First Time Knits Sincerely Louise, 2020-08-07 This book teaches the aspiring crafter everything you would need to know about knitting in step-by-step projects. By the end of the book, you will have learned all the knitting stitches to follow patterns and make your own creations. Knitter extraordinaire Louise Walker's mantra is 'If you can knit, purl, increase and decrease, then you can make anything.' In this book, she teaches you all the basic techniques you need to know to make the most exciting and achievable knits. Assuming that you've never held a needle before, the book introduces you the basics and teaches you new techniques as and when you need them, without overloading you with information. The best thing is that most of the projects use chunky and super chunky yarn, which means that the wool is easy to handle, you can see your stitches more easily and your project will grow quickly! Unlike other knitting books, First Time Knits has links to accessible online video tutorials. As you go through the book, there are also Louise's knitters who work on the same project as you. They tell you their knitting stories and compare their finished knits with you, helping you identify the common mistakes made, why they've made them and how to fix them. This knitting book is perfect for crafters who want to make something beautiful quickly, but are intimidated by most knitting patterns. Projects include: Animal phone cosy, bear cup warmer, tiger scarf, whale bottle carrier, turtle coaster, faux taxidermy, bobble hat, hot dog toy, rainbow raglan jumper.

Knitting Under the Influence Claire

LaZebnik, 2008-11-15 When you're in your late twenties and nothing in your life seems to be falling into place, knitting is an awfully seductive way to spend your free time -- especially when life doesn't come with a stitch counter. Kathleen, Sari, and Lucy's Sunday knitting circle is the only thing holding them together. Kathleen has been cut off financially by her family and forced to enter the real world for the very first time. Sari has fallen for the man who made her life a living hell in high school, but now desperately needs her help. Lucy, torn between emotion and reason, must reevaluate her life when her lab and her boyfriend are assailed by an animal-rights group. At their club meetings, they discuss the really important questions: how bad is it, really, to marry for money if you like the guy a lot anyway? Can you ever forgive someone for something truly atrocious that they've done? Is it better to be unhappily coupled than happily alone? And the little ones: Can you wear a bra with a hand-knit tube top? Is it ever acceptable to knit something for a boyfriend? And why do your stitches become lopsided after your second martini? In Claire LaZebnik's hilarious and sometimes heartbreaking novel, Sari, Lucy, and Kathleen's lives intersect, overlap, unravel, and come back together in an utterly satisfying read.
