Making a Scene in the Pulpit Alyce M. McKenzie, 2018-10-23 How can preachers ensure that their sermons continue to engage listeners in a world defined by visual media and the short, segmented delivery of information? Alyce McKenzie harnesses the element of drama and the human fascination with scenes to offer ministers a modern means of sermon development and delivery. McKenzie's core strategy is to invite listeners into scenes—whether from Scripture or contemporary life—and, once they are there, to point them toward the larger story of God's relationship with humankind. Creating such scenes unifies the whole process of preaching, she says, from the preacher's daily life observations to interpretation of scenes from Scripture, to sermon shaping, sequencing, and delivery. The process culminates in a specific understanding of the purpose of the sermon: to send listeners out into the scenes they'll play in their lives for the next week, equipped to act out their parts in ways that are kinder, more just, and more courageous than last week.

**The High Definition Family** Sayer Strauch,2009-08 The High Definition Family isn't about being an ideal family, a perfect family, or even a good family, but about your family as you are now, on a journey with God reaching your highest potential. God wants you and your family to become all that it is created on Earth to do and be. The character of your family members will be continually shaped more like Jesus', you will contribute to others becoming more like Jesus, and donate love to a world that is hungry and thirsty for this kind of love. Your family's story will become part of God's story for the world. If you don't know what makes your family unique then you have no defined basis for making decisions and you become defined by the history of your own messy family and the messy world you live in. And that can be, well, messy. Because you and your family are unique, your journey with God is unique. Being on a high definition journey together, you'll have the tools you need to tune in your family's own unique vision and live it out. You'll have the tools you need to enjoy being together as a family, and to master household chores in such a way as to encourage leadership and teamwork as a family. You'll achieve greater freedom and clarity, and draw closer to each other, God, and those whom you encounter on your journey. For those of you with children, you'll find an easier and clearer parenting task. You will cultivate leadership in all family members, create an energized family culture, and realize family dreams. Please hurry up and get the book done! - D.D. Sayer Strauch serves as a pastor, writer, and speaker and lives in Vancouver, Washington, with his wife and three children.
