**Here, Kitty! Kitty! Kitty!** Jennifer Scott North,2019-09-26 This is a series of short stories written from the imagined thoughts and minds of the three little kittens who so briefly became a part of our household. Their adventures and antics provided them with many hours of fun. Their interactions with each other as well as members of the household provides a comical look into the minds of kittens as observed by the author. This work of fiction is based on the facts gathered from the author's own imagination as well as incidents that really happened in the lives of these kittens. It is hoped you enjoy reading the stories as much as the author enjoyed writing them.

**The Hospitable Leader** Terry A. Smith,2018-10-02 Successful leaders today don't dictate; they invite. They don't dismiss; they welcome. They don't neglect; they care. Now more than ever we must pay attention to the soft side of leadership if we want hard results. As leaders--from parents to CEOs--we must learn gracious leadership to truly, positively, change our spheres of influence. In this passionate, powerful book, pastor and leadership mentor Terry Smith fleshes out five vital principles you need to become a hospitable leader. He shows that this type of leadership is not superficial niceness or allowing people to do whatever they want. Hospitable leadership is result-oriented because it's motivated by genuine love. It's how you create environments where people and dreams can thrive, where vision turns to action, and where great things happen regularly. Here is everything you need to become the type of leader people want to follow.

**Lemon City** Elaine Meryl Brown,2009-02-24 In this wry fiction debut, Elaine Meryl Brown plunges lucky readers into a gripping narrative of small-town hijinks and big-time hearts. Rule Number One: Never marry an Outsider. If you do, the boll weevil will bite you back. Rule Number Two: If you can't be honest, you might as well be dead. Nestled in the foothills of Virginia's Blue Ridge mountains, Lemon City has ten rules, all designed in the best interests of its tight-knit black community. Granddaddy Dunlap knows all too well what can happen to folks who venture beyond Lemon City's protective borders. He once had to venture outside town to identify his best friend's body. So when his firebrand granddaughter Faye, returns from college married to an Outsider, he must act fast to keep her in Lemon City's safe embrace. It proves to be a challenge--and not just because the patriarch is distracted by the tensions arising from the heated tomato-growing contest for the annual county fair. Faye's new husband, Harry, is a slick talker with a roving eye. Faye sees him as her ticket to New York City, where she hopes to fulfill big business dreams, but even the best-laid plans can be thwarted, as Faye discovers that marriage itself isn't much of a honeymoon. No matter. She packs her bags, fully prepared to head north with or without her husband, when Harry turns up dead. Now the Dunlap family is trying to figure out--before the Thanksgiving turkey gets cold--who did the deed.
