**Klondike** David Conrad,2014-10-08 It is 1899 as twenty-three-year-old Jackie Lindquist settles into a window seat on the train to St. Paul. Dissatisfied as a school marm, Jackie waves goodbye to her forlorn parents on the platform as her former life disappears behind her. Jackie does not look back, only ahead, for she is seeking adventure, riches, and possible romance-and she hopes to find it all amid the Klondike gold rush. Jackie quickly learns that a beautiful young woman traveling alone must face many challenges-one of which is dealing with lecherous men. Determined to not let anyone stop her from realizing her dreams, Jackie transforms her appearance that night and becomes Jack Lindquist. After she continues on to Seattle, she temporarily transforms back into a woman, finds a creative way to fund the remainder of her trip, and soon partners with the handsome Matt Stonemark. While making the dangerous trek to the Klondike, the two rescue and acquire another partner, the newly-widowed Maureen Wilson. As the trio finally reaches their destination in Canada, now only time will tell if each will find exactly what they are seeking. In this historical tale, three partners seeking adventure, love, and riches in the Klondike gold rush must learn to rely on perseverance, courage, and each other to make their dreams come true.

**Chasing Klondike Dreams** Marc Paul Kaplan,2017-05-10 A disillusioned Jared Monroe rebels against the life chosen for him by his father and leaves Yale Divinity School. After he is forcefully rejected by his family Jared embarks on a journey with his dog, Brutus, to forge a new life and to regain self-respect in the West. Maggie Saunders, a high-class prostitute, acts in self- defense against a wealthy and cruel customer. With no hope for justice, she escapes St. Louis in search of safety and a decent life. Alex Stromberg, the ruthless son of a successful San Francisco merchant, is trapped by his domineering father and a shadowy past. After a series of impulsive savage acts Alex flees San Francisco hoping to be free of danger and his unforgiving father. These outcasts converge in Skagway, Alaska struggling to ride the crest of the Klondike Gold Rush. They are transformed by brutality and greed as they risk everything for the chance at wealth, freedom and salvation within the anarchy of Skagway and the unforgiving Yukon wilderness. In this historical novel, each is swept to fates they could never have imagined, challenged to survive using strength and character they never knew they possessed, and giving readers a surprisingly compelling adventure.

The Klondike Clan; a Tale of the Great Stampede Samuel Hall Young,2023-07-18 This novel takes place during the Klondike Gold Rush, in which thousands of people flocked to the Yukon region in search of fortune. The story follows a family of prospectors as they face numerous challenges, from harsh weather conditions to hostile locals. Along the way, they learn about life, love, and the true meaning of perseverance. *To Win Or to Die* George Manville Fenn, 2015-10-30 It's a lie! I don't and I won't believe it. The speaker half whispered that, and then he shouted, Do you hear? There was a pause, and then from the face of a huge white snow-cliff there came back the word hear. Well done, echo! cried the speaker. Echo, came back. Thankye; that's quite cheering; anything's better than that horrible silence. What do they say? When a man gets in the habit of talking to himself it's a sign that he is going mad? Once more, it's a lie! A man would go mad in this awful solitude if he didn't hear some one speaking. Snow, snow, snow, and rock and mountain; and ugh! how cold! Pull up, donkey! jackass! idiot! or you'll freeze to death.
