The Harper Encyclopedia of Military Biography Trevor N. Dupuy, Curt Johnson, David L. Bongard, 1992-11 Provides in-depth, accurate, and insightful profiles of approx. 3,000 of the world's greatest military leaders and thinkers, from Julius Caesar -- and before -- to Norman Schwarzkopf. Arranged alphabetically, the biographical entries range from 200 to 1,000 words and each includes, first, a brief overview of the subject, his birth and death dates (if known), and the major wars, battles, or campaigns in which he participated. This is followed, in most entries, by a main narrative of his life, an evaluation of the subject's character, abilities, and contributions, and finally a brief bibliography of books about him. Essential for all major and military libraries, and a useful tool for students and teachers of world history.

Schriften zur Sprache und Literatur IV TAHİR BALCI, ALİ OSMAN ÖZTÜRK, MUNİSE AKSÖZ, Mit diesem Band der jährlichen Buchreihe "Schriften zur Sprache und Literatur / Dil ve Edebiyat Yazıları" möchten wir einerseits die Arbeiten von erfahrenen Wissenschaftlern bzw. Lehrkräften erreichbar machen, andererseits zielen wir darauf ab, NachwuchswissenschaftlerInnen zur Hervorbringung wissenschaftlicher Texte zu inspirieren. In diesem Sinne möchten wir besonders die Beiträge der Masterstudenten und Doktoranden hervorheben, die ihre in den Lehrveranstaltungen und Seminaren erworbenen Kenntnisse mit ihrer Erzeugungskraft verbunden und veranschaulicht haben. Die Arbeiten anderer, an verschiedenen

Universitäten tätiger Lehrkräfte sind für solche, die sich mit verschiedenen Disziplinen wie Linguistik, Literatur, Literaturwissenschaft, Übersetzungswissenschaft, Kulturwissenschaft, Soziolinguistik, Psycholinguistik und Fremdsprachendidaktik beschäftigen, wegweisend. Wegweisend in dem Sinne, dass sie vielfältig sind und eine reiche Palette neuer Gesichts- bzw. Standpunkte aufweisen. Die Beiträge stammen nicht nur aus dem Bereich der Germanistik im weitesten Sinne; unser Band enthält auch Arbeiten, die sich – wenn auch indirekt – auf die Anglistik, Arabistik und Turkologie beziehen. Durch diese Vielfalt wird ein großer Leserkreis erreicht, der eine lange Reise in wissenschaftliche Nachbardisziplinen unternehmen und somit mehrere Themen abschmecken kann.

Dream On Kerstin Gier, 2016-05-03 Things seem to be going well for Liv Silver: she's adjusting to her new home (and her new family) in London; she has a burgeoning romance with Henry Harper, one of the cutest boys in school; and the girl who's been turning her dreams into nightmares, Anabel, is now locked up. But serenity doesn't last for long. It seems that Liv's troubles are far from over—in fact, suddenly they're piling up. School gossip blogger Secrecy knows all of Liv's most intimate secrets, Henry might be hiding something from her, and at night Liv senses a dark presence following her through the corridors of the dream world. Does someone have a score to settle with Liv? Romance, adventure, and danger abound in Dream On, the second book in the Silver trilogy.

The Blue Hour Isabelle Simler, 2017-02-20 A lovely and tranquil celebration of nature The sun has set, the day has ended, but the night hasn't quite arrived yet. This magical twilight is known as the blue hour. Everything in nature—sky, water, flowers, birds, foxes—comes together in a symphony of blue to celebrate the merging of night and day. With its soothing text and radiant artwork, this elegant picture book displays the majesty of nature and reminds readers that beauty is fleeting but also worth savoring.

The Caged Virgin Ayaan Hirsi Ali, 2006-05-02 Muslims who explore sources of morality other than Islam are threatened with death, and Muslim women who escape the virgins' cage are branded whores. So asserts Ayaan Hirsi Ali's profound meditation on Islam and the role of women, the rights of the individual, the roots of fanaticism, and Western policies toward Islamic countries and immigrant communities. Hard-hitting, outspoken, and controversial, The Caged Virgin is a call to arms for the emancipation of women from a brutal religious and cultural oppression and from an outdated cult of virginity. It is a defiant call for clear thinking and for an Islamic Enlightenment. But it is also the courageous story of how Hirsi Ali herself fought

