The team of authors, all recognized aquarium experts, show readers how to set up an aquarium, select species, and maintain an optimal environment for the tank's aquatic and plant life. Approximately 250 color photos and illustrations in each volume.

Murder, She Wrote: Killing in a Koi Pond Jessica Fletcher,Terrie Farley Moran,2021-06-08 When a friend's husband dies while Jessica Fletcher is in town visiting, Jessica's vacation turns into a murder investigation in this latest entry in the long-running USA Today

bestselling series. After traveling to Bethesda for a mystery writers' conference, Jessica Fletcher decides she's earned a vacation and takes a train to Columbia, South Carolina, to visit her old college friend Dolores, who has recently married her third husband, Willis Nickens, a wealthy and cutthroat businessman. They've moved into an opulent historic home with plenty of space for guests, and Jessica is ready for a week of shopping, gossiping, and relaxing at the grand estate. But the morning after she arrives, Jessica discovers Willis facedown in the koi pond, and despite what the police think, she's sure foul play is involved. She hadn't known Willis long, but it's clear to her that he didn't concern himself with making friends. The question isn't if her friend's husband was murdered but by whom.

Technology and Digital Media in the Early Years Chip

Donohue, 2014-08-07 A Co-Publication of Routledge and NAEYC

Technology and Digital Media in the Early Years offers early childhood teacher educators, professional development providers, and early childhood educators in pre-service, in-service, and continuing education settings a thought-provoking guide to effective, appropriate, and intentional use of technology with young children. This book provides strategies, theoretical frameworks, links to research evidence, descriptions of best practice, and resources to develop essential digital literacy knowledge, skills and experiences for early childhood educators in the digital age. *Technology and Digital Media in the Early Years* puts educators right at the intersections of child development, early learning, developmentally appropriate practice, early childhood teaching practices, children's media research, teacher education, and professional development practices. The book is based on current research, promising programs and practices, and a set of best practices for teaching with technology in early childhood

education that are based on the NAEYC/FRC Position Statement on Technology and Interactive Media and the Fred Rogers Center Framework for Quality in Children's Digital Media. Pedagogical principles, classroom practices, and teaching strategies are presented in a practical, straightforward way informed by child development theory, developmentally appropriate practice, and research on effective, appropriate, and intentional use of technology in early childhood settings. A companion website (<http://teccenter.erikson.edu/tech-in-the-early-years/>) provides additional resources and links to further illustrate principles and best practices for teaching and learning in the digital age.
