Even her threat of Tantrum Number Three, to turn herself inside out, doesn't faze this witch. Finally, as the witch is out on her nightly broomstick rounds, a terrified Ivy Lou, enchanted knitting needles in hand, has only until midnight to unknit the Horrid Little Hut and restore the life she knew. Will Ivy Lou manage to get back home, or is she doomed to become a witch's child forever?

**Crochet and Cauldrons** Nancy Warren,2018-12-30 Every family has annoying relatives; mine just happen to be undead.My Grandmother, Agnes Bartlett, used to own Cardinal Woolsey's knitting shop in Oxford then died and left her shop to me, without informing me that she wasn't actually dead. She's a vampire and part of the world's strangest craft circle - the Vampire Knitting Club.As you might imagine, this means she's free to interfere in how I run the business that used to be hers. She's trying to teach me to knit and it's not going well. She's also trying to teach me how to be a witch, since it turns out I'm from a long line of witches. Another tiny detail about my family that no one ever told me, along with the long-lost witch cousins I recently discovered. But I'm learning. I've got my family spell book, my black cat familiar, some powers that sometimes scare me, and an interesting new group of friends. My archaeologist parents are coming to visit and bringing me a gift I could do without. So, to recap, I run a knitting shop and I can't knit. I'm a beginning witch who can't always control her cat, never mind her magic, and my love life is as tangled as the last sock I tried to knit. Oh, and for some reason, I keep getting involved in murder investigations. Good thing I have my vampire knitters to help sniff out clues. At least I've finally hired the perfect assistant, a real demon with the crochet hook. Or is she too perfect?Crochet and Cauldrons is the third book in the Vampire Knitting Club series of fun, paranormal cozy mysteries.Grab yours today!I was up until 2 a.m. I just couldn't stop reading. \*\*\*\*\* Five star Amazon review of Frosted Shadow, a Toni Diamond mystery.Loved it! The magic of storytelling and the magic of knitting—woven together in 14 original patterns inspired by each story. “How fairy tales are told and

remembered has a great deal in common with knitting traditions. It is no mistake that we describe storytelling as knitting a tale, or weaving a story, or spinning a yarn.”—Alice Hoffman, from the Introduction of *Faerie Knitting* Featuring fourteen original fairy tales, *Faerie Knitting* is an entrancing collection of stories of love and loss, trust and perseverance. Seamlessly woven into the plot of each tale is a magical garment or accessory inspired by the bravery and self-reliance of the tale’s heroine and brought to life through an imaginative and bespoke knit pattern. From the Blue Heron Shawl and the Love Never Ending Cowl, to the Three Wishes Mittens and Amulet Necklace, each project is as wearable as it is magical. Lush, atmospheric photography captures the enchanted faerie domain while beautifully rendered charts and instructions are well suited for beginner and advanced knitters alike. Presented in an elegant linen case with foil accents that evoke the fairy tale tradition, *Faerie Knitting* is a rare gift for creators—and lovers—of magic.

When Lucy discovers that Gran did not die peacefully in her sleep, but was murdered, she has to bring the killer to justice without tipping off the law that there's no body in the grave.