back against everyone who tried to force her to submit to a traditional Muslim woman's life and how she became a voice of reform. Born in Somalia and raised Muslim, but outraged by her religion's hostility toward women, Hirsi Ali escaped an arranged marriage to a distant relative and fled to the Netherlands. There, she learned Dutch, worked as an interpreter in abortion clinics and shelters for battered women, earned a college degree, and started a career in politics as a Dutch parliamentarian. In November 2004, the violent murder on an Amsterdam street of Dutch filmmaker Theo van Gogh, with whom Hirsi Ali had written a film about women and Islam called *Submission*, changed her life. Threatened by the same group that slew van Gogh, Hirsi Ali now has round-the-clock protection, but has not allowed these circumstances to compromise her fierce criticism of the treatment of Muslim women, of Islamic governments' attempts to silence any questioning of their traditions, and of Western governments' blind tolerance of practices such as genital mutilation and forced marriages of female minors occurring in their countries. Hirsi Ali relates her experiences as a Muslim woman so that oppressed Muslim women can take heart and seek their own liberation. Drawing on her love of reason and the Enlightenment philosophers on whose principles democracy was founded, she presents her firsthand knowledge of the Islamic worldview and advises Westerners how best to address the great divide that currently exists between the West and Islamic nations and between Muslim immigrants and their adopted countries. An international bestseller -- with updated information for American readers and two new essays added for this edition -- *The Caged Virgin* is a compelling, courageous, eye-opening work.

Infidel Ayaan Hirsi Ali, 2008-09-04 The brutal murder of the Dutch film-maker Theo van Gogh in 2004 shocked the world. Shot and mutilated by a Muslim fanatic as he cycled to work, it was a stark reminder of the dangers of challenging an extreme Islamic worldview. It also changed the life of Ayaan Hirsi Ali, van Gogh's collaborator on the film that had offended his murderer. Born in Somalia and raised a Muslim, she had escaped an arranged marriage and made a new life as a Dutch parliamentarian, championing the reform of Islam and its attitude to women's rights. She now has twenty-four-hour police protection, but refuses to let that inhibit her willingness to speak out. *THE INFIDEL* is Ayaan Hirsi Ali's astonishing story. Recounting the extraordinary transition from a third-world upbringing to her current status as one of *TIME* magazine's 100 most influential people in the world, it is a truly remarkable autobiography that is as gripping as it is inspiring.

Counterfactual Thinking - Counterfactual Writing Dorothee Birke,Michael Butter,Tilman Köppe,2011-11-30 Counterfactuality is currently a hotly debated topic. While for some disciplines such as linguistics, cognitive science, or psychology counterfactual scenarios have been an important object of study for quite a while, counterfactual thinking has in recent years emerged as a method of study for other disciplines, most notably the social sciences. This volume provides an overview of the current definitions and uses of the concept of counterfactuality in philosophy, historiography, political sciences, psychology, linguistics, physics, and literary studies. The individual contributions not only engage the controversies that the deployment of counterfactual

thinking as a method still generates, they also highlight the concept's potential to promote interdisciplinary exchange without neglecting the limitations and pitfalls of such a project. Moreover, the essays from literary studies, which make up about half of the volume, provide both a historical and a systematic perspective on the manifold ways in which counterfactual scenarios can be incorporated into and deployed in literary texts.

Professor Hieronimus – På Sct. Jørgen Amalie Skram, 2018-10-16 Professor Hieronimus og På Sct. Jørgen er banebrytende innen norsk litteratur. For første gang stifter leseren bekjentskap med de psykiatriske forholdene i samtiden. Romanene er sagt å være svært selvbiografiske fordi Amalie Skram tar utgangspunkt i sine egne opphold på sinnssykehus i 1890-årene. Målet med bøkene er først og fremst å sette fokus på den muligheten leger har til å misbruke sin makt og autoritet. I Professor Hieronimus møter vi maleren Else Kant som bryter sammen under presset ved å være både hustru, mor og kunstner. Hun søker hjelp hos den berømte professor Hieronimus, men bli skuffet. Hun plasseres blant gale mennesker på en lukket avdeling, og fra dem som skulle hjelpe henne møter hun maktmisbruk og løgnaktighet. I På St. Jørgen blir Else Kant motvillig overført til sinnsykehuset St. Jørgen. Her kjemper hun tappert for sin egen selvfølelse - og overlevelse - i opposisjon til det autoritære systemet som gjennomsyrrer anstalten. Kontakten med medpasientene Else styrke og varme, men boka etterlater først og fremst intense bilder av hvordan det er å føle seg innesperret og maktesløs.
