planning—all of which make a life rich in legacy. But she had to figure out the help she needed first in order to live the beautiful life God wanted for her and wants for us. *Love Lives Here* is a collection of stories that include the ways Maria and her husband, Bob, navigated family their way, without clear instructions or a road map. It's about what they learned to make their lives meaningful and whimsical and how they created a space for their family to grow together while they reached outward. What a gift to read *Love Lives Here* and find within it a friend who is as authentic and inviting as Maria Goff. Through her earnest telling of the stories of her life, she provides greater meaning to all our lives. We were thrilled to read this book. Donald Miller (bestselling author of *Blue Like Jazz* and *Scary Close*) with Betsy Miller Grace is a contagious force we all crave and Maria contains so much grace it floods you from just a short time with her. May these pages overwhelm you with God's love, and hope that Maria knows so well. Jennie Allen, Founder of IF: Gathering and Author of *Nothing to Prove*

courageous Ugandan boy languishing in prison and wrongfully accused of two separate murders. *Recklessly Alive* Sam Eaton, 2020-11 Every 12.3 minutes someone completes suicide, and I was almost one of them. I had written letters, picked a day, and packed up all my belongings because I believed my life was worthless and disposable. What lies ahead of you is my journey from suicide attempt towards abundant life. I share it with you in hopes that you can see yourself or someone you love in my story and find the courage to start conversations about faith, mental health, depression, and suicide. I am not a pastor, a deep-sea diver, an Avenger, or a mongoose whisperer. I have never sawed off my own arm, had my hand digested by a shark, or experienced any other amazing feat of humanity. I am just an average guy who found his world slipping away and in a moment of extreme clarity made the terrifying decision to stay and chase a life that is fully and recklessly alive.

### **Every Bitter Thing Is Sweet** Sara

Hagerty, 2014-10-07 Sara Hagerty masterfully draws from her own story of spiritual and physical barrenness to birth in readers a new longing for God. With exquisite storytelling and reflection, Hagerty guides readers to a tender place that God is holding just for them—a place where he shapes

the bitterness of lost expectations into deep, new places of knowing Him. In the age of fingertip access to answers and a limitless supply of ambitions, where do we find the God who was birthed in dirt and straw? Sara Hagerty found him when life stopped working for her. She found him when she was a young adult mired in spiritual busyness and when she was a new bride with doubts about whether her fledgling marriage would survive. She found him alone in the night as she cradled her longing for babies who did not come. She found him as she kissed the faces of children on another continent who had lived years without a mommy's touch. In *Every Bitter Thing Is Sweet*, Hagerty masterfully draws from the narrative of her life to craft a mosaic of a God who leans into broken stories. Here readers see a God who is present in every changing circumstance. Most significantly, they see a God who is present in every unchanging circumstance as well. Whatever lost expectations readers are facing—in family, career, singleness, or marriage—*Every Bitter Thing Is Sweet* will bring them closer to a God who longs for them to know him more. What does it look like to know God's nearness when life breaks? What does it mean to receive his life when earthly life remains barren? How can God turn the bitterness of unmet desire into new flavors of joy? With exquisite storytelling and reflection, Hagerty brings readers back to hope, back to healing, back to a place that God is holding for them alone—a place where the unseen is more real than what the eye can perceive. A place where every bitter thing is sweet.

### **They Call Me Momma Katherine** Katherine

Hines, Sheila Wilkinson, 2016-07-01 Do you ever sell yourself short? That's what Katherine Hines did before she realized she was selling God short. After years of tragedies, Katherine learned that God could do more in her life than she ever imagined if she trusted Him and believed. She discovered that He wants to change lives through us and bless us in the process. Whoever we are, wherever we came from, God can use us to make a difference in someone's life. Katherine's story begins with tragedies, but God touched her heart at a crusade and led her to Uganda as a missionary to the children. Leaving her prestigious job and home, she went to a land of mud huts and polluted water. In the midst of sickness and poverty, she loved and cared for the orphans of the war-torn country, as she faced witch doctors and Muslim agitators. Katherine shares her life story to help us know that we can all make a difference – if only we let God . . .

Anna Hibiscus lives in Africa, amazing Africa, with her mother and father, her twin baby brothers (Double and Trouble), and lots of extended family in a big white house with a beautiful garden in a compound in a city. Anna is never lonely—there are always cousins to play and

Readers will happily follow as she goes on a seaside vacation, helps plan a party for Auntie Comfort from Canada (will she remember her Nigerian ways?), learns firsthand what it's really like to be a child selling oranges outside the gate, and longs to see sweet snow. Paris, France: 1860's. Hundreds of houses are being razed, whole neighborhoods reduced to ashes. *Raising World Changers in a Changing World* Kristen Welch, 2018-05-01 Almost any parent you asked would tell you that they want their children to be happy, successful adults. But many of us forget (or never knew to begin with) that lasting personal joy is not necessarily found the way the world says it is--through reaching a certain socioeconomic status, having a certain job, buying

a certain house, or having a certain amount in one's bank account. In fact, says Kristen Welch, popular blogger and author of *Raising Grateful Kids in an Entitled World*, personal satisfaction comes not from grabbing onto things but from holding them with an open hand and, very often, giving them away. In this inspiring book, Welch shows parents how to discover for themselves and instill in their kids the profound joy that comes from sharing what we have been given--our time, our talents, and even what's in our wallets--with those who have less. Through powerful personal stories as well as stories from Scripture, Welch offers a tantalizing alternative to status quo parenting that has the power to impact not only our own families but the entire world. At the end of each chapter, one of the author's kids offers their perspective on what it's like to be raised as a world changer.
