The Dark Kingdom Fahrudin Kućuk,2023-01-26 The Dark Kingdom; trilogy is a wonderfully written story about the humble people of a heroic kingdom who decided to stand in the way of evil and find within themselves the winning weapon. Brilliant plots, lucid lines, passability of the text and

vividness of the words - these are the main instruments used by the writer to introduce us to a world from which one emerges crowned with a halo of righteousness. This work has all the postulates that recommend it for children and youth, but also for all older readers who want to be participants in the creation of Bosnian fantasy literature - which has its most worthy leader in Fahrudin Kućuk. This novel has the artistic and marketing potential to be popular and read well beyond the borders of the Bosnian language. This novel is the Lord of the Rings in the Bosnian way.

Winning hearts and minds with the power of his words and his skill with a sword, Gavinaugh travels from one end of the kingdom to the other, telling Outdwellers about the Prince, convincing them to join him. And though Gavinaugh is at times beaten, thrown in prison, or stranded far from home, the Prince himself guides his words, his sword, and his pilgrimage. Journey to Arrethtrae, where the King and His Son implement a bold plan to save their kingdom; where courage, faith, and loyalty stand tall in the face of opposition; where good will not bow to evil--and the Prince's chosen messenger speaks boldly of his quest.

Soulfulness David England, 2018-05-08 This book brings the wisdom of the ancient healing

practice of shamanism together with the insights of contemporary psychology to provide an integrated approach to the treatment of traumatic symptoms. 'Soulfulness' has two historic shamanic roots: Mayan and Native American psychology - a psychology of Self - as expressed in the many aspects of the Medicine Wheel, the wheel of health and wholeness; and the Shamanic Journey and Soul Retrieval, as practiced in traditional societies throughout the world, notably the Tungus tribes of Siberia. This book presents the ancient wisdom of shamanic theory and practice in a form which is fit for use within the mainstream of twenty-first century psychotherapeutic endeavour, including an extensive explanation of Shamanic Psychology and a practical description of the ceremonies of the Shamanic Journey and Soul Retrieval.

Building a History Sarah Herman,2012-07-09 The story of these beloved bricks and the people who built an empire with them. From its inception in the early 1930s right up until today, the LEGO Group's history is as colorful as the toys it makes. Few other playthings share the LEGO brand's creative spirit, educational benefits, resilience, quality, and universal appeal. This history charts the birth of the LEGO Group from the workshop of a Danish carpenter and its steady growth as a small, family-run toy manufacturer to its current position as a market-leading, award-winning brand. The company's growing catalogue of products—including the earliest wooden toys, plastic bricks, play themes and other building systems such as DUPLO, Technic, and MINDSTORMS—are chronicled in detail, alongside the manufacturing process, LEGOLAND parks, licensed toys, and computer games. Learn all about how LEGO pulled itself out of an economic crisis and embraced technology to make building blocks relevant to twenty-first century children, and discover the vibrant fan community of kids and adults whose conventions, websites, and artwork keep the LEGO spirit alive. Building a History will have you reminiscing about old Classic Space sets, rummaging through the attic for forgotten minifigure friends, and playing with whatever LEGO bricks you can get your hands on (even if it means sharing with your kids).

Story Behind the Book “When my six kids’ eyes glossed over during a reading from the Bible, I paused to explain the significance of redemption to a sin-sick soul. I was rewarded with patronizing elephant nods and more blank stares. Shortly thereafter, I awoke in the middle of the night with a medieval story enveloping my mind. I wrote it down and later read it to my children. Their waning attention transformed into complete anticipation. I was amazed and disappointed. Why did it take a fictional story, not a Bible passage, to get that response? Then I realized—that is how Jesus taught! Parables are powerful! I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind.” —Chuck Black
