Tourism and Souvenirs Jenny Cave,Lee Jolliffe,2013-07-04 Souvenirs are part of global and local travel and tourism in all corners of the world. This book portrays souvenirs as expressions of culture and as triggers of cultural change. The volume provides critique and theorisation of souvenirs of places, people and experiences in the context of lives lived at the margins of society, politics, tourism flows and urbanisation. Case studies in sustainable tourism illustrate dynamic ways that consumers and suppliers use souvenirs to respond to, resist and (re)interpret global and local influences upon cultures across informal, hybrid and formal economies.

Intercultural Communication in Asia: Education, Language and Values Andy Curtis, Roland Sussex, 2018-04-10 This volume presents in-depth studies on leading themes in education policy and intercultural communication in contemporary Asia, covering empirical as well as theoretical approaches, and offering both an in-depth investigation of their implications, and a synthesis of areas where these topics cohere and point to advances in description, analysis and theory, policy and applications. The studies address key questions that are essential to the future of education in an Asia where intercultural communication is ever more important with the rise of the ASEAN Economic Community and other international initiatives. These questions include the properties of the increasing globalisation of communication and how it plays out in Asia, especially but not exclusively with reference to English, and how we can place intercultural communication in this context, as well as studies that highlight intercultural communication and its underlying value systems and ideologies in Asia.

The Evolving Landscape of Media and Communication in Hong Kong Yu Huang ,Yunya Song ,2019 Over the last twenty years Hong Kong society has witnessed dramatic change, and nowhere is this better reflected than in the realm of media and communications. Across the fields of journalism, public relations and advertising, we can see the changing trends in terms of audience consumption and interaction. From technological developments to the shift in audience participation, the expectations and functions of these professions have been greatly altered. While many of these changes are occurring worldwide, within Hong Kong the processes of change have been further complicated by recent social and political events. Through a selection of essays by field experts, this volume explores the evolution of media itself as well as the complex causes underlying these developments. It identifies not only the difficulties and opportunities for media professionals today, but also the evolving role of the audience.

High Tech and Hot Pot Stephan Orth, 2020-08-18 An award-winning writer reveals a changing China—one conversation and adventure at a time. When Stephan Orth lands in China, he knows it's his last visit, having lied about his job as a journalist to get into the country. So, he makes the most of it, couch-surfing with locals instead of hitting the nearest hotel. Starting in Macau—a former Portuguese colony and now gambler's paradise—Orth takes on the world's biggest casino. Next, he visits Shenzhen, where more than 200 million sidewalk cameras monitor citizens who win and lose points on Sesame Credit, an app that sends data to Alibaba—and to the government. As his adventure continues, Orth encounters a bewildering mix of new tech and old traditions. Over a steaming bowl of hot pot, he learns ancient chopstick etiquette from a policewoman who later demos the facial recognition app she could use to detain him. He eats dog meat as a guest of honor one day—and finds himself censored on live TV the next. He even seriously considers joining an outlawed sect. Self-deprecatingly funny, compassionate, and observant, High Tech and Hot Pot is a formidable addition to a well-loved series, and offers a timely travelogue of an enigmatic country poised to become the world's next superpower.

Cerita-Cerita Makanan Muthia Esfand,2022-12-01 Aku mengabadikan kenangan lewat momen makan bersama. Jika seseorang begitu meresap dalam hatiku, aku pasti akan ingat momen ketika kami berbagi meja dan bersulang senyuman di sela hidangan dan minuman. Atau momen ketika aku memasak untuk entah siapa di dapur mana saja, di sela percakapan tentang mimpi dan masa depan

yang seolah-olah akan dengan mudahnya tertangkap tangan. Buku ini adalah caraku mengabadikan cerita-cerita itu, yang kukumpulkan di sela-sela waktu ketika melancong ke sana-sini. Beberapa cerita berujung pada fakta-fakta sejarah yang tidak tersimpan di buku-buku mana pun. Beberapa membuatku jadi memahami perbedaan budaya yang ada di berbagai tempat. Sementara beberapa yang lain, jelas murni membuatku kelaparan dengan sukses. The Ballad of a Small Player Lawrence Osborne, 2015-01-13 A riveting tale of risk and obsession set in the alluring world of Macau's casinos, by the author of the critically acclaimed *The Forgiven*. As night falls on Macau and the neon signs that line the rain-slick streets come alive, Doyle – "Lord Doyle" to his fellow players – descends into his casino of choice to try his luck at the baccarat tables that are the anchor of his current existence. A corrupt English lawyer who has escaped prosecution by fleeing to the East, Doyle spends his nights drinking and gambling and his days sleeping off his excesses, continually haunted by his past. Taking refuge in a series of louche and dimly lit hotels, he watches his fortune rise and fall as the cards decide his fate. In a moment of crisis he meets Dao-Ming, an enigmatic Chinese woman who appears to be a denizen of the casinos just like himself, and seems to offer him salvation in the form of both money and love. But as Doyle attempts to make a rare and true connection, all that he accepts as reality seems to be slipping from his grasp. Resonant of classics by Dostoevsky and Graham Greene, *The Ballad of a Small Player* is a timeless tale steeped in eerie suspense and rich atmosphere.
