

Kitty Creeper Climb Hello

J. S. Raynor

Doted on by the Mafia Boss Asmitha, Out of humanity she saved his life but what did he do to her; instead of thanking her he took her in as his prisoner. But, she had no problem with it. She was more than just happy as long as she could adore this stone faced Adonis from a close radius. Wearing a pink hoodie and holding a candy she would run around, pestering that iceberg like man. Mr. Nguyen, can you buy me a teddy? Mr. Nguyen, can you change the curtains to pink? Mr. Nguyen, can I take your heart? Little girl, are you aware? The man you are fooling around with is the ruthless leader of the Mafia gang which rules over the shady underground community. Seems like she had no effect of this dark identity of this man. Okay, this was bearable! What made them have a jaw drop was when their heartless boss, who hardly let any woman near him, was especially doting and caring towards this little prisoner. It was after she came they realized that their boss too had a heart which was capable of loving a girl. But... Why this little fool who didn't even have an identity. Did she really move his heart or... resembled someone hiding in his heart.

Blessed Ellen Michaud, 2012-04-12 Sometimes we just need to stop for a moment and absorb the quiet moments in the world around us--to take a deep breath and appreciate the things in life that make us thankful and bring us joy. Blessed is a call to do just that. In this heartfelt collection of her online columns from Diane, the flagship magazine of the Curves women's fitness center organization, author Ellen Michaud reminds us of the everyday blessings that surround us, but we all tend to overlook. Entries include: Summer in a Jar: On a 200- acre farm known for its Jersey cows and prizewinning cheese, two women harvest a cornucopia of produce that looks like it came from the Garden of Eden. Although the visit was intended to pick up ingredients for one of the finest salsas in the near world, the end result is a view of a fertile valley, the rich smell of vegetables freshly tugged from the earth that speaks to the soul, and the natural rhythm of friendly conversation. The Teapot: During a snowy winter storm, the author pulls her great- grandmother's worn silver teapot down from a shelf. As she polishes the teapot's tarnished surface, she contemplates its long journey over an ocean and through the generations. As she discovers engraved hallmarks that lead to a deeper understanding of its 200-year history, her appreciation for the women who traveled with it grows. Welcome Home: As an Airbus 321 begins its descent toward the coastal lights of Los Angeles International Airport, the pilot makes an overhead announcement that stills the restless and rustling passengers. What follows are moments of contemplation about the sacrifices of soldiers and, how regardless of one's politics, there is still a shared sense of love and respect for those who fight for our freedom. The Courage to Change: After a lifetime of self-built barriers, the author's 88-year-old aunt overcomes discouraging memories and years of grief to prove that it's never too late to open yourself to new experiences, take risks, and start over.

Lucky Strike Janine Amesta, 2024-01-23 Is finding an unexpected gem a lucky strike? After getting a late

jumpstart in life, Luna Lanza isn't afraid to get what she wants, including the place of her dreams. When she loses out on the perfect duplex and settles for a standard apartment, she's disappointed. But Luna remains determined to make it work, even if it sparks a contentious relationship with her new landlord— the same guy she accidentally kissed in an impromptu photo shoot. Still grieving the sudden death of his brother, reformed bad boy Sam Sunderland feels trapped managing his father's rundown apartment building. When the spunky beauty, who unexpectedly kissed him, moves in full of ideas, he can't help being intrigued— that is until she starts changing things behind his back, endangering his position and the relationship with his father. Sam and Luna wrangle over rules and misunderstandings while fighting against the undeniable attraction between them. It's a hard lesson to learn that 'perfect' can take many different forms. But will the renovations they do together lay a foundation to something more?

The Art of Fugue Marvin Bram, 2010-09-29 Long ago, an unusually fulfilling way to live was widely practiced. Knowledge of that way to live was suppressed, and so it remained -- until now. Long ago, it was possible to put all one's thoughts down in writing. The way to do that was forgotten -- until now. This book restores the ancient meaning of community and it brings back the technique for revealing one's thoughts fully. THE ART OF FUGUE does these two things in works of the imagination and of interdisciplinary scholarship.
